## **Romans Their World:**

Space and Society in the Greek and Roman Worlds Michael Scott, 2013 An interdisciplinary study of the dynamic relationship between space and society through case studies across the ancient Greek and Roman worlds Roman Disasters Jerry Toner, 2013-07-10 Roman Disasters looks at how the Romans coped with thought about and used disasters for their own ends Rome has been famous throughout history for its great triumphs Yet Rome also suffered colossal disasters From the battle of Cannae where fifty thousand men fell in a single day to the destruction of Pompeii to the first appearance of the bubonic plague the Romans experienced large scale calamities Earthquakes fires floods and famines also regularly afflicted them This insightful book is the first to treat such disasters as a conceptual unity It shows that vulnerability to disasters was affected by politics social status ideology and economics Above all it illustrates how the resilience of their political and cultural system allowed the Romans to survive the impact of these life threatening events The book also explores the important role disaster narratives played in Christian thought and rhetoric Engaging and accessible Roman Disasters will be enjoyed by students and general readers alike **The Romans For Dummies** Guy de la Bedoyere, 2011-02-18 A must for anyone interested in the Roman Empire and its impact on world history Tony Robinson star of Blackadder and Time Team This entertaining and informative guide is the perfect introduction to the amazing world of ancient Rome and its emperors epic wars awesome architecture heroes and villains With a complete rundown of Roman history alongside fascinating insights into the lives of everyday Romans you ll discover the amazing people and events involved in the rise and fall of one of the greatest of all ancient civilizations and how its influence is felt around the world today If you ve tuned into any of several TV shows focused on Rome and want to learn more about this fascinating part of history The Romans For Dummies is the book for you Schoolteachers and lecturers looking for light hearted inspiration for lessons will also benefit from this riotous Roman adventure chronicling the rise and fall of the Empire The Romans For Dummies is an accessible guide written in plain English giving you the fascinating facts of this ancient civilization You ll learn about the following and more How Roman society was divided into classes The assemblies that ruled Rome Why villas were important to the Romans Details about the Roman army including a Roman soldier s equipment The wonder of Roman architecture cities roads aqueducts and sewers Everything you ever wanted to know about gladiators and then some The importance of Roman temples shrines and the gods How Rome became a republic an empire and then collapsed Additionally you ll learn about turning points in Roman history mostly good and some bad Romans Rome s greatest enemies and great places to visit you won t want to miss on your next Roman holiday Grab a copy of The Romans For Dummies to discover this and so much more Guy de la B doy re is a historian archaeologist and Roman expert he is well known for his numerous books and appearances on TV especially Channel 4 s Time Team *Legitimacy and Law in the Roman World* Elizabeth A. Meyer, 2004-02-12 Greeks wrote mostly on papyrus but the Romans wrote solemn religious public and legal documents on wooden tablets often coated with wax This book

investigates the historical significance of this resonant form of writing its power to order the human realm and cosmos and to make documents efficacious its role in court the uneven spread an aspect of Romanization of this Roman form outside Italy as provincials made different guesses as to what would please their Roman overlords and its influence on the evolution of Roman law An historical epoch of Roman legal transactions without writing is revealed as a juristic myth of origins Roman legal documents on tablets are the ancestors of today's dispositive legal documents the document as the act itself In a world where knowledge of the Roman law was scarce and enforcers scarcer the Roman law drew its authority from a wider world of belief

**A History of Roman Art** Steven L. Tuck, 2015-01-27 A History of Roman Art provides a wide ranging survey of the subject from the founding of Rome to the rule of Rome's first Christian emperor Constantine Incorporating the most up to date information available on the topic this new textbook explores the creation use and meaning of art in the Roman world Extensively illustrated with 375 color photographs and line drawings Broadly defines Roman art to include the various cultures that contributed to the Roman system Focuses throughout on the overarching themes of Rome's cultural inclusiveness and art's important role in promoting Roman values Discusses a wide range of Roman painting mosaic sculpture and decorative arts as well as architecture and associated sculptures within the cultural contexts they were created and developed Offers helpful and instructive pedagogical features for students such as timelines key terms defined in margins a glossary sidebars with key lessons and explanatory material on artistic technique stories and ancient authors textboxes on art and literature art from the provinces and important scholarly perspectives and primary sources in translation A book companion website is available at [www.wiley.com/go/romanart](http://www.wiley.com/go/romanart) with the following resources PowerPoint slides glossary and timeline Steven Tuck is the 2014 recipient of the American Archaeological Association's Excellence in Undergraduate Teaching Award

