Romantic Opera And Literary Form

William Kinderman

Romantic Opera And Literary Form:

Romantic Opera and Literary Form Peter Conrad, 1977-01-01 Romantic Opera and Literary Form is a provocative and provoking book on appear It s idiosyncratic essay about the transformation of literature through music forces the reader to re examine some of his own convictions about opera and drama Shelley and the Musico-Poetics of Romanticism Jessica K. Quillin, 2016-03-09 Addressing a gap in Shelley studies Jessica K Quillin explores the poet s lifelong interest in music Quillin connects the trope of music with Shelley s larger formal aesthetic political and philosophical concerns showing that music offers a new critical lens through which to view such familiar Shelleyan concerns as the status of the poetic figural language and the philosophical problem posed by idealism versus skepticism Quillin s book uncovers the implications of Shelley s use of music by means of four musico poetic concerns the inherently interdisciplinary nature of musical imagery and figurative language the rhythmic and sonoric dimensions of poetry the extension of poetry into the performative realms of the theatre and drawing room through close links between most poetic genres and music and the transformation of poetry into music through the setting and adaptation of poetic lyrics to music Ultimately Quillin argues Shelley exhibits a fundamental recognition of an interdependence between music and poetry which is expressed in the form and content of his highly sonorous works Equating music with love allows him to create a radical model in which poetry is the highest form of imaginative expression one that can affect the mind and the senses at once and potentially bring about the perfectibility of mankind through a unique mode of visionary experience Edinburgh Companion to Literature and Music Delia da Sousa Correa, 2020-06-18 Provides a pioneering interdisciplinary overview of the literature and music of nine centuries Offers research essays by literary specialists and musicologists that provides access to the best current interdisciplinary scholarship on connections between literature and music Includes five historical sections from the Middle Ages to the present with editorial introductions to enhance understanding of relationships between literature and music in each period Charts and extends work in this expanding interdisciplinary field to provide an essential resource for researchers with an interest in literature and other media Bringing together seventy one newly commissioned original chapters by literary specialists and musicologists this book presents the most recent interdisciplinary research into literature and music In five parts the chapters cover the Middle Ages to the present The volume introduction and methodology chapters define key concepts for investigating the interdependence of these two art forms and a concluding chapter looks to the future of this interdisciplinary field An editorial introduction to each historical part explains the main features of the relationships between literature and music in the period and outlines recent developments in scholarship Contributions represent a multiplicity of approaches theoretical contextual and close reading Case studies reach beyond literature and music to engage with related fields including philosophy history of science theatre broadcast media and popular culture This trailblazing companion charts and extends the work in this expanding interdisciplinary field and is an essential resource for researchers with an interest in

literature and other media Romanticism and the Uses of Genre David Duff, 2009-11-12 This wide ranging and original book reappraises the role of genre and genre theory in British Romanticism Analyzing numerous examples from 1760 to 1830 David Duff examines the generic innovations and experiments which propel the Romantic revolution in literature but also the fascination with archaic forms such as the ballad sonnet and romance whose revival and transformation make Romanticism a retro movement as well as a revolutionary one The tension between the drives to make it old and to make it new generates one of the most dynamic phases in the history of literature whose complications are played out in the critical writing of the period as well as its creative literature Incorporating extensive research on classification systems and reception history as well as on literary forms themselves Romanticism and the Uses of Genre demonstrates how new ideas about the role and status of genre influenced not only authors but also publishers editors reviewers and readers The focus is on poetry but a wider spectrum of genres is considered a central theme being the relationship hierarchical competitive combinatory between genres Among the topics addressed are generic primitivism and forgery Enlightenment theory and the cognitive turn the impact of German transcendental aesthetics organic and anti organic form the role of genre in the French Revolution debate the poetics of the fragment and the theory and practice of genre mixing Unprecedented in its scope and detail this important book establishes a new way of reading Romantic literature which brings into focus for the first time its tangled relationship with genre Romantic Drama Gerald Ernest Paul Gillespie, 1994 It does not treat Romanticism as a limited period dominated by some construed singular master ethos or dialectic rather it follows the literary patterns and dynamics of Romanticism as a flow of interactive currents across geocultural frontiers Text D. C. Greetham, W. Speed Hill, Peter Shillingsburg, 1996-04 The distinguished annual in interdisciplinary textual studies **Opera on Screen** Marcia J. Citron, Professor Marcia J Citron, 2000-01-01 The author draws on ideas from diverse fields including media studies and gender studies to examine issues ranging from the relationship between sound and image to the place of the viewer in relation to the spectacle As she raises questions about divisions between high art and popular art and about the tensions between live and reproduced art forms Citron reveals how screen treatments reinforce opera's vitality in a media intensive age **BOOK JACKET** *Themes in Drama: Volume 3, Drama, Dance and Music* James Redmond, 1981 This collection surveys madness in drama It includes articles on The Duchess of Malfi virginity and hysteria in The Changeling the confined spectacle of madness in Beys's The Illustrious Madmen The male gaze in Woyzeck representing Marie and madness and other drama examples **Mary Shelley** L. Adam Meckler, Lucy Morrison, 2010-01-08 This collection of essays expands critical consideration of Mary Shelley's placement within the age we call Romantic wherein her texts converse with those of her family her circle and her contemporaries Several essays address particularly how her texts interact with those of her husband Percy Bysshe Shelley revealing new depth and breadth to their literary partnership Others investigate interdisciplinary perspectives such as her pieces in The Liberal or the ways in which the figure of Scheherezade haunts her

