Roman Laughter The Comedy Of Plautus

**Elizabeth Fox-Genovese, Eugene D.
Genovese**

Roman Laughter The Comedy Of Plautus:

Roman Laughter Erich Segal,1987-05-21 We certainly need in English a book devoted to Plautus alone and here we have it Phoenix This reissue of virtually the only book in English devoted to the work of the Roman comedy writer Plautus c 254 184 BC includes a new preface and additional appendices covering the plays Amphitryon and Captivi Reading Roman Comedy Alison Sharrock,2009-09-24 For many years the domain of specialists in early Latin in complex metres and in the reconstruction of texts Roman comedy is now established in the mainstream of Classical literary criticism Where most books stress the original performance as the primary location for the encountering of the plays this book finds the locus of meaning and appreciation in the activity of a reader albeit one whose manner of reading necessarily involves the imaginative reconstruction of performance The texts are treated and celebrated as literary devices with programmatic beginnings middles ends and intertexts All the extant plays of Plautus and Terence have at least a bit part in this book which seeks to expose the authors fabulous artificiality and artifice while playing along with their differing but interrelated poses of generic humility **Laughter in Ancient Rome** Mary Beard,2024-03-05 What made the Romans laugh Was ancient Rome a carnival filled with practical jokes and hearty chuckles Or was it a carefully regulated culture in which the uncontrollable excess of laughter was a force to fear a world of wit irony and knowing smiles How did Romans make sense of laughter What role did it play in the world of the law courts the imperial palace or the spectacles of the arena Laughter in Ancient Rome explores one of the most intriguing but also trickiest of historical subjects Drawing on a wide range of Roman writing from essays on rhetoric to a surviving Roman joke book Mary Beard tracks down the giggles smirks and guffaws of the ancient Romans themselves From ancient monkey business to the role of a chuckle in a culture of tyranny she explores Roman humor from the hilarious to the momentous to the surprising But she also reflects on even bigger historical questions What kind of history of laughter can we possibly tell Can we ever really get the Romans jokes **A Cultural History of Comedy in Antiquity** Michael Ewans,2021-12-30 Drawing together contributions from scholars in a wide range of fields inside Classics and Drama this volume traces the development of comedic performance and examines the different characteristics of Greek and Roman comedy Although the origins of comedy are obscure this study argues that comedic performances were at the heart of Graeco Roman culture from around 486 BCE to the mid first century BCE It explores the range of comedies during this period which were fictional dramas that engaged with the political and social concerns of ancient society and also at times with mythology and tragedy The volume centres largely around the surviving work of Aristophanes and Menander in Athens and Plautus and Terence in Rome but authors whose plays survive only in fragments are also discussed Performances and plays drew on a range of forms including satire and fantasy and were designed to entertain and amuse their audiences while also asking them to question issues of morality privilege and class Each chapter takes a different theme as its focus form theory praxis identities the body politics and power laughter and ethics These eight different approaches to ancient

comedy add up to an extensive synoptic coverage of the subject **A Companion to the Roman Empire** David S. Potter, 2008-04-15 A Companion to the Roman Empire provides readers with a guide both to Roman imperial history and to the field of Roman studies taking account of the most recent discoveries This Companion brings together thirty original essays guiding readers through Roman imperial history and the field of Roman studies Shows that Roman imperial history is a compelling and vibrant subject Includes significant new contributions to various areas of Roman imperial history Covers the social intellectual economic and cultural history of the Roman Empire Contains an extensive bibliography Laughing at domestica facta Giuseppe Eugenio Rallo, 2024-01-22 In this monograph the author embarks on a captivating journey to shed fresh light on the togata a mid Republican theatrical genre which survives only in fragments The book seeks to answer pressing questions surrounding the togata's significance in identity construction during the middle Republic from a literary and cultural perspective Delving deep into the fragmentary textual remains of the togata the book explores how the Roman elite fashioned their identity The author challenges the notion of monolithic identity construction and explores the diverse forms of identity within the togata offering a new perspective on the subject This study thus positions the togata as a vital source for discerning the characteristics and beliefs by which the Romans distinguished themselves and their culture from others By examining how Romans perceived themselves their ideas about different social groups and their literary and cultural ties to earlier traditions this book aims to transform our understanding of the togata's role in Roman drama

