gave to the churches through Brother Lee's ministry and practical leading. In the message which we include here Brother Lee emphasizes our need to carry out the begetting, nourishing and teaching in the meetings in the believers' homes. To carry out the new way we must no longer build up the big meetings of the church which have the clergy-laity system as their root. This truly involves a spiritual warfare so we must struggle every step of the way especially in prayer to participate in the fighting service in God's economy. The subsequent six messages are from the second half of the Living Stream Ministry's Summer Training of 1997 entitled The Crucial Contents of God's New Testament Ministry. This training which followed immediately after our brother's departure was a thorough review of the contents of the New Testament ministry which he brought to us over many years. On the occasion of Brother Lee's departure we can consider all that the Lord has unveiled to us all the truths which were recovered for us through our brother's faithful ministry to bring us into the Lord's recovery and into the experience of Christ and the reality of the Body of Christ for God's eternal economy to consummate the New Jerusalem. The local churches raised up under this ministry will speak these things, teach these things, write these things and live these things until we meet the Lord. Last we include an encouraging report on the spread of the ministry through the marketing of our publications in Christian bookstores. We also report on the work to produce the Recovery Version of the New Testament in the Russian language which is now in its fifth and final year. A letter from the co-workers in the former Soviet Union brings us up to date on the Lord's move there in the first training for the responsible brothers and the recent winter training held in Moscow and letters from Berlin, Germany report on the progress in publishing and distributing books by Watchman Nee in the German language.

**Romans & Galatians** R. J. Rushdoony, From the author's introduction I do not disagree with the liberating power of the Reformation interpretation but I believe that it provides simply the beginning of our understanding of Romans not its conclusion. The great problem in the church's interpretation of Scripture has been its ecclesiastical orientation as though God speaks only to the church and commands only the church. The Lord God speaks in and through His Word to the whole man to every man and to every area of life and thought. To assume that the Triune Creator of all things is in His word and person only relevant to the church is to deny His Lordship or sovereignty. If we turn loose the whole Word of God onto the church and the world we shall see with joy its power and glory. This is the purpose of my brief comments on Romans.

Paul, Apostle of God's Glory in Christ Thomas R. Schreiner, 2020-01-07 How should students of Scripture engage with discerning the shape of Paul's thought? In this second edition of a trusted resource Thomas R. Schreiner seeks to unearth Paul's worldview by observing what Paul actually says in his writings and laying out the most important themes and how they are connected. While thoroughly informed by contemporary Pauline studies Schreiner offers an accessible account of Paul's theology.
