The later romances and the establishment of realism Ernest Albert Baker,1929 **The Military Memoir and Romantic Literary Culture, 1780-1835** Neil Ramsey,2016-12-05 Examining the memoirs and autobiographies of British soldiers during the Romantic period Neil Ramsey explores the effect of these as cultural forms mediating warfare to the reading public during and immediately after the French Revolutionary and Napoleonic wars Forming a distinct and commercially successful genre that in turn inspired the military and nautical novels that flourished in the 1830s military memoirs profoundly shaped nineteenth century British culture s understanding of war as Romantic adventure establishing

images of the nation's middle class soldier heroes that would be of enduring significance through the nineteenth and twentieth centuries As Ramsey shows the military memoir achieved widespread acclaim and commercial success among the reading public of the late Romantic era Ramsey assesses their influence in relation to Romantic culture's wider understanding of war writing autobiography and authorship and to the shifting relationships between the individual the soldier and the nation The memoirs Ramsey argues participated in a sentimental response to the period's wars by transforming earlier impersonal traditions of military memoirs into stories of the soldier's personal suffering While the focus on suffering established in part a lasting strand of anti war writing in memoirs by private soldiers such stories also helped to foster a sympathetic bond between the soldier and the civilian that played an important role in developing ideas of a national war and functioned as a central component in a national commemoration of war

Sheppard,2013-09-13 In 1934 Anglican priest H R L Dick Sheppard challenged young men in England to pledge to say NO to participation in future wars The response to his call was so overwhelmingly enthusiastic that the next year Sheppard published *We Say NO The Plain Man's Guide to Pacifism* and founded the Peace Pledge Union a pacifist organization that's still going strong in Britain today His book a best seller during his lifetime has become a classic in Christian pacifism It contains the fundamentals of Sheppard's call for a Christian response to violence that remains loyal to the constructively revolutionary spirit of Jesus Sheppard's commitment to the gospel of nonviolence made him slightly disreputable within the Church of England but earned him a lasting place among twentieth century champions of pacifism This new edition of *We Say NO* completely annotated and prefaced with an introduction that provides detailed information about Sheppard and the peace movement he launched aims to present his case for Christian pacifism to a new generation