British and American Comedies: A Laugh Mosaic Pasquale De Marco, 2025-05-15 British and American Comedies A Laugh Mosaic is the ultimate guide to writing for anyone who wants to improve their skills Whether you're a new writer just starting out or an experienced author looking to take your writing to the next level this book has something for you In British and American Comedies A Laugh Mosaic you'll learn everything you need to know about the craft of writing from the basics of storytelling to the business of publishing You'll learn how to create compelling characters develop believable plots and build immersive worlds You'll also learn the different genres of writing from comedy to horror to science fiction But British and American Comedies A Laugh Mosaic is more than just a writing guide It's also a practical resource that will help you improve your writing skills You'll learn how to write effective dialogue edit your work and market your books You'll also get tips on how to get published both traditionally and self-publishing Whether you're writing for fun or profit British and American Comedies A Laugh Mosaic will help you take your writing to the next level So what are you waiting for Start reading today British and American Comedies A Laugh Mosaic covers everything you need to know about writing including The basics of storytelling Character development Plot development World building Dialogue writing Editing Marketing Publishing British and American Comedies A Laugh Mosaic is the perfect resource for any writer who wants to improve their skills Whether you're a new writer just starting out or an experienced author looking to take your writing to the next level this book has something for you If you like this book write a review on Google Books **Paul's Declaration of Freedom**

from a Freed Slave's Perspective Robin G. Thompson,2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul s theology of Christian freedom they have not considered how Paul s declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slaves perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well *Paul, the Fool of Christ* L. L. Welborn,2005-07-19 Welborn argues that Paul s acceptance of the role of a fool and his evaluation of the message of the cross as foolishness are best understood against the background of the popular theatre and the fool s role in the mime Welborn s investigation demonstrates that the term folly moria was generally understood as a designation of the attitude and behaviour of a particular social type the lower class buffoon As a source of amusement these lower class types were widely represented on the stage in the vulgar and realistic comedy known as the mime Paul s acceptance of the role of the fool mirrors the strategy of a number of intellectuals in the early Empire who exploited the paradoxical freedom that the role permitted for the utterance of a dangerous truth Welborn locates Paul s exposition of the folly of the message about the cross in a submerged intellectual tradition that connects Cynic philosophy satire and the mime In this tradition the world is viewed from the perspective of the poor the dishonoured the outsiders The hero of this tradition is the wise fool who in grotesque disguise is allowed to utter critical truths about authority The book demonstrates that Paul participates fully in this tradition in his discourse about the folly of the word of the cross The major components of Paul s argument in 1 Corinthians 1 4 find their closest analogies in the tradition that valorizes Socrates Aesop and the mimic fool JSNTS 293 and ECC *The Mind of the Master Class* Elizabeth Fox-Genovese,Eugene D. Genovese,2005-10-17 The Mind of the Master Class tells of America s greatest historical tragedy It presents the slaveholders as men and women a great many of whom were intelligent honorable and pious It asks how people who were admirable in so many ways could have presided over a social system that proved itself an enormity and inflicted horrors on their slaves The South had formidable proslavery intellectuals who participated fully in transatlantic debates and boldly challenged an ascendant capitalist free labor society Blending classical and Christian traditions they forged a moral and political philosophy designed to sustain conservative principles in history political economy social theory and theology while translating them into political action Even those who judge their way of life most harshly have much to learn from their probing moral and political reflections on their times and ours beginning with the virtues and failings of their own society and culture Comedy in the Pro Caelio Katherine A. Geffcken,2018-06-22

Perspectives of Roman Poetry Karl Galinsky,2014-07-03 Written by leading specialists the essays in Perspectives of Roman Poetry seek to provide a broad range of readers with a good understanding of some essential aspects of major Roman

poets and poetic genres The value of the essays is enhanced for comparative purposes by their extensive reference to modern authors such as Shakespeare and Tolkien For the modern reader Latin quotations are accompanied by effective English translations The essays and their authors are as follows The Woman s Role in Latin Love Poetry by Georg Luck Autobiography and Art in Horace by William S Anderson Some Trees in Virgil and Tolkien by Kenneth J Reckford The Business of Roman Comedy by Erich Segal Ovid s Metamorphosis of Myth by G Karl Galinsky The preface and concluding panel discussion illumine the situation of literary criticism in the classics and point out the need for diversity Perspectives of Roman Poetry resulted from a symposium held at the University of Texas at Austin in 1972 These essays offer different and in some cases heterodox interpretations that will serve as a basis for future discussions *In Bed with the Romans* Paul Chrystal, 2015-10-15 An entertaining and intriguing account of sex in Rome and the exploits of some of Rome s celebrated exponents of sexual permissiveness and perversion Shakespeare, Brecht, and the Intercultural Sign Antony Tatlow, 2001-09-24 Examines Asian staging of Western canonical theater particularly Shakespeare s plays arguing that intercultural performance questions the settled assumptions we bring to our interpretations of familiar texts Recognizing Miracles in Antiquity and Beyond Maria Gerolemou, 2018-04-23 In recent years scholars have extensively explored the function of the miraculous and wondrous in ancient narratives mostly pondering on how ancient authors view wondrous accounts i e the treatment of the descriptions of wondrous occurrences as true events or their use More precisely these narratives investigate whether the wondrous pursues a display of erudition or merely provides stylistic variety sometimes such narratives even represent the wish of the author to grant a rational explanation to extraordinary actions At present however two aspects of the topic have not been fully examined a the ability of the wondrous miraculous to set cognitive mechanisms in motion and b the power of the wondrous miraculous to contribute to the construction of an authorial identity that of kings gods or narrators To this extent the volume approaches miracles and wonders as counter intuitive phenomena beyond cognitive grasp which challenge the authenticity of human experience and knowledge and push forward the frontiers of intellectual and aesthetic experience Some of the articles of the volume examine miracles on the basis of bewilderment that could lead to new factual knowledge the supernatural is here registered as something natural although strange the rest of the articles treat miracles as an endpoint where human knowledge stops and the unknown divine begins here the supernatural is confirmed Thence questions like whether the experience of a miracle or wonder as a counter intuitive phenomenon could be part of long term memory i e if miracles could be transformed into solid knowledge and what mental functions are encompassed in this process are central in the discussion **Laughing Atoms, Laughing Matter** T. H. M. Gellar-Goad, 2020-02-14 Laughing Atoms Laughing Matter Lucretius De Rerum Natura and Satire offers the first comprehensive examination of Roman epic poet Lucretius engagement with satire Author T H M Gellar Goad argues that what has often been understood as an artfully persuasive exposition of Epicurean philosophy designed to convert the

