Roman De Mahomet De Alexandre Du Pont

Reginald Hyatte

Roman De Mahomet De Alexandre Du Pont:

Kitab Al-Qabasat Muḥammad Bāqir ibn Muḥammad Dāmād, 2009 Including Selections from Sayyed Ahmad Alawi s Sharoh Kitaab al Qabasaat **Romans de Mahon** Reginald Hyatte, 1997 The Prophet of Islam in Old French gives the first English translation of the only Old French narratives that present comprehensive accounts of Muhammad s prophethood The introduction discusses the propagandistic aims of these works directed at French lay readers and problems of literary and religious traditions *East and West in the Crusader States* Krijna Nelly Ciggaar, Herman G. B. Teule, 1999 The meeting of East and West in the Crusader States was the theme of a symposium held at Hernen Castle in 1997 It was the continuation of a similar symposium which has been published in the *Orientalia Lovaniensia Analecta* 75 Various communities Arabs Armenians Ethiopians Greeks Syrians and Latins and various religions the Church of Rome the Orthodox Church of Constantinople the Jacobites the Muslims and others play their part in the various Crusader States sometimes in the effort to ecumenism sometimes in the form of confrontations Coins and seals in the Latin Kingdom of Jerusalem betray Eastern and Western influences Daily life is reflected in historical texts and in exempla and miracula The fall of Edessa is described in the Lament of Edessa by Nerses Snorhali which is here for the first time translated into English Even icon painting in Egypt reflects crusader influence **The Pseudo-historical Image of the Prophet Muhammad in Medieval Latin Literature: A Repertory** Michelina Di Cesare, 2011-11-30 Exploring and understanding how medieval Christians perceived and constructed the figure of the Prophet Muhammad is of capital relevance in the complex history of Christian Muslim relations Medieval authors writing in Latin from the 8th to the 14th centuries elaborated three main images of the Prophet the pseudo historical the legendary and the eschatological one This volume focuses on the first image and consists of texts that aim to reveal the Christian truth about Islam They have been taken from critical editions where available otherwise they have been critically transcribed from manuscripts and early printed books They are organized chronologically in 55 entries each of them provides information on the author and the work date and place of composition an introduction to the passage s reported and an updated bibliography listing editions translations and studies The volume is also supplied with an introductory essay and an index of notable terms *Saracens* John Victor Tolan, 2002 Medieval Christian writers distorted the teachings of Islam and caricatured its believers in a variety of ways This book provides a comprehensive study of Christian polemical responses to Islam in the Middle Ages *The Matter of Araby in Medieval England* Dorothee Metlitzki, 2005-07-01 To understand the significance of Arabic material in medieval literature we must recognize the concrete reality of Islam in the medieval European experience Intimate contacts beginning with the Crusades yielded considerable knowledge about Araby beyond the merely stereotypical and propagandistic Arabian culture was manifest in scientific and philosophical investigations and the Arab presence pervaded medieval romance where caricatures of Saracens were not merely a catering to popular taste but were a way of coping emotionally with a real threat In England as well as in continental Europe Islam figured in the best

intellectual efforts of the age Dorothee Metlitzki considers Scientific and Philosophical Learning in Part One of this book and discusses the transmission of Arabian culture by way of the Crusades and through the courts of Sicily and Spain She sees the work of Latin translators from the Arabic in the twelfth and thirteenth centuries as the background of a medieval heritage of learning that expressed itself in the subject matter theme and imagery not only of a scholar poet like Chaucer but also of the poets of popular romance In Part Two The Literary Heritage Metlitzki deals with Arabian source books with Araby in history and romance and with Mandeville's Travels She concludes with a general assessment of the cultural force of Araby in England during the middle Ages

Dante and the Orient Brenda Deen Schildgen, 2002 In Dante and the Orient Schildgen argues that Dante's treatment of the East enabled him to use the rhetoric employed in crusade narratives and other travel literature to oppose the military and polemic goals of the Crusades and to plead for the reformation of both church and state

Saracens, Demons, & Jews Debra Higgs Strickland, 2003 These images which reached a broad and socially varied audience across Western Europe appeared in virtually all artistic media including illuminated manuscripts stained glass sculpture metalwork and tapestry

Christian-Muslim Relations. A Bibliographical History. Volume 4 (1200-1350) David Thomas, Alexander Mallett, 2012-08-03 Christian Muslim Relations a Bibliographical History 4 CMR 4 is a history of all the known works on Christian Muslim relations in the period 1200 1350 It comprises introductory essays and detailed entries containing descriptions assessments and comprehensive bibliographical details of individual works

The Chanson d'Antioche Carol Sweetenham, 2016-03-23 The Old French Chanson d'Antioche has long intrigued historians and literary scholars Unusually among epic poems it follows closely a well documented historical event the First Crusade and appears to include substantial and genuine historical content At one time it was believed to be based on an account by an eye

witness Richard the Pilgrim Carol Sweetenham and Susan Edgington have combined forces to investigate such claims and their findings are set out in a comprehensive introduction which firstly examines the textual history of the poem from its possible oral beginnings through several re workings to its present form achieved early in the thirteenth century A second chapter assesses the Chanson's value as a source for the crusade and a third considers its status as a literary text A complete prose translation follows the first in English and based on the definitive edition The Chanson is revealed as a lively narrative with tales of chivalry villainy and even episodes of humour There are extensive footnotes to the translation and an appendix provides supplementary material from a different manuscript tradition There is also a cast list of heroes and villains with biographical information for the real ones and literary analogues for the fictional characters The Chanson d'Antioche can now be read for enjoyment and for a whole new perspective on crusading in the twelfth and thirteenth centuries [Sultan's Court](#) Alain Grosrichard, 1998-08-17 A survey of Western accounts of Oriental despotism in the 17th and 18th centuries focusing particularly on portrayals of the Ottoman empire and the supposedly enigmatic structure of the despot's court the seraglio with its viziers dwarfs mutes eunuchs and countless wives [Constructing the Image of Muhammad in Europe](#) Avinoam Shalem, 2013-06-26 the volume represents a significant contribution to the complex history of the conceptualization and pictorialization of the Prophet Muhammad in the West It gives a rapid and though deep overview of the history of the making of an image of the Prophet Muhammad in Europe and thus reflects the whole history of the making of the image of Islam in the Latin West from the early medieval times till the 19th century The book also provides the reader with ready access to the most recent scholarship concerning the image of Muhammad in Europe in the form of comprehensive footnotes provided throughout the text and an extensive bibliography [Sale Anderson Galleries, Inc, 1919](#) [Sale Catalogues](#) American Art Association, Anderson Galleries (Firm), inc American art association Anderson galleries, 1919 *A Primer of French Literature* Frederick Morris Warren, 1889 **Routledge Revivals: Medieval France (1995)** William W. Kibler, Grover A. Zinn, 2017-07-05 First published in 1995 Medieval France An Encyclopedia is the first single volume reference work on the history and culture of medieval France It covers the political intellectual literary and musical history of the country from the early fifth to the late fifteenth century The shorter entries offer succinct summaries of the lives of individuals events works cities monuments and other important subjects followed by essential bibliographies Longer essay length articles provide interpretive comments about significant institutions and important periods or events The Encyclopedia is thoroughly cross referenced and includes a generous selection of illustrations maps charts and genealogies It is especially strong in its coverage of economic issues women music religion and literature This comprehensive work of over 2 400 entries will be of key interest to students and scholars as well as general readers
