**Romans** James D. G. Dunn, 2001-01-01 All have sinned and fall short of the glory of God they are now justified by his grace as a gift through the redemption that is in Christ Jesus *Romans Bible Commentary - Living By Faith* Brad Price, www.abiblecommentary.com, Romans Bible Commentary This Bible commentary on the book of Romans offers a verse by verse study on the entire book Since this commentary material was assembled by classes taught on the book of Romans it is easy to use and understand This Romans commentary has been widely received by many including schools which help train preachers Here is a small sample of the text 5 9 Much more than being now justified by his blood shall we be saved from the wrath of God through him This verse takes us back to what Paul said at the beginning of this chapter God's people can be justified dikaios the same word used in Rom 3 20 It is possible to completely remove sin This can be done even though we still sin after becoming a Christian Also we can have justification at the present time now In this verse Paul affirmed that our source for justification is Christ's blood Without the blood of Jesus justification would be impossible Heb 10 4 Christ's blood is the basis for our justification but the benefits of it must be accessed This access comes by faith that is obedient 5 1 If Christ had not shed his blood the only thing that we could and would experience is wrath verse 9b However since the precious blood of the Lord was shed Christians can be and will be saved from punishment Christians are people who are at peace with God verse 1 and have no fear of condemnation 8 1 *Romans (Understanding the Bible Commentary Series)* James R. Edwards, 2011-08-01 Martin Luther called Romans the clearest gospel of all But centuries of interpretive tradition and dogma have muddied the waters Edwards's careful exposition pays attention to literary detail and historical context to clarify the Epistle's significance for its original readers and for the church today The NIBC format section by section exposition of the NIV all Greek transliterated and separate textual and technical notes make this commentary ideal for laypeople and pastors **New Collegeville Bible Commentary** Daniel Durken, 2017 The completion of all thirty seven volumes of the New Collegeville Bible Commentary means an important new resource is fully available to all who wish to delve more deeply into the word of God Now the one volume hardcover edition brings together every volume into a single accessible guide to the entire Bible in a convenient and attractive format This comprehensive resource contains the same expert commentary that characterizes the complete series of individual books Contributors include some of today's most highly regarded Scripture scholars as well as some of the freshest young voices in the field The commentaries while reflecting the latest in biblical scholarship and study are written in easy to understand language and bring expert insight into the Old and New Testament to Bible study participants teachers students preachers and all readers of the Bible Includes full color maps *The People's Bible: Romans-Galatians* Joseph Parker, 1895 *Romans (Everyday Bible Commentary series)* Alan F. Johnson, 2018-06-05 Martin Luther said Romans was so important that every Christian should memorize it Romans outlines many of the basics of the faith and has been a favorite of Christians throughout history But reading Romans without

knowing the historical background is like watching an old comedy without knowing the cultural references still enjoyable but not nearly as vibrant Encounter Paul s crowning epistle in full color through Romans from the Everyday Bible Commentary series In it you ll receive enlightening verse by verse commentary from Alan F Johnson that s both straightforward and insightful You ll gain Cultural and historical backgrounds Insights from the original language Help with the difficult passages And more You don t have to go to seminary to encounter God in exciting new ways through His Word Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life ... **Select Notes on the International Sunday School Lessons ...** ,1905 *Applied New Testament Bible Commentary* Tom Hale,Steve Thorson,2012-12-10 The wisdom found in God s Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we ve included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about Paul s New Creation Sejong Chun,2023-01-24 In Paul s New Creation Vision for a New World and Community Sejong Chun presents intercon textual readings of Paul s new creation passages from the perspective of the Korean immigrant church in America Chun focuses on Paul s new creation s cosmic dimension and ecclesiastical character and proposes the ekklesia as a tangible embodiment The author suggests that Paul as a middleman accomplishes the collective project of the Jerusalem collection with his Gentile churches to declare independence from the Jerusalem church authority and to demonstrate God s alternative economy against the exploitative system of the Roman Empire **The Holy Spirit and Christian Origins** Graham Stanton,Bruce W. Longenecker,Stephen C. Barton,2004-11-04 Anyone who is interested in the rigorous study of early Christianity and who has not engaged with the works of James D G Dunn is not really interested in the rigorous study of early Christianity No one would dispute that Professor Dunn is one of the most prolific New Testament scholars of the late twentieth and early twenty first centuries And while a handful of scholars might have a list of publications to rival his own extensive publications list none of them could claim to have set the agenda of scholarly study to the extent that Jimmy Dunn has done for a sustained period of time since the 1970s The Holy Spirit and Christian Origins comprises a selection of original essays that explore a topic that has held a prominent and distinctive place in the majority of Professor Dunn s publications Written by twenty seven leading scholars this singular volume probes deep into the nascent Christian communities and their writings and investigates the early Christians convictions concerning the Holy Spirit Ranging widely through Scripture and across early church history many of these essays introduce groundbreaking research in biblical

studies and some engage directly with Dunn's work in the field. Presenting some of the best new work in New Testament studies as well as celebrating a respected career, *The Holy Spirit and Christian Origins* will help to stimulate further discussion and reflection in the theological academy and in the Christian church, two sectors that Jimmy Dunn has consistently and passionately sought to straddle, nurture and refresh.