works while several essays also consider Mary Shelley's textual relationships with contemporaries such as Thomas Moore and John Polidori. Still others tackle topics such as geopolitical relationships and the growth of opera as an art form considering Mary Shelley's commentary upon such contemporary issues while William Godwin's textual relationship with his daughter is further investigated. This collection suggests Mary Shelley's texts merit further investigation not only for what they reveal about their author and her oeuvre but for the ways in which they illuminate our understanding of the contexts in which they were composed.

[Musico-Poetics in Perspective](#), 2021-11-08 The volume is dedicated to the memory of the late Calvin S Brown of the University of Georgia author of the first systematically conceived survey *Music and Literature A Comparison of the Arts* 1948 of the branch of interart studies now generally known as Melopoetics. Part One consists of six original contributions by experts from Austria, Belgium, France, and the United States. Authored by a novelist and a composer scholar respectively, the first two essays Jean Libis's *Inspiration musicale et composition littéraire Reflexions sur un roman schubertien* and David M Hertz's *The Composer's Musico-Literary Experience Reflections on Song Writing* focus not surprisingly on the creative process. The third piece Francis Claudon's review of the pertinent research done between 1970 and 1990 complements the honoree's analogous report on the preceding decades reprinted in the present volume whereas the fourth Jean Louis Cupers's *Metaphores de la lumière et de l'ombre Regards sur l'évolution des études musico-littéraires* surveys the plethora of metaphorical applications in music and literature of two significant natural phenomena: the one acoustic and the other optical. Linked to each other, the two remaining papers Ulrich Weisstein's *The Miracle of Interconnectedness* Calvin S Brown's *A Critical Biography* and Walter Bernhart's *A Profile in Retrospect* Calvin S Brown as a Musico-Literary Scholar offer critical accounts of the honoree's theoretical and methodological stance as viewed in the first case from a biographical angle and in the second in the light of subsequent scholarly practice. Part Two bundles eleven of Professor Brown's previously uncollected articles covering a period of nearly half a century of significant scholarly activity in the field. The selection demonstrates Brown's poignant interest in transpositions of art exemplifying the musicalization of literature in the formal and structural rather than thematic domain as culminating in his trenchant critique of music in poetry as understood somewhat naively by Mallarmé and his critics and to a slightly lesser extent by his translation of Josef Weinhebers variations on Friedrich Hölderlin's ode *An die Parzen*. Just as Professor Brown's successive anatomies of melopoetic theory and practice illustrate his steadily growing sophistication and the maturing of his mind so his Bloomington lecture *The Writing and Reading of Language and Music Thoughts on Some Parallels Between two Artistic Media* reflects his unique ability to assemble and organize vast materials and comprehensive data in such a way as to reveal the underlying pattern.

