Miller, 2011-01-01 Journey inside the pages of Scripture to meet a personal God who enters individual lives and begins a creative work from the inside out Shaped with the individual in mind Immersion encourages simultaneous engagement both with the Word of God and with the God of the Word to become a new creation in Christ Immersion inspired

by a fresh translation the Common English Bible stands firmly on Scripture and helps readers explore the emotional spiritual and intellectual needs of their personal faith More importantly they ll be able to discover God s revelation through readings and reflections The Parables of Jesus Participant's Guide Matt Williams,2009-09-03 Jesus communicated deep spiritual truths through simple vivid and engaging stories Woven from the stuff of everyday life the parables of Jesus made the kingdom of God understandable and accessible to his listeners In six engaging interactive small group sessions this Deep Connection DVD gives you will gain new insights into his parables and their meanings that will help you to appreciate more fully their relevance for your own life With maps and pictures outlines key Scripture verses discussion questions plenty of room for note taking and a personal five day Bible study for each session this participant s guide will help you get the most out of The Parable of Jesus both in your group and in applying what you learn to your life **Mark Earl** Lavender,2013-07-29 Using holy reading this book points us to God s voice in the gospel of Mark This gospel is an action packed fast paced version of Jesus life and teachings It invites you to profess that Jesus is indeed God s Son And it invites you to live out that profession each day Gathered in my Name William T. Cavanaugh,2020-12-28 This volume differs from many quinentennial discussions of the Protestant Reformation and ecumenical scholarship more generally in that it shifts the focus from Europe and the West to the global South where ecumenism s promises and challenges are quite different In postcolonial and post missionary Africa the churches continue to expand competition among denominations is lively and Christian rivalry with Islam is often a reality In Latin America Protestants have severely eroded the Catholic Church s hegemony originally forged in the zeal of the Counter Reformation to combat the perceived errors of Luther and Calvin In India the Christian churches are a tiny beleaguered minority facing an increasingly militant Hindu nationalism These essays pay close attention to the different contexts of intra Christian relationships worldwide the actual situation on the ground If ecumenism will succeed it cannot be simply a matter of experts at a conference attempting to agree about doctrines abstracted from the contexts in which they were forged the contexts in which doctrinal disagreements caused ecclesial ruptures or the contexts in which Christians continue to live out our divided existence This volume attempts to be sensitive to the lived experience of divided Christians in whatever part of the world they find themselves The Ambiguous Figure of the Neighbor in Jewish, Christian, and Islamic Texts and Receptions Marianne Bjelland Kartzow,2021-09-12 This book examines an undertheorized topic in the study of religion and sacred texts the figure of the neighbor By analyzing and comparing this figure in Jewish Christian and Islamic texts and receptions the chapters explore a conceptual shift from Children of Abraham to Ambiguous Neighbors Through a variety of case studies using diverse methods and material chapters explore the neighbor in these neighboring texts and traditions The figure of the neighbor seems like an innocent topic at the surface It is an everyday phenomenon that everyone have knowledge about and experiences with Still analytically it has a rich and innovative potential Recent interdisciplinary research employs this figure to address issues of cultural diversity

gender migration ethnic relationships war and peace environmental challenges and urbanization The neighbor represents the borderline between insider and outsider friend and enemy us and them This ambiguous status makes the neighbor particularly interesting as an entry point into issues of cultural complexity self definition and identity This volume brings all the intersections of religion ethnicity gender and socio cultural diversity into the same neighborhood paying attention to sacred texts receptions and contemporary communities The Ambiguous Figure of the Neighbor in Jewish Christian and Islamic Texts and Receptions offers a fascinating study of the intersections between Jewish Christian and Islamic text and will be of interest to anyone working on these traditions *Romans* Sarah Ivill,2020-01-15 The New Testament book of Romans declares the gospel according to Paul tracing the good news of what Jesus has done within the framework of salvation history creation the fall redemption and consummation In this twelve lesson Bible study Sarah Ivill provides students of Scripture with an in depth look at this profound epistle that explains the gospel of God and encourages them to strive for obedience to the faith Each lesson includes the following features An introduction that provides a big picture of the lesson showing how it applies to your head heart and hands A personal study section of questions that helps you dig deeply into God s Word A section that puts it all together which aims to answer any lingering questions you may have after your personal study A section of questions for helping students study the Word of God in community Useful for either individual or group studies Romans includes suggestions for Bible study leaders an overview of the history of redemption and revelation and an overview of what it means to study Christ in all of Scripture **Romans: Three Exegetical Interpretations and the History of Reception** Daniel Patte,2018-07-26 In the first of a three volume work Daniel Patte presents three very different critical exegeses of Romans 1 arguing that all are equally legitimate and hermeneutically plausible By expanding upon and respecting the exegeses of many erudite scholars of the last two centuries Patte concludes that three families of vastly different critical interpretations are fully justified traditional philological and epistolary studies rhetorical and sociocultural studies and figurative studies of the coherence of Paul s teaching Arising from a long standing interdisciplinary investigation of many receptions of Romans in light of recent diversification of exegetical methodologies Patte concludes that the interpretation of a scriptural text necessarily involves making a choice among equally legitimate and plausible alternatives and second that this choice is always contextual and ethical When these points are denied by failing to respect the interpretations of others and absolutizing one s interpretation instead of being a scriptural blessing Romans becomes a deadly weapon against others heretics Jews Shoah and many others The result is a threefold commentary of Romans 1 that is unique in its scope and thorough going exegesis **Fearless Living** Linda Knight ,2013-12-04 Fearless Living is a unique reflective journey that leads the reader from looking at the world circumstances events with fear to a place of trust in God Each day presents a passage of scripture where we are told not to fear The context of when and where this directive was given by God is explored Then the lessons and truths that are evident in the day s scripture are given for thought and

