The Doctor in the Victorian Novel Tabitha Sparks,2016-03-23 With the character of the doctor as her subject Tabitha Sparks follows the decline of the marriage plot in the Victorian novel As Victorians came to terms with the scientific revolution in medicine of the mid to late nineteenth century the novel's progressive distance from the conventions of the marriage plot can be indexed through a rising identification of the doctor with scientific empiricism A narrative's stance towards scientific reason Sparks argues is revealed by the fictional doctor's relationship to the marriage plot Thus novels that feature romantic doctors almost invariably deny the authority of empiricism as is the case in George MacDonald's *Adela Cathcart* In contrast works such as Wilkie Collins's *Heart and Science* which highlight clinically minded or even sinister doctors uphold the determining logic of science and in turn threaten the novel's romantic plot By focusing on the figure of the doctor rather than on a scientific theme or medical field Sparks emulates the Victorian novel's personalization of tropes and belief systems using the realism associated with the doctor to chart the sustainability of the Victorian novel's central imaginative structure the marriage plot As the doctors Sparks examines increasingly stand in for the encroachment of empirical knowledge on a morally formulated artistic genre their alienation from the marriage plot and its interrelated decline succinctly herald the end of the Victorian era and the beginning of Modernism *Single Daddies: A Doctor Romance Collection* Michelle Love,2021-03-27 Enjoy this doctors Boxset by Best selling billionaire romance author Michelle Love Settle in for these three full length standalone romances full of men who take charge in the boardroom and the bedroom Don't miss this set of hot doctors and single daddies waiting to be found out Book one *The Doctor's Promise* A Billionaire Romance I never thought I'd love again After I lost my fiancé my entire focus has been on my son Except Noemi Castor is haunting my dreams Her sweet face her soft hair Her curvy lush body I get hard just thinking about her in my arms in my bed the way her face glows when she cums I need her so badly it hurts But she won't stop blaming herself for this tragedy in our past I'm falling in love with her this beautiful funny sexy girl I just have to convince her that I'm crazy about her Book two

As the top surgeon in America, I can have anything I want. Any house, any car, any woman, anything. Anything. Except for the sexy new intern at the hospital. She's perfect in every way, but she's off-limits. Will that stop me? I'm Royce Berkley. I don't follow the rules. Book three: Secrets of the Flame. A Doctor Romance. My last year of med school, the best year ever, because of her. My future changed forever because of her. From the moment I saw her, I knew there was something between us. Not many people find passionate nights, stolen kisses throughout our busy days. She and I had the same goals, goals that would end the special connection we'd found. Leaving her behind proved to be the hardest thing I'd ever done. Finding her one day in a Seattle hospital, tending to one of my best friends, proved that old flame had never completely gone out. No longer the easygoing, easy-to-love girl I'd known years ago, she'd become guarded. My only question: why?
