

# Romanian Revolution Of December 1989

**David Berry**

## **Romanian Revolution Of December 1989:**

**The Romanian Revolution of December 1989** Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d tat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe

*The Romanian Revolution of December 1989 in international context* Ioan Scurtu, 2009

Romania since the Second World War Florin Abraham, 2016-11-17 CHOICE Outstanding Academic Title 2017 Romania since the Second World War is the first book about Romania designed to chart the progress of the nation under the communist regime as well as the transition period that followed providing detailed analysis of the aspects of continuity and change that can be identified over the period as a whole The book begins with Romania s involvement in the Second World War looking at the communist regime in depth It examines how communism took hold and the elimination of traditional elites took place before discussing the impact of Gheorghiu Dej and Nicolae Ceausescu the two most important leaders of the communist era The following chapters cover the main social and economic changes during the communist regime The second part of the book explores the transition period following the end of communism in 1989 with special attention given to international relations and Romania s drive for inclusion in NATO and the EU Romania since the Second World War assesses socio demographic trends across the postwar period before concluding with some thoughts on the nation s development during this time The book includes a useful appendix covering the key figures in Romania s recent history and a helpful bibliography making this a key text for anyone interested in the modern history of Eastern Europe

*When the World Seemed New* Jeffrey A. Engel, 2017-11-07 Engel s excellent history forms a standing if unspoken rebuke to the retrograde nationalism espoused by Donald J Trump The New York Times Book Review The collapse of the Soviet Union was the greatest shock to international affairs since World War II In that perilous moment Saddam Hussein invaded

Kuwait and regimes throughout Eastern Europe and Asia teetered between democratic change and new authoritarian rule President Bush faced a world in turmoil that might easily have tipped into an epic crisis As presidential historian Jeffrey Engel reveals in this page turning history Bush rose to the occasion brilliantly Using handwritten letters and direct conversations some revealed here for the first time with heads of state throughout Asia and Europe Bush knew when to push when to cajole and when to be patient Based on previously classified documents and interviews with all the principals When the World Seemed New is a riveting fly on the wall account of a president with his calm hand on the tiller guiding the nation from a moment of great peril to the pinnacle of global power An absorbing book The Wall Street Journal By far the most comprehensive and compelling account of these dramatic years thus far The National Interest A remarkable book about a remarkable person Southern Methodist University professor Jeffrey Engel describes in engrossing detail the patient and sophisticated strategy President George H W Bush pursued as the Cold War came to an end The Dallas Morning News

Romania After Tyranny Daniel N Nelson,2019-06-19 In 1973 Romanians were beginning to recognize that the regime of Nicolae Ceausescu contrary to what his first five or six years in power seemed to imply would bring no respite from communism Instead after a 1971 mini cultural revolution ended hope for a Bucharest spring and intellectual latitude was curtailed further in 1972 73 the ominous possibilities of Ceausescu were becoming evident In 1973 I went to Romania on a dissertation research grant from the International Research and Exchanges Board It was a year in which wide ranging survey research was still possible But it was also a time when historians and writers who had different ideas or workers who gave thought to non party union organization felt the heavy hand of Ceausescu s Securitate As happens to most graduate students and their field research it was a formative experience with indelible impressions that remain today **Women as**

**Constitution-Makers** Ruth Rubio-Marín,Helen Irving,2019-03-28 That a constitution should express the will of the people is a long standing principle but the identity of the people has historically been narrow Women in particular were not included A shift however has recently occurred Women s participation in constitution making is now recognised as a democratic right Women s demands to have their voices heard in both the processes of constitution making and the text of their country s constitution are gaining recognition Campaigning for inclusion in their country s constitution making women have adopted innovative strategies to express their constitutional aspirations This collection offers for the first time comprehensive case studies of women s campaigns for constitutional equality in nine different countries that have undergone constitutional transformations in the participatory era Against a richly contextualised historical and political background each charts the actions and strategies of women participants both formal and informal and records their successes failures and continuing hopes for constitutional equality *Balkan Legacies* John Paul Newman,Balázs Apor,2021-06-15 *Balkan Legacies* is a study of the aftermath of war and state socialism in the contemporary Balkans The authors look at the inescapable inheritances of the recent past and those that the present has to deal with The book s key theme is the interaction often subliminal of the

experiences of war and socialism in contemporary society in the region Fifteen contributors approach this topic from a range of disciplinary backgrounds and through a variety of interpretive lenses collectively drawing a composite picture of the most enduring legacies of conflict and ideological transition in the region without neglecting national and local peculiarities The guiding questions addressed are what is the relationship between memories of war dictatorship communist or fascist and present day identity especially from the perspective of peripheral and minority groups and individuals How did these components interact with each other to produce the political and social culture of the Balkan Peninsula today The answers show the ways in which the experiences of the latter part of the twentieth century have defined and shaped the region in the twenty first century

*Attitude and Stance in Discourse* Liliana Ionescu-Ruxăndoiu, Mihaela-Viorica Constantinescu, Gabriela Stoica, Șerban Hartular, 2022-01-27 Stancetaking is inherent in verbal communication as it is connected with the expression of subjectivity and the construction of intersubjectivity in discourse This book presents theoretical findings in this field and their practical implications exploring the variations in time and space of meaning negotiation processes in a large variety of communicative forms including political and judicial discourse journalism fiction private letters informal conversations and school debates Some articles refer to events with a strong impact on social and political life such as the COVID 19 pandemic or Ceau escu s trial The volume s approach is mainly pragma rhetoric and interactional but also interdisciplinary promoting dialogue between stance researchers in different fields There is a specific focus on possible applications of some key findings of stance research in improving inter ethnic communication and the teaching of foreign languages as well as students communicative abilities

*Constitutional Law in Romania* Irina Moroianu Zla Țescu, 2017-09-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Romania provides essential information on the country s sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Romania will welcome this guide and academics and researchers will appreciate its

value in the study of comparative constitutional law

## **Post-communism, Democracy, and Illiberalism in Central and Eastern Europe after the fall of the Soviet Union**

Matei Gheboianu, Daniela Popescu, 2023-12-06

Post communism Democracy and Illiberalism in Central and Eastern Europe after the fall of the Soviet Union explores how the downfall of communism brought about a difficult transition for Eastern and Central Europe The collapse of communism in this region varied from one case to another and the consequences of this process can still be noticed to varying degrees today Although most of the countries that were part of the former Soviet bloc are now members of the NATO or of the European Union and the democratic system in these areas seems to be a solid one the last ten years have indicated a declining trust of the citizens in political institutions and a degradation of political systems which keeps generating vocal manifestations of populism and Euroscepticism The end of the 1990s marked the final shift towards democracy with the accession of the first states to NATO and the beginning of accession negotiations with the European Union The process of consolidating democracies seemed to be an irreversible one and steps towards respect for human rights freedom of expression and the development of economies that functioned according to the rules of the free market gave hope for a very fast path to reduce the gaps in relation to Western democracies

*My Life as a Spy* Katherine Verdery, 2018-04-19 As Katherine Verdery observes There s nothing like reading your secret police file to make you wonder who you really are In 1973 Verdery began her doctoral fieldwork in the Transylvanian region of Romania ruled at the time by communist dictator Nicolae Ceausescu She returned several times over the next twenty five years during which time the secret police the Securitate compiled a massive surveillance file on her Reading through its 2 781 pages she learned that she was actually a spy a CIA agent a Hungarian agitator and a friend of dissidents in short an enemy of Romania In *My Life as a Spy* she analyzes her file alongside her original field notes and conversations with Securitate officers Verdery also talks with some of the informers who were close friends learning the complex circumstances that led them to report on her and considers how fieldwork and spying can be easily confused Part memoir part detective story part anthropological analysis *My Life as a Spy* offers a personal account of how government surveillance worked during the Cold War and how Verdery experienced living under it

*Twenty Years After Communism* Michael H. Bernhard, Jan Kubik, 2014 While the fall of the Berlin Wall is positively commemorated in the West the intervening years have shown that the former Soviet Bloc has a more complicated view of its legacy In post communist Eastern Europe the way people remember state socialism is closely intertwined with the manner in which they envision historical justice *Twenty Years After Communism* is concerned with the explosion of a politics of memory triggered by the fall of state socialism in Eastern Europe and it takes a comparative look at the ways that communism and its demise have been commemorated or not commemorated by major political actors across the region The book is built on three premises The first is that political actors always strive to come to terms with the history of their communities in order to generate a sense of order in their personal and collective lives Second new leaders sometimes find it advantageous to mete out justice on the

politicians of abolished regimes and whether and how they do so depends heavily on their interpretation and assessment of the collective past Finally remembering the past particularly collectively is always a political process thus the politics of memory and commemoration needs to be studied as an integral part of the establishment of new collective identities and new principles of political legitimacy Each chapter takes a detailed look at the commemorative ceremony of a different country of the former Soviet Bloc Collectively the book looks at patterns of extrication from state socialism patterns of ethnic and class conflict the strategies of communist successor parties and the cultural traditions of a given country that influence the way official collective memory is constructed Twenty Years After Communism develops a new analytical and explanatory framework that helps readers to understand the utility of historical memory as an important and understudied part of democratization

