Pallavicini,2021-11-03 Wine and Love is a romantic poetry book maybe a love story With scattered unorganized non labeled chapters Speaking only of two or three women but only 80% of this book is just about one of them Mixing wine metaphor with an elegant lyrical flow Wine and the beauty of the soul Something about the way two hearts can attract like magnets bonding over a glass of wine In the poems I ve stated names that I ve never met just disguising my true love Giving her different names to give myself some breathing room I understand fully the lessons of love the good the bad and the forever May the reader be in love or fall in love May my words hit your heart s strings *The Irish Voice in America* Charles Fanning,2014-07-11 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century

beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier The Irish Voice in America is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience
