Romans Peoples Bible:

The People's Bible: Romans-Galatians Joseph Parker, 1895 All the People in the Bible Richard R. Losch, 2008-05-13

More than any other book the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable Many are mentioned only in passing yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings For this reason we have in many cases been able to tell much more about them than the Bible alone reveals Richard R Losch from the preface A comprehensive gathering of persons found in the Bible including the Apocrypha All the People in the Bible really delivers on its title literally all of the Bible s characters appear in this fascinating reference work From the first article on Aaron to the final entry on Zophar Richard Losch details each person in a lively narrative style The bulk of the book consists of Losch s A Z articles covering the familiar and the not so familiar figures in Scripture Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452 That listing All the People in the Bible and Apocrypha includes pronunciations brief identifications and biblical references Persons covered in greater detail in the main part of the book are identified in bold print Losch s intriguing look at all the people in the Bible is anything but a dry reference work This is a book to dip into and enjoy over and over **The People's Bible** Joseph Parker, 1895 Romans and the People of God Sven K. Soderlund, N. T. Wright, 1999 Nineteen New Testament scholars of international standing here offer fresh new insights to the ongoing interpretation of Romans Including essays on various exegetical theological and pastoral aspects of Paul s epistle this volume not only honors Gordon Fee s major contribution to New Testament scholarship but also presents the very best work available in a vital area of biblical research **Romans** Andrew B. Spurgeon, 2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible *The people's dictionary of the Bible [by J.R. Beard]*. John Rely Beard, 1848 The Peoples' Companion to the Bible Curtiss Paul DeYoung, Wilda C. Gafney, Leticia A. Guardiola-Saenz, Highlighting the role of cultures in both the development of the Bible and in its subsequent reception around the world The Peoples Companion to the Bible enables students to see how social location including gender ethnicity social class and cultural pluralism has figured in the ways particular peoples have understood the biblical text But it also helps students formulate their own social location and biblical horizon as a key to understanding the Bible and its import for them *Romans Bible Commentary - Living By Faith* Brad Price,

www.abiblecommentary.com, Romans Bible Commentary This Bible commentary on the book of Romans offers a verse by verse study on the entire book Since this commentary material was assembled by classes taught on the book of Romans it is easy to use and understand This Romans commentary has been widely received by many including schools which help train preachers Here is a small sample of the text 5 9 Much more then being now justified by his blood shall we be saved from the wrath of God through him This verse takes us back to what Paul said at the beginning of this chapter God s people can be justified dikaios the same word used in Rom 3 20 It is possible to completely remove sin This can be done even though we still sin after becoming a Christian Also we can have justification at the present time now In this verse Paul affirmed that our source for justification is Christ s blood Without the blood of Jesus justification would be impossible Heb 10 4 Christ s blood is the basis for our justification but the benefits of it must be accessed This access comes by faith that is obedient 5 1 If Christ had not shed his blood the only thing that we could and would experience is wrath verse 9b However since the precious blood of the Lord was shed Christians can be and will be saved from punishment Christians are people who are at peace with God verse 1 and have no fear of condemnation 8 1

Revelation and the Marble Economy of Roman Ephesus Anna M. V. Bowden, 2020-12-10 In an effort to bring the impracticalities of John's command for withdrawal from cultural participation in 18:4 to the forefront of scholarly discourse this book reconstructs the marble economy of ancient Ephesus and proceeds to read Revelation by foregrounding the daily lives of its marble workers This book argues that Ephesus was a major center of the marble economy in the Roman world and that the infrastructure that went into creating building and sustaining such an enterprise generated the need for a large workforce Anna M V Bowden further demonstrates that the majority of marble workers endured poor working conditions and struggled on a daily basis to ensure subsistence Finally Bowden explores the ways marble workers participated in empire through the work of their hands 9:20 and questions John's characterization of marble workers as idolaters sorcerers murderers fornicators and thieves Bowden concludes that the praxis Revelation requires from its audience of complete withdrawal is pragmatically not sustainable and is ultimately a manifesto leaving marble workers jobless hungry and with a heightened risk for malnutrition disease injury and even death

Homechurch Studies Ian Charles Morgan, 2011-01-11 This programme is designed both for people with firm opinions and for people who have no opinions at all It does not assume extensive Bible knowledge neither does it mitigate against those who are recognized teachers of scripture In fact the real challenge of this programme is how church leaders manage the ensuing debates that arise from studying the Bible in this way If you see your primary task as a leader as being one of maintaining the orthodoxy of your church tradition than this programme is probably not for you If on the other hand you believe that the

words of Jesus are true that the Holy Spirit has been given to us to lead us into all truth then this is an opportunity to strip away the traditions of men and go deeper into God's Word and there discover anew the immense treasures that he has revealed in His scriptures The International Standard Bible Encyclopedia Geoffrey William Bromiley, 1979 A comprehensive biblical reference includes a wide range of articles about people places customs events religious concepts and philosophical ideas mentioned in the Scriptures