**Romania under Communism** Dennis Deletant, 2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceaușescu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry

American Representations of Post-Communism Andaluna Borcila, 2014-07-11 With the televised events of 1989 territories of Eastern and Central Europe that had been marked as impenetrable and inaccessible to the Western gaze exploded into visibility As the narratives of the Cold War crumbled new narratives emerged and new geographies were produced on and by American television Using an understudied archive of American news broadcasts and tracing their flashes and echoes through travel guides and narratives of return written by Eastern European Americans this book explores American ways of seeing and mapping communism's disintegration and the narratives articulated around post communist sites and subjects

**Diffusion of Democracy** Barbara Wejnert, 2014-01-09 This study of democratization since 1800 provides new data to explore the relationship between socioeconomic development and democracy over the last 200 years Barbara Wejnert examines both countries and regions and argues that the role of diffusion mechanisms as opposed to internal factors is especially significant as are regional effects

**Constitutional Law in Romania** Irina Moroianu Zlătescu, 2023-07-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Romania provides essential information on the country's sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion

of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Romania will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law

**Churches and Political Power under Communism in Central and Eastern Europe** Dragoş Ursu, This volume is the result of the work of 15 researchers from four former communist countries Poland Hungary Romania Moldova who approach the relationship between political power and the churches in Central and Eastern Europe during communism from an interdisciplinary perspective exploring several directions biographies reconstructing the fate of the heroes of anti communist resistance institutions analysing the mechanisms of repression memorialisation museum representations of communist repression and cultural cinematographic representations of the communist past Drago Ursu PhD in History with a thesis on political detention in Romania post doctoral researcher at the University of Alba Iulia interested by the history of communist regimes political repression memory of anti communist resistance state church relations in the 20th century

*History of Modern Cremation in Romania* Marius Rotar, 2013-01-11 Cremation as a means of managing the post mortem body was reintroduced to Europe at the end of the eighteenth century but would not become common practice until the second half of the nineteenth century This was a major development with multifaceted implications which generated heated debate Initially armed with a variety of arguments hygienic economic aesthetic and philosophical arguments citing freedom of conscience and will the advocates of modern cremation who tended to come from the social and cultural elite sought to impose their new model This brought them into conflict with the traditional structures and patterns of burial and thus with the Church which had of course originally ended the practice of cremation The present study is a history of cremation in Romania beginning with the emergence of cremationist ideas in 1867 and taking the reader up to the present day It analyses the following key periods the second half of the nineteenth century and early twentieth century the Interwar period Romania then being the first Orthodox country in the world to possess a crematorium which provoked a vehement reaction against cremation on part of the Orthodox Church the Communist period when no new crematoria were built even though the Communist regime proclaimed itself to be atheist and the post Communist period

**The Romanian Mass Media and Cultural Development** David Berry, 2017-07-05 This compelling book assesses the development of the mass media since the Romanian Revolution in December 1989 and the media s impact on cultural development the public sphere civil society and democracy It controversially claims that Romania

s failure to experience a thoroughgoing enlightenment project in its entire history remains a major obstacle for producing democratic ownership of the media and democratic development of society Analyzing both the print and broadcast media and their respective effects on development the book also discusses the effects of Romanian law on media and societal development ethics and media responsibilities It concludes however that far from having an absolutely negative impact on Romanian post communism the media has helped produce a contradictory empirical form that equally contains positive moments in terms of subjective cultural development      *The Encyclopedia of Political Revolutions* Jack A.

Goldstone,2015-04-29 The Encyclopedia of Political Revolutions is an important reference work that describes revolutionary events that have affected and often changed the course of history Suitable for students and interested lay readers yet authoritative enough for scholars its 200 articles by leading scholars from around the world provide quick answers to specific questions as well as in depth treatment of events and trends accompanying revolutions Includes descriptions of specific revolutions important revolutionary figures and major revolutionary themes such as communism and socialism ideology and nationalism Illustrative material consists of photographs detailed maps and a timeline of revolutions

### **Romanian Revolution Of December 1989 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Romanian Revolution Of December 1989 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Romanian Revolution Of December 1989 has opened up a world of possibilities. Downloading Romanian Revolution Of December 1989 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Romanian Revolution Of December 1989 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Romanian Revolution Of December 1989. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Romanian Revolution Of December 1989. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Romanian Revolution Of December 1989, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Romanian Revolution Of December 1989 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Romanian Revolution Of December 1989 Books

**What is a Romanian Revolution Of December 1989 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Romanian Revolution Of December 1989 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Romanian Revolution Of December 1989 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Romanian Revolution Of December 1989 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Romanian Revolution Of December 1989 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