The Ultimate Art David Littlejohn, 2023-11-15 Anyone who cares about opera will find *The Ultimate Art* a thoroughly engaging book. David Littlejohn's essays are exciting, provocative, sometimes even outrageous. They reflect his deep love of opera, that exotic, extravagant, and perpetually popular hybrid performing art form and his fascination with the many worlds from which it

sprang From its seventeenth century beginnings opera has been decried by its detractors for its elitism its artifice its absurd costliness and its social irrelevance But Littlejohn makes us see that opera embraces an extraordinary amount of intense human emotion and experience Western culture and individual psychology It is also the most complex challenging and demanding form of public performance ever developed at its most spectacular it pulls together in one evening a play a concert a ballet and a pageant not to mention an exhibition of painting and sculpture Every opera is a veritable piece of cultural history The book begins with *The Difference Is They Sing* a potentially controversial essay on the nature of opera and its place in modern culture From there Littlejohn goes on to consider everything from Sex and Religion in French Opera to What Peter Sellers Did to Mozart He tells us about every major staging of Wagner's Ring cycle since 1876 the troubled fate in legend history and opera of the city of Nuremberg and the volatile collaboration of Richard Strauss and Hugo von Hofmannsthal Littlejohn presents these and many other fascinating moments in the history of opera with conviction and flair By the end of the book the reader may very well be persuaded that opera is indeed the ultimate art Anyone who cares about opera will find *The Ultimate Art* a thoroughly engaging book David Littlejohn's essays are exciting provocative sometimes even outrageous They reflect his deep love of opera that exotic extravagant and perpetually popular hybrid

Opera as Anthropology Vlado Kotnik, 2016-09-23 This book contemplates the relationship between opera and anthropology It rests on the following central arguments on the one hand opera is quite a new and exotic topic for anthropologists while on the other anthropology is still perceived as an unusual approach to opera Both initial arguments are indicative of the current situation of the relationship between anthropological discipline and opera research The book introduces the work of anthropologists and ethnographers whose personal and professional affinity for opera has been explicated in their academic and biographical accounts Anthropological ethnological ethnographic and semiotic accounts of opera by Claude Lévi Strauss Michel Leiris William O Beeman Denis Laborde Paul Atkinson and Philippe Joseph Salazar establish that opera can be a pertinent object of anthropological interest ethnographic investigation cultural analysis and historical reflection By touching on opera not merely as a musical aesthetic or artistic category but as a social cultural historical and transnational phenomenon that over the last four centuries has significantly influenced and reflected the identity of Western culture and society this monograph suggests that opera and anthropology no longer need be alien to one another

Opera and Its Symbols Robert Donington, 1990-01-01 Explains the use of symbolism in opera interprets scenes from Monteverdi Mozart Verdi Wagner Stravinsky and Britten and stresses the importance of staging an opera in accord with the composer's intended use of symbols

Macbeth Multiplied Christoph Clausen, 2005-01-01 In what sense did Shakespeare's representation of the Weird Sisters participate in the rewriting of village witchcraft Was it likely to encourage the Sword Did opera's specific medial conditions offer Verdi special opportunities to justify the presence of stage witches more than three centuries later How valid is the parallel between 19th century opera and the voyeurism of madhouse spectacle Was Shakespeare's play

really engaged in the project of exorcizing Queen Elizabeth's cultural memory What does Verdi's chorus of Scottish refugees have to do with shifting representations of the people These are among the questions tackled in this study It provides the first in depth comparison of Shakespeare's and Verdi's *Macbeth* that is written expressly from the perspective of current Shakespearean criticism whilst striving to do justice to the topic's musicological dimension at the same time Exploring to what extent the play's matrix of possible readings is distinct from Verdi's two operatic versions the book seeks to relate such differences both to the historical contexts of the works' geneses and to their respective medial conditions In doing so it pays particular attention to shifting negotiations of witchcraft gender madness and kingship The study eventually broadens its discussion to consider other Shakespearean plays and their operatic offshoots reflecting on some possible relations between historical and medial difference

The Work of Opera Richard Dellamora, Daniel Fischlin, 1997 In this significant collection of original essays preeminent literary and cultural critics musicologists and queer theorists delve into the way opera shapes national character through its representations of gender sexuality and class The book includes essays on the works of Mozart Verdi Wagner and others and examines the impact of such modern phenomena as AIDS 10 photos 15 music examples

