**Grandpa'S Us Colonial History to 1800** Terrence Hagen, 2013-02-28 Did the American people suddenly become independent on July 4 1776 or is there something more to our shared history History books tend to simplify the events leading up to the Declaration of Independence but not Grandpa Terrence Hagen wants his grandchildren and everyone else to know exactly what happened from the founding of Jamestown in 1607 to the time the Founding Fathers broke free from England The reality is the real America was developed in that period between the founding of the first settlements to the Declaration of Independence In this history book you'll learn why America could be called an accident self government was not discovered by America colonial America was the result of concurrent conflict among many entities and subsequent immigration of non English settlers changed the nature of the American colonist and produced ethnic religious and cultural conflicts Laced with chapter summaries quizzes and stories of sacrifice Grandpa's US Colonial History to 1800 tells the forgotten history of how the American Revolution was fought not to attain independence but to retain the level of independence early settlers enjoyed

*The Oxford History of Britain* Kenneth O. Morgan, 2021-02-25 A new edition of this best selling history of Britain from Roman times now updated to cover the first decade of the 21st century The Oxford History of Britain tells the story of Britain and its people over two thousand years from the coming of the Roman legions to the present day Encompassing political social economic and cultural developments throughout the British Isles the dramatic narrative is taken up in turn by ten leading historians who offer the fruits of the best modern scholarship to the general reader in an authoritative form A vivid sometimes surprising picture emerges of a continuous turmoil of change in every period and the wider social context of political and economic tension is made clear But consensus no less than conflict is a part of the story in focusing on elements of continuity down the centuries the authors bring out that special awareness of identity which has been such a distinctive feature of British society By relating both these factors in the British experience and by exploring the many ways in which Britain has shaped and been shaped by contact with Europe and the wider world this landmark work brings the reader face to face with the past and the foundations of modern British society This updated new edition by the original editor adds great richness by taking the story down from the economic crisis of 2008 to the conflict over Europe at the present day

Who Were the First Christians? Thomas Arthur Robinson, 2017 Challenges the consensus view of the urban character of early Christianity Demonstrates that almost every scenario in reconstructing early Christian growth is mathematically improbable and in many cases impossible unless a rural dimension of the Christian movement is factored in Points to the likelihood that the marginal and the rustic made up a larger part of its membership than is generally recognized
