Romantic Times Magazine January 2000

Brayton Shanley

Romantic Times Magazine January 2000:

Nora's Turn Susan C. Yarina, 2002-04 Romance Sometimes terror begins at home It will take a very special kind of love to take Nora Jones beyond the terror to hope life love and family Can auto magnate Hayden Hunter set aside his business long enough to find what it is about Nora that makes him stop dead in his tracks and do anything to make her happy Cuban Studies 38 Louis A. Perez, Jr., 2008-01-27 Cuban Studies 38 examines topics that include liberalism emanating from Havana in the early 1800s Jose Mart s theory of psychocoloniality the relationship between sugar planters insurgents and the Spanish military during the revolution new aesthetics in Cuban cinema the recovery of poet Jos Angel Buesa and the meaning of Eli n Gonzales in the context of life in Miami **Love in America** Lawrence R. Samuel, 2019-11-22 Widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist In popular culture romantic love has long been a mainstay of film television and music The gap between fictitious narratives of love and real life ones is however usually wide American s expectations of romance and affection often transcend reality Tracing the history of love in American culture this book offers insight into both the national character and emotional nature Love in the Time of Self-Publishing Christine M. Larson, 2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In Love in the Time of Self Publishing Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of relationships can amplify or mute certain voices Romancelandia s experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia s rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members **The World's Most Bizarre Murders** James Marrison, 2010-06-07 This is no ordinary true crime book If you think you ve got the stomach for the most blood curdling sickening and downright strangest murders you will ever come across then look no further than these pages You have been warned Take for example Enriqueta

Marti who kidnapped children from the streets of Barcelona then boiled away their flesh and crushed their bones for ingredients for her coveted magic potions Or take Randy Kraft known as The Scorecard Killer a computer genius by day and a deranged psychopath by night Finally arrested with a corpse slumped in the passenger seat of his car it emerged that Kraft had spent over a decade cutting up and disposing of his numerous victims along the California highways In this stomach churning collection all the stories have one thing in common a unique bizarre twist True crime writer James Marrison draws upon the material that has featured in the hugely successful column The Murder File in cult magazine Bizarre in order to disclose the kind of sickening deeds that are perpetrated more often than you might think but which sometimes go largely unreported by the media Welcome to The World s Most bizarre Murders the most shocking true crime book you will ever read

Gay Artists in Modern American Culture Michael S. Sherry, 2007-09-10 Today it is widely recognized that gay men played a prominent role in defining the culture of mid twentieth century America with such icons as Tennessee Williams Edward Albee Aaron Copland Samuel Barber Montgomery Clift and Rock Hudson defining much of what seemed distinctly American on the stage and screen Even though few gay artists were out their sexuality caused significant anxiety during a time of rampant antihomosexual attitudes Michael Sherry offers a sophisticated analysis of the tension between the nation s simultaneous dependence on and fear of the cultural influence of gay artists Sherry places conspiracy theories about the homintern homosexual international taking control and debasing American culture within the paranoia of the time that included anticommunism anti Semitism and racism Gay artists he argues helped shape a lyrical often nationalist version of American modernism that served the nation s ambitions to create a cultural empire and win the Cold War Their success made them valuable to the country s cultural empire but also exposed them to rising antigay sentiment voiced even at the highest levels of power for example by President Richard Nixon Only late in the twentieth century Sherry concludes did suspicion slowly give way to an uneasy accommodation of gay artists place in American life

Owens, Laura Scott Rothkopf, 2017-01-01 A richly illustrated expansive mid career survey of the stand out American artist s pioneering and influential work with each copy featuring a unique silk screen cover printed in Owens s studio Since the early 1990s Laura Owens b 1970 has challenged traditional assumptions about figuration and abstraction in her pioneering approach to painting Created in close collaboration with the artist on the occasion of her mid career survey at the Whitney Museum of American Art this inventive and comprehensive book features an incisive introduction by Scott Rothkopf critical essays literary texts and short commentaries on a variety of subjects related to Owens s broad interests which range from folk art and needlework to comics and wallpaper Reflections by more than twenty of Owens s fellow artists collaborators assistants dealers family members and friends offer an array of perspectives on her work at different periods in her life beginning with her high school years in Ohio and ending with her current exhibition A rich trove of more than a thousand images drawn from the artist s personal archive and largely unpublished before now includes personal correspondence journals academic

transcripts handwritten notes source material exhibition announcements clippings and installation photographs Strikingly each copy also features a unique silk screen cover printed in Owens s studio giving readers the opportunity to own an original work of art Together all of these elements provide a rare and intimate look at how an artist might make her way in the world as well as how art gets made movements take hold and relationships evolve over time

