Romanism and the Gospel Charles Archibald Anderson Scott,1946 *Romanism in the Light of the Gospel* Elizabeth Jane Whately,1882 **The Gospel Lever Applied to the Overturning of Romanism** Edward Nangle,1837 **Romanism** Robert M. Zins,2002 Romans John R. W. Stott,1998 20 inductive studies with commentary insights on how the gospel can transform us **Comforts from Romans** Elyse M. Fitzpatrick,2013-01-31 Although we go to bed at night believing the gospel we wake up every morning needing to hear it again Yet most of us don t have time to dive into a lengthy commentary on the book of Romans the book Paul wrote in order to showcase the glorious riches of the gospel Thankfully seasoned counselor and author Elyse Fitzpatrick makes the message of Romans readily accessible in 31 devotional like chapters on what Martin Luther called the very purest Gospel Perfect for even the busiest of us Elyse helps us grasp the practicality of the gospel message and experience the deep comforts articulated in the book of Romans **Romans** Bruce Bickel,Stan Jantz,2004 Combining the biblical content of a commentary with the life applications of a Bible study bestselling authors Bruce Bickel and Stan Jantz distill important Bible truths in user friendly portions and communicate them with amazing clarity Paul s letter to the church in Rome is his clearest explanation and application of the Good News about Christ the power of God at work This fresh new study of Romans assures readers that the gospel is God s answer to every human need and helps them catch Paul s burning desire to spread the message of salvation Thirteen chapters blend helpful background information with up to date applications of the gospel to everyday life Individual readers and groups will appreciate the open ended thought provoking questions following each chapter *Romanism and the Gospel* Anderson C. Knight,2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul s central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God s response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian s life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket *The American and Foreign Christian Union* ,1856 **The Christian Treasury** ,1867 **The Christian Treasury** J.
