Holmes,1923      *The Roman Republic* William Emerton Heitland,1909      **The Roman Republic 264-146 BC** Taylor &  
Francis Group,2018-12      Roman Republic 264-44 BC Edward Bispham,2010 This is the gripping story of the rise and fall of  
the Roman Republic meteoric imperial expansion enriched and corrupted the ruling aristocracy which was then unable either  
to rule the vast empire effectively or to resist the challenge of popular power within Rome itself Political tensions enormous  
wealth and imperial ambition fuelled a vicious circle of competition in which the number of players decreased as the stakes  
rose until two military dynasts Caesar and Pompeius went to war for control of the commonwealth This book traces these  
processes in detail but also gives more space than has been traditional to the impact of Rome s military cultural and  
economic expansion on her subjects both in Italy and in the provinces Historians rightly depend on the narrative histories  
and other writings of the Greeks and Romans themselves But these give us largely the view from Rome and of the upper  
classes and some were written later and with hindsight This evidence is important and is given proper consideration in this  
volume but other viewpoints those of Italian elites and provincial communities are also considered primarily though  
documentary evidence Further the latest archaeological research is drawn on to illustrate developments in society religion  
and culture which affected much larger sections of the Mediterranean under Rome The volume seeks to show what changes  
flowed from Roman rule and how Rome itself was transformed although the Republic failed late republican society was a

vibrant and fertile intellectual and cultural community in a phase of rapid transition painful but brilliant      **The Roman Republic and the Founder of the Empire** Thomas Rice Edward Holmes,1923      **History of the Roman Republic** Jules Michelet,1859      **The Roman Republic Volume 3** HardPress,Heitland William Emerton 1847-1935,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      ROMAN REPUBLIC William Emerton 1847-1935 Heitland,2016-08-28