The Many Sides of Peace Brayton Shanley,2013-03-05 The Many Sides of Peace comes out of thirty years of living in a Catholic lay community attempting to understand and practice the compelling ideas of gospel centered nonviolent love The book attempts to speak to the signs of these times for those who seek peace and liberation from both war and the looming ecological Armageddon It is a faith based on the revelation of Jesus and the conviction that a love that is nonviolent will save this environmentally threatened planet and its warlike people from an at risk status to a more peaceful and sustainable one This is a message of hope a how to live spiritual manual for human earth survival that can help create a bold and beautiful world

Somebody to Love Matt Richards,Mark Langthorne,2018-05-08 For the first time the final years of one of the world s most captivating rock showman are laid bare Including interviews from Freddie Mercury s closest friends in the last years of his life along with personal photographs Somebody to Love is an authoritative biography of the great man Here are previously unknown and startling facts about the singer and his life moving detail on his lifelong search for love and personal fulfilment and of course his tragic contraction of a then killer disease in the mid 1980s Woven throughout Freddie s life is the shocking story of how the HIV virus came to hold the world in its grip was cruelly labelled The Gay Plague and the unwitting few who indirectly infected thousands of men women and children Freddie Mercury himself being one of the most famous The death of this vibrant and spectacularly talented rock star shook the world of medicine as well as the world of music Somebody to Love finally puts the record straight and pays detailed tribute to the man himself

The Outlaw's Bride Liz Ireland,1999-12-25 The Outlaw s Bride by Liz Ireland released on Dec 25 1999 is available now for purchase

The New Suburban History Kevin M. Kruse,Thomas J. Sugrue,2006-07-15 Introduction The new suburban history Kevin M Kruse and Thomas J Sugrue Marketing the free market state intervention and the politics of prosperity in metropolitan America David M P Freund Less than plessy the inner city suburbs and state sanctioned residential segregation in the age of Brown Arnold R Hirsch Uncovering the city in the suburb Cold War politics scientific elites and high tech spaces Margaret Pugh O Mara How hell moved from the city to the suburbs urban scholars and changing perceptions of authentic community Becky Nicolaides The house I live in race class and African American suburban dreams in the postwar United States Andrew Wiese Socioeconomic integration in the suburbs from reactionary populism to class fairness in metropolitan Charlotte Matthew D Lassiter Prelude to the tax revolt the politics of the tax dollar in postwar California Robert O Self Suburban growth and its discontents the logic and limits of reform on the postwar Northeast corridor Peter Siskind Reshaping the American dream immigrants ethnic minorities and the politics of the new suburbs Michael Jones Correa The legal technology of exclusion in

metropolitan America Gerald Frug **Fifty Contemporary Choreographers** Martha Bremser, Lorna Sanders, 2011-03-15 A unique and authoritative guide to the lives and work of prominent living contemporary choreographers Representing a wide range of dance genres each entry locates the individual in the context of modern dance theatre and explores their impact Those studied include Jerome Bel Richard Alston Doug Varone William Forsythe Phillippe Decoufle Jawole Willa Jo Zollar Ohad Naharin Itzik Gallili Twyla Tharp Wim Vandekeybus With a new updated introduction by Deborah Jowitt and further reading and references throughout this text is an invaluable resource for all students and critics of dance and all those interested in the fascinating world of choreography **Alexander McQueen** Andrew Wilson, 2015-09 A modern day fairy tale infused with the darkness of a Greek tragedy this book tells the complete sensational story of designer Alexander McQueen and includes never before seen photos Those closest to the designer his family friends and lovers have spoken for the first time about the man they knew a fragmented individual a lost boy who battled to gain entry into a world that ultimately destroyed him There s blood beneath every layer of skin McQueen once said Andrew Wilson s biography dispels myths corrects inaccuracies and offers new insights into McQueen s private life and the source of his creative genius Tom Kundig: Houses Dung Ngo, Tom Kundig, 2006-11-09 Architect Tom Kundig is known worldwide for the originality of his work This paperback edition of Tom Kundig Houses first published in 2006 collects five of his most prominent early residential projects which remain touchstones for him today In a new preface written for this edition Kundig reflects on the influence that these designs continue to have on his current thinking Each house presented from conceptual sketches through meticulously realized details is the product of a sustained and active collaborative process among designer builder and client The work of the Seattle based architect has been called both raw and refined disparate characteristics that produce extraordinarily inventive designs inspired by both the industrial structures ubiquitous to his upbringing in the Pacific Northwest and the vibrant craft cultures that are fostered there **The Love Israel Family** Charles Pierce LeWarne, 2015-07-21 Winner of the Malstrom Award of the League of Snohomish County Historical Organizations In 1968 a time of turbulence and countercultural movements a one time television salesman named Paul Erdmann changed his name to Love Israel and started a controversial religious commune in Seattle s middle class Queen Anne Hill neighborhood He quickly gathered a following and they too adopted the Israel surname along with biblical or virtuous first names such as Honesty Courage and Strength The burgeoning Love Israel Family lived a communal lifestyle centered on meditation and the philosophy that all persons were one and life was eternal They flourished for more than a decade owning houses and operating businesses on the Hill although rumors of drug use control of members and unconventional sexual arrangements dogged them By 1984 perceptions among many followers that some Family members especially Love Israel himself had become more equal than others led to a bitter breakup in which two thirds of the members defected The remaining faithful about a hundred strong resettled on a ranch the Family retained near the town of Arlington Washington north of Seattle