**The Roman Wedding** Karen K. Hersch, 2010-05-24 This is the first book length examination of Roman wedding ritual

**Senses, Cognition, and Ritual Experience in the Roman World** Blanka Misic, Abigail Graham, 2024-01-25 Explores how the senses shaped the way the Romans perceived understood and remembered ritual experiences

**The Oxford Anthology of Roman Literature** Peter E. Knox, J. C. McKeown, 2013-11 Each selection begins with a short biographical and historical essay

**Childhood, Class and Kin in the Roman World** Suzanne Dixon, 2005-08-19 An international collection

of experts go beyond the usual cannon of literary texts and assess a vast range of evidence inscriptions burial data domestic architecture sculpture and the law      Reading Rivers in Roman Literature and Culture Prudence J. Jones,2005-09-07

Reading Rivers is the first book in a new series Roman Studies Interdisciplinary Approaches Author Prudence Jones examines rivers as a literary phenomenon particularly in the poetry of Vergil The point of such an investigation is twofold an examination of Vergil s poetry elucidates particularly clearly a point about rivers that their inclusion functions almost as a literary device and an examination of rivers makes a point about Vergil that rivers are essential to understanding the trajectory of his works in particular the structure of the Aeneid This study depends primarily on the close analysis of the poetry of Vergil and of other relevant authors In Part I Jones examines the Greco Roman understanding of the river in its primary symbolic roles cosmological ritual and ethnographical Part II analyzes the river as a literary device with particular attention to the works of Vergil and argues that descriptions of rivers in Roman poetry are in many cases a form of authorial comment on the progress or structure of a narrative Jones gives scholars in the classics and literary critics who focus specifically on Roman antiquity a special prism through which to view the works of Vergil as well as other significant authors This book is also for those working in the fields of cultural studies cultural geography and ancient philosophy      *Boudica, Queen of the Iceni* Marlene Sosebee,2001-01-29 Two thousand years ago the Roman Empire conquered most of Europe by slaughtering and enslaving millions of ancient Celts All of Europe from Britain to as far south as Italy and from what is now France to as far east as Turkey was all under Celtic rule The Romans conquered these ancient Celts with superior military tactics and better weapons When the Roman legions attacked a Celtic village they would kill all the men enslave the children and make whores of the women In 55BC Julius Caesar invaded Britain for its wealth in copper and tin The Britons or ancient Celts were made up of many tribes ruled by kings and queens Unlike the Romans Celtic women had as many rights as men On this remote island the Romans decided to keep the villages in tact and create client kingdoms taking half of every tribes wealth and production After the death of King Prasutagus the Iceni tribe was left to his Queen Boudica This was something the Romans could not except For them women had no right to own property for they were themselves property to the Romans When Queen Boudica stood up to the Romans she was flogged and her two young daughters were raped In 61 AD Boudica led a revolt through Camulodunum Verulamium and what is now London killing 70 thousand Romans      *The Rise and Fall of Common Sense* Vivian Robinson,2025-07-15 Working with what was once called common sense was to do things in a reasoned and logical way to produce a beneficial outcome Since early times humans sought the way to a better lifestyle Three previous attempts introduced some common sense and provided benefits to their followers After initial success later generations of elite led them astray Conditions worsened This fourth attempt was built on knowledge learned from previous attempts with new features added Originating in Western Europe and the British Isles its way of life became known as Modern Western Civilization Through international trade colonization and missionary work its benefits were taken to the rest

of the world In the 300 years after 1700 CE its adoption by many people doubled human life expectancy increased humanity's population ten fold and removed more people from the relative poverty of their ancestors than all previous civilizations combined Modern Western Civilization is an attitude not a geographic location Adopting that attitude enables people to work out the best thing to do Within countries and communities the more people adopt that attitude the better off they will be This tells the origins of common sense among the populace and shows the benefits it generated for them Centuries later their elite changed their followers attitude That led to the downfall of the three previous attempts Living standards plummeted Despite the obvious benefits this fourth attempt has given to humanity the current elite seem intent on removing common sense from within the Modern Western World Living standards are already declining As was once said they know not what they do It is time to make common sense common again

