samnum and the samnites , The Relationship Between the Church and the Theatre Christine C. Schnusenberg, 2017-06-12 This work has grown out of the question regarding the negative relationship of the Church Fathers toward the Roman theatre and the apparent subsequent theatre vacuum of over 400 years ca 530 AD to 930 AD This is considered to be the time which lies between the end of the Roman theatre and the appearance of the *quem quaeritis* tropes This work moves between these two poles on the one hand between the polemics against the pagan Roman theatre which the Church Fathers described as a *theatrum daemonicum* and on the other hand the appearances of dramatic liturgical configurations in the Christian Church This work attempts to connect these two opposite poles instead of separating them This study begins with an examination of documents dealing with the patristic polemic This is followed by an examination in chronological sequence of the development of the liturgical dramatic manifestations from Jerusalem to Amalarius of Metz It also examines the allegorical method connected with this development In conclusion the argument is maintained that aside the *theatrum daemonicum* a *theatrum infictitium et sapirituale* is beginning to develop

The Mythological Traditions of Liturgical Drama Christine Schnusenberg, 2010 This unique comprehensive work tackles questions posed by the polemics of the Church Fathers against the Roman theater and explores the subsequent developments of Western liturgical drama as a continuation of the Roman theater up to the time of Amalarius of Metz in the ninth century