Selected Essays on Opera Ulrich Weisstein, 2006 Ulrich Weisstein an international authority in the fields of comparative literature and comparative arts has been a pioneer paving the way for present day intermedia studies Among his broad intermedial interests opera has always held a central place For the first time this volume makes available his major contributions to opera criticism in compact form thus meeting a serious scholarly demand The necessarily stringent selection of essays from Professor Weisstein's large output on opera reflecting fifty years of involvement with the genre is primarily governed by the wish to present texts that are representative of their author's work and at the same time are unlikely to be readily available through other channels The fourteen essays collected are arranged in chronological order some of them showing Ulrich Weisstein as an initiator of librettology others tracing adaptive processes extending from textual sources to final operas or investigating writer composer collaborations Further topics are satirical reflections on operatic activities in early eighteenth century Italy and practices of opera censorship artist operas or definitions of romantic and epic opera The essays are written in an accessible essentially non technical language and are expected to make both a profitable and a pleasurable reading for literary scholars as well as musicologists and general art lovers

Law and Opera Filippo Annunziata, Giorgio Fabio Colombo, 2018-01-30 This book explores the various connections between Law and Opera providing a comprehensive multinational and multidisciplinary with approaches from jurists philosophers musicologist historians resource on the subject Further it makes a valuable contribution to studies on law and the humanities While for example the relationship between law and literature has been extensively researched the relationship between Law and Opera remains largely overlooked The book approaches the topic from three perspectives in three main sections Law in Opera Law on Opera and Law around Opera

A Short History of Opera Donald Jay Grout, Hermine Weigel Williams, 2003 The fourth edition

incorporates new scholarship that traces the most important developments in the evolution of musical drama After surveying anticipations of the operatic form in the lyric theater of the Greeks medieval dramatic music and other forerunners the book reveals the genre's beginnings in the seventeenth century and follows its progress to the present day Jacket Margaret Garner La Vinia Delois Jennings, 2016-09-02 In January 1856 Margaret Garner an enslaved woman on a Kentucky plantation ran with members of her family to the free state of Ohio As slave catchers attempted to capture the fugitives in Cincinnati Garner cut the throat of her two and a half year old daughter to prevent her return to slavery Toni Morrison first imaginatively treated Margaret Garner's infanticide in her Pulitzer Prize winning novel *Beloved* 1987 In 2004 it became the subject of her libretto *Margaret Garner Opera in Two Acts* a lyrical text designed to be paired with music and sung operatically Grammy Award winning composer Richard Danielpour had tapped Morrison to write the libretto for his opera *Margaret Garner A New American Opera* which world premiered in Detroit in 2005 La Vinia Delois Jennings's edited volume records key events debates and critical assessments of Morrison's success with Garner's story as a libretto It also includes essays by individuals who played central roles in bringing the opera to the stage and recovering Garner's story The collection opens with a foreword by mezzo soprano Denyce Graves for whom Danielpour composed the title role The other contributors range from literary and opera scholars to specialists in American slavery studies and scholars of Toni Morrison's oeuvre Their essays position her libretto within the African American operatic and libretto tradition a tradition not fully known to performance scholars and heretofore unexamined

Studies in Musical Genesis, Structure, and Interpretation

William Kinderman, 2013-08-15 This study explores the evolution of the text and music of this inexhaustible yet highly controversial music drama across Wagner's entire career and offers a reassessment of the ideological and political history of *Parsifal* that illuminates the connection of Wagner's legacy to the rise of National Socialism in Germany The compositional genesis is traced through many unfamiliar sketches and manuscript sources held at Bayreuth revealing unsuspected models and veiled connections to Wagner's earlier works

Thank you very much for downloading **Romantic Opera And Literary Form**. As you may know, people have search hundreds times for their favorite readings like this Romantic Opera And Literary Form, but end up in harmful downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some infectious bugs inside their desktop computer.

Romantic Opera And Literary Form is available in our digital library an online access to it is set as public so you can get it instantly.

Romantic Opera And Literary Form Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Romantic Opera And Literary Form PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the

information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Romantic Opera And Literary Form PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Romantic Opera And Literary Form free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Romantic Opera And Literary Form Books

What is a Romantic Opera And Literary Form PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Romantic Opera And Literary Form PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Romantic Opera And Literary Form PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Romantic Opera And Literary Form PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Romantic Opera And Literary Form PDF?** Most PDF editing software allows you to add password protection. In Adobe

Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