**Salonika** Stephen Gibbs, 2010-08-17 Silaem is like a younger brother to Midhel despite the span of time separating them Midhel has been walking the lands of Salonika for hundreds of years while Silaem has yet to see a century Still the two wizards have grown close so close that Midhel reveals to Silaem his closely guarded secret Then all hell breaks loose Readers can witness exciting events unfold in Salonika a riveting fantasy novel by Stephen Gibbs Silaem is furious when Midhel reveals the existence of a gateway to another world a world where there is little understanding of magic but where their weapons of war could reduce countries to rubble Silaem is convinced that wizards are given power in order to control others Midhel however believes in helping others find their own destinies He has no wish to abuse his power and has vowed to prevent the knowledge of either world escaping its boundaries by controlling and preventing the use of the gateway Consumed by his lust for power Silaem confesses that he has been exploring other dark paths of magic Midhel is stunned by this revelation and knows that Silaem would now be a bitter enemy he must oppose Troubled by glimpses of possible futures all of which are dark Midhel finds a glimmer of hope in a fleeting vision of a warrior in black battling Silaem But where will he find this warrior and can he find him in time before all of Salonika falls under Silaem's dark rule Readers can find out as they immerse in this intriguing page turner

*Multilingualism in the Graeco-Roman Worlds* Alex Mullen, Patrick James, 2012-09-06 This book employs new interdisciplinary approaches to understand multilingualism in the Graeco Roman worlds East and West Classical and medieval

*Apollo, A Roman Galactic Police Officer* Chuck Keyes, 2011-05-26 Apollo A Roman Galactic Police Officer is the first thrilling novel within Chuck's Apollo Trilogy This electrifying sci fi story opens with Apollo chasing a mad roman scientist across the universe into our galaxy Both spaceships sustain serious damage Dr Mors and his alien crew safely crash land on earth however Apollo's ship is left in a decaying orbit Previously Apollo's human like roman body had suffered injuries so only his essence was aboard his doomed police vessel To save his life the ship's computerized robotic system locates and retrieves an injured blond haired Chihuahua The little dog is internally repaired and altered to house Apollo's essence Apollo is shuttled to the earth's surface seconds before his galactic police vessel explodes He must now seek out humans to help him defeat the crazed Dr Julius Mors

who plans to use his nano enhanced brainpowers to dominate the earth Apollo locates and assembles an unusual team consisting of humans and aliens to hopefully defeat Dr Mors You will meet Apollo s elite evil fighting team Sheriff Morgan Blaze who hides his painful past to protect his beloved daughter Carrie Blaze The beautiful blond deputy Pollyanna Stanford Zeeper a crab like alien and Janus Lockland a Texas A M professor To stop Dr Mors Apollo s team will endure challenging escapades and face a variety of dangerous adversaries Apollo painfully struggles with being trapped within a dog and his deep love for Pollyanna will never be more than a friendship Will Apollo s essence always remain trapped within the little dog

**Medieval Civilization** Larry D. Harwood,2016-03-02 Providing an overall view of the medieval period of Western history this book maintains a balanced approach to an age that has been romanticized as well as vilified Written with an eye toward modern readers who may be perplexed by the hazy Middle Ages Medieval Civilization provides illuminating details that enable the reader to enjoy a fascinating overview of this stretch of a thousand years Rather than maintaining a dismissive attitude toward this presumed dark and dank period of human failings the author banters about and responds to some criticisms of the medieval world by modern critics alongside his telling of the medieval story Religious presences loom large in this book written about an age of religion and things religious in a way largely foreign to the modern world The medieval period breathes in this tale of peasants priests and kings rather than being autopsied as a museum piece Terms like scholastic gothic mendicant monk stigmata and others are put into medieval contexts for ease of understanding while a huge slice of Western history usually looked at suspiciously by modern people is presented as preparation for understanding much of the modern world *Understanding Roman Inscriptions*,2013-10-28 First published in 1991 Routledge is an imprint of

Taylor Francis an informa company **Perceiving War and the Military in Early Christian Gaul (ca. 400-700 A.D.)** Laury Sarti,2013-09-12 The passage from Antiquity to the Middle Ages has been largely studied in the light of the thesis of a gradual transformation which is in contradiction of the previous assumption of an abrupt break due to war and general calamity Perceiving War and the Military reassesses this historical period of transition by an investigation of the contemporary world of thought that examines the impact and significance of a permanently increasing contact with warfare and armed violence Her studies confirm the assumption of a gradual shift but they most of all show that the irrevocable end of the Roman Peace was a crucial factor in the late Roman world becoming gradually medieval **Rethinking Roman Alliance** Bill Gladhill,2016-05-31 Explores the vital links between social order and cosmology by examining the concept of foedus in Roman religion and literature
