Rupani, 2021-07-19 Every relationship goes through ups and downs and no matter how much ever you try to be happy together there will be times when two individuals will stand opposite each other because of different views on the same point At this point how you handle the situation and understand each other shows maturity and strength in the relationship This numerology book based on relationship compatibility will not tell you who will win or lose the discussions and fights It will not tell you whether the relationship between two numbers is a thumbs up or thumbs down because no number is good or bad right or wrong and so judging someone on the basis of just numbers is incorrect What this book can rightfully do is to help you find the hurdles or differences that can probably occur in the relationship