There they recouped and adapted with apparent social and economic success for two more decades In *The Love Israel Family* Charles LeWarne tells the compelling story of this group of idealistic seekers whose quest for a communal life grounded in love service and obedience to a charismatic leader foundered when that leader's power distanced him from his followers LeWarne followed the Family for years attending its celebrations and interviewing the faithful and the disaffected alike He tells the Family's story with both sympathy and balance describing daily life in the urban and later the rural communes and explaining the Family's deeply felt spiritual beliefs *The Love Israel Family* is an important chapter in the history of communal experiments in the United States **Sophia Style** Deirdre Donohue, 2001 *Focus On: 100 Most Popular American Teen Comedy Films* Wikipedia contributors, **From Australia with Love** Juliet Flesch, 2004 Challenges the view that this fiction is conservative uniform and unchanging It examines the Australianess of Australian romance writing and considers the attitudes of several authors in relation to gender and race issues Juliet Flesch is with the University of Melbourne Big Media, Big Money Ronald V. Bettig, Jeanne Lynn Hall, 2012-05-04 *Big Media Big Money* is a lively and scathing critique of the contemporary communications industry examining how media ownership and the profit making motive affect the messages we receive in alarming ways Through close readings of recent news events and critical examination of corporate influence Bettig and Hall conclude that current interconnections among media big business government and education pose a serious threat to democratic communications The second edition includes three new chapters covering the contemporary Hollywood film industry the changing landscape of the music industry and ad creep the proliferation of advertising into previously ad free venues such as schools and children's television programming *Senator Albert Gore, Sr.* Kyle Longley, 2004-10-25 Best remembered as the father of Vice President Al Gore Albert Gore Sr worked tirelessly in politics himself a Democratic congressman and senator from 1939 to 1971 and a representative of southern liberalism and American reformism In the first comprehensive biography of Gore Kyle Longley has produced an incisive portrait of a significant American political leader and an arresting narrative of the shaping of a southern and American political tradition His research includes archival sources from across the country as well as interviews with Gore's colleagues friends and family Longley describes how the native of Possum Hollow Tennessee became known during his political career as a maverick a man who according to one journalist would rock almost anybody's boat For his actions Gore often paid a heavy price personally and professionally Overshadowed by others in Congress such as Lyndon Johnson J William Fulbright Richard Russell and Barry Goldwater Gore nonetheless played a major role on the important issues of taxes the Interstate Highway system civil rights nuclear power and arms control and the Vietnam War Longley situates Gore as part of a generation of politicians who matured on the messages of William Jennings Bryan Woodrow Wilson and Franklin Roosevelt In the South Gore belonged to a staunch group of liberals who battled traditional conservative forces often within their own party He and others such as Estes Kefauver Frank Porter Graham and Ralph Yarborough set the stage for subsequent generations including that of Jimmy Carter and Jim

Sasser and later Bill Clinton Al Gore Jr and John Edwards From his career shines one encapsulating moment in 1952 squared off on the floor of the Senate against Strom Thurmond who wanted Gore to sign the Southern Manifesto declaring southern resistance to desegregation Gore responded simply classically Hell no

Enjoying the Beat of Expression: An Psychological Symphony within **Romantic Times Magazine January 2000**

In some sort of taken by displays and the ceaseless chatter of quick conversation, the melodic elegance and emotional symphony created by the written term frequently disappear into the background, eclipsed by the constant sound and disturbances that permeate our lives. But, situated within the pages of **Romantic Times Magazine January 2000** an enchanting fictional treasure full of organic feelings, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that fascinating masterpiece conducts readers on an emotional journey, well unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths with this poignant review, we will explore the book is main harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