uninitiated is actually a mimesis of the narrator's attempt to effect such a conversion on his internal narrative audience a performance for the true audience of the poem whose members take pleasure from uncovering the literary games and the intertextual engagement that the performance entails Gellar Goad aims to track *De Rerum Natura* along two paths of satire first the broad boulevard of satiric literature from the beginnings of Greek poetry to the plays essays and broadcast media of the modern world and second the narrower lane of Roman verse satire *satura* beginning with early authors Ennius and Lucilius and closing with Flavian poet Juvenal Lucilius is revealed as a major yet overlooked influence on Lucretius By examining how Lucretius poem employs the tools of satire we gain a richer understanding of how it interacts with its purported philosophical program

Nature of Roman Comedy George E. Duckworth, 2015-03-08 This book provides the most complete and definitive study of Roman comedy Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Philosophy of Education Joseph James Chambliss, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Stephen Sondheim Joanne Gordon, 2014-04-23 Stephen Sondheim is an artist with many contradictory facets he is an avant garde composer and lyricist working in the populist art form an apparently dry and acerbic critic who captures all the ambivalent pain of passion an intellectual whose work contains some of the funniest bawdy lines on the Broadway stage He has chosen to confront an audience that is usually looking for escapist literature with the very issues it has fled to the theatre to avoid This collection of original essays takes particular pains to present Sondheim's diversity in a chronological plan that illustrates how each new work grew out of the previous one Some of the topics covered are the evolution of Sondheim's female characters who take us far beyond the usual sweet ingenues the Roman farce antecedents of *A Funny Thing Happened on the Way to the Forum* and the resemblances between Sondheim's chorus and the chorus in ancient Greek drama Sondheim and the concept musical and Sondheim's maturing philosophy All students of the modern theatre and the modern musical will want to read this book

The Ancient World of Comedy Pasquale De Marco, 2025-04-15 Embark on a comedic journey that will leave you laughing out loud and craving more *The Ancient World of Comedy* is the ultimate guide to the world of comedy delving into its origins evolution and impact on society With wit and humor this book explores the techniques and elements that make comedy work analyzing the works of famous playwrights actors and comedians throughout history From the ancient theaters of Greece and Rome to the modern day comedy clubs and streaming platforms *The Ancient World of Comedy* takes you on a historical tour of comedy highlighting the pioneers who have shaped this art form Discover the secrets behind slapstick satire irony and wit and learn how these comedic

devices have been used to entertain and provoke audiences for centuries This comprehensive book delves into the different types of comedy from stand up to sketch from physical to observational and everything in between With insightful analysis and engaging storytelling The Ancient World of Comedy explores the unique characteristics of each genre showcasing iconic comedians who have mastered their craft and left an indelible mark on the world of comedy But comedy is not just about making people laugh It also serves as a powerful tool for social commentary and critique The Ancient World of Comedy examines the role of comedy in society exploring how it has been used to reflect and challenge social and political issues and how it has helped people cope with difficult times From political satire to black humor this book sheds light on the complex relationship between comedy and society Whether you re a comedy enthusiast a student of literature or simply someone who enjoys a good laugh The Ancient World of Comedy is the perfect book for you With its in depth analysis insightful commentary and a touch of humor this book will deepen your understanding and appreciation of comedy as an art form and its impact on our lives Get ready to laugh learn and be inspired by the fascinating world of comedy If you like this book write a review on google books