reflection Each day reveals the consistent immutable character of God and how he wants those that follow Him to trust and obey Him A prayer is given to help the reader to connect with God and seek to apply the lessons and truths The next step in trusting is to learn to fear God not those circumstances A verse or two of scripture is given for reflection to help refine our thinking into placing our trust and fear in God alone The last section of each day is devoted to personal reflection and thinking on how the scripture can be applied to life How do I go about living each day without fear as God intended Each day builds one upon another to give assurance and hope for life without fear based on trust in God Luke Earl

Lavender,2013-07-29 Do you want a deeper more fulfilling way of Bible study Do you want to know God through Scripture not just to know the teachings but to have a relationship with the Teacher Perhaps you want to begin daily Bible reading but need guidance Or you need a guide for family Bible study Or your small group Bible study needs revitalizing This meditative commentary is for you There are many commentaries on the books of the Bible and workbooks for Bible study but this series is different It employs the classic Christian method of holy reading to help you hear the voice of God Holy reading involves slowly engaging a short passage of Scripture listening closely reading repeatedly praying the words and perhaps sharing with fellow believers God will bless us our families and our churches if we take the time to be still listen and do his word

The Teachings of Modern Protestantism on Law, Politics, and Human Nature John Witte (Jr.),John Witte, Frank S. Alexander,2007 The Teachings of Modern Protestantism on Law Politics and Human Nature examines how modern Protestant thinkers have answered the most pressing political legal and ethical questions of our time It discusses the enduring teachings of important Protestant intellectuals of the late nineteenth and twentieth centuries Leading contemporary scholars analyze these thinkers views on the nature and purpose of law and authority the limits of rule and obedience the care of the needy and innocent the ethics of war and violence and the separation of church and state among other themes A diverse and powerful portrait of Protestant legal and political thought this volume underscores the various ways Protestant intellectuals have shaped modern debates over the family the state religion and society The book focuses on the work of Abraham Kuyper 1827 1920 Susan B Anthony 1820 1906 Karl Barth 1886 1968 Dietrich Bonhoeffer 1906 1945 Reinhold Niebuhr 1892 1971 Martin Luther King Jr 1929 1968 William Stringfellow 1928 1985 and John Howard Yoder 1927 1997 *Is the Reformation Over?* Mark A. Noll, Carolyn Nystrom,2008-04 An evangelical evaluation of post Vatican II

Roman Catholicism and evangelical Catholic relations **Forthcoming Books** Rose Arny,1995-02 Good News for Common Goods Wes Markofski,2023 What is the relationship between evangelical Christianity and democracy in America In Good News for Common Goods sociologist Wes Markofski explores how multicultural evangelicals across the United States are addressing race poverty inequality politics and religious and cultural difference in America s increasingly plural and polarized public arena Based on extensive original research on multicultural evangelicals active in faith based community organizing community development political advocacy and public service organizations across the country including over 90

in depth interviews with racially diverse evangelical and non evangelical activists community leaders and neighborhood residents Markofski shows how the varieties of public religion practiced by evangelical Christians are not always bad news for non evangelicals people of color and those advancing ethical democracy in the United States Markofski argues that multicultural evangelicals can and do work with others across race class religious and political lines to achieve common good solutions to public problems and that they can do so without abandoning their own distinctive convictions and identities or demanding that others do so Just as ethical democracy calls for a more reflexive evangelicalism it also calls for a more reflexive secularism and progressivism

America's Pastor Grant Wacker, 2014-11-07 More than a conventional biography Grant Wacker's interpretive study deepens our understanding of why Billy Graham has mattered so much to so many and how his uncanny ability to appropriate trends in the wider culture allowed him to transform his born again theology into a moral vocabulary capturing the aspirations and fears of average Americans