**Romans- Everyman's Bible Commentary** Alan Johnson, 2000-04-01. The book of Romans is one of the best loved books in the entire Bible. Paul's explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians. Further, the acknowledgment that we are not under law but under grace has given Christians freedom from the bondage of legalism for centuries. However, Romans is a complex book filled with difficult theology. To make this revolutionary book more accessible to the common man, Alan Johnson has written *Everyman's Bible Commentary on Romans*. The original two volumes are now combined into one complete volume. The commentary is also updated, expanded and revised. The easy style and careful presentation make this an excellent commentary for laymen and pastors alike. Study Paul's discussion of the believer's new life in Christ with their release from sin and death and the faithfulness of God. Be encouraged and strengthened with a more in-depth understanding of your position before Christ with this commentary on Romans.

**The People's Bible** Joseph Parker, 1881.

**Roman Faith and Christian Faith** Teresa Jean Morgan, 2015. This study investigates why *pistis fides* was so important to early Christians that the concept and praxis dominated the writings of the New Testament. It argues that such a study must be interdisciplinary, locating emerging Christianities in the social practices and mentalities of contemporary Judaism and the early Roman empire. This can therefore equally be read as a study of the operation of *pistis fides* in the world of the early Roman principate, taking one small but relatively well-attested cult as a case study in how micro-societies within that world could treat it distinctively. Drawing on recent work in sociology and economics, the book traces the varying shapes taken by *pistis fides* in Greek and Roman human and divine human relationships, whom or what is represented as easy or difficult to trust or believe in, where *pistis fides* is deferred and reified in practices such as oaths and proofs, how *pistis fides* is related to fear, doubt and scepticism, and which foundations of *pistis fides* are treated as more or less secure. The book then traces the evolution of representations of human and divine human *pistis* in the Septuagint, before turning to *pistis pisteuein* in New Testament writings and their role in the development of early Christologies, incorporating a new interpretation of *pistis Christou* and ecclesiologies. It argues for the integration of the study of *pistis pisteuein* with that of New Testament ethics. It explores the interiority of Graeco-Roman and early Christian *pistis fides*. Finally, it discusses eschatological *pistis* and

the shape of the divine human community in the eschatological kingdom

The People's Bible: Acts I Joseph D. Parker, 1887

**Atonement and the New Perspective** Stephen Burnhope, 2018-08-10 Atonement has been described as the central doctrine of Christianity and yet surprisingly the church has never insisted on a particular understanding of how redemption in Christ was achieved Instead a miscellany of metaphors has been employed each picturing something of Christ s work Recent debate within Reformed Evangelicalism has been characterized by claims for hegemony to be granted to penal substitution versus counter arguments for a kaleidoscopic multi model understanding Notably absent in these discussions however are two considerations One is any common nexus to draw atonement thought together The other is any positive theological contribution deriving from God s preexisting relationship with Israel the presumed role of which has rather been to provide a negative contrast of law versus grace and works versus faith as the dark background against which the light of Christ may shine more brightly Recent scholarship however particularly the new perspective on Paul has comprehensively dismantled the old stereotypes concerning first century Judaism This book asks how differently we might think about the atonement once it is brought into conversation with the new scholarship It concludes by proposing a new perspective on atonement in which Christ is central Israel and Torah

are affirmed and the traditional metaphors continue to find their place

**The New Chosen People, Revised and Expanded Edition** William W. Klein, 2015-11-25 Controversy rages on about God's choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God's choosing individuals prophets priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church

**Living as God's Holy People** Kent Brower, 2014-08-08 In this readable and enlightening book based on his 2008 Didsbury Lectures Kent Brower opens up Paul's theology of holy living as community in the power of the Spirit At the heart of Paul's practical theology is God's call of Israel to be holy as God is holy But his conviction is that the call to be God's holy people now encompasses all Jews and Gentiles who follow Jesus the Messiah This new community of God is to embody the holiness of God wherever they live just as Israel was to embody it This is a central theological concern in all of Paul's epistles His ethics are always theological ethics his theology is always practical theology Abreast of other scholarly studies and written in a very accessible style this engaging book makes a contribution in inverse relation to its modest size Larry Hurtado Professor of New Testament Language Literature and Theology University of Edinburgh
