## **Rome And The Enemy Imperial Strategy In The Principate:**

Rome and the Enemy Susan P. Mattern, 2023-04-28 How did the Romans build and maintain one of the most powerful and stable empires in the history of the world This illuminating book draws on the literature especially the historiography composed by the members of the elite who conducted Roman foreign affairs From this evidence Susan P Mattern reevaluates the roots motivations and goals of Roman imperial foreign policy especially as that policy related to warfare In a major reinterpretation of the sources Rome and the Enemy shows that concepts of national honor fierce competition for status and revenge drove Roman foreign policy and though different from the highly rationalizing strategies often attributed to the Romans dictated patterns of response that remained consistent over centuries Mattern reconstructs the world view of the Roman decision makers the emperors and the elite from which they drew their advisers She discusses Roman conceptions of geography strategy economics and the influence of traditional Roman values on the conduct of military campaigns She shows that these leaders were more strongly influenced by a traditional stereotyped perception of the enemy and a drive to avenge insults to their national honor than by concepts of defensible borders In fact the desire to enforce an image of Roman power was a major policy goal behind many of their most brutal and aggressive campaigns Rome and the Enemy provides a fascinating look into the Roman mind in addition to a compelling reexamination of Roman conceptions of warfare and national honor The resulting picture creates a new understanding of Rome's long mastery of the Mediterranean world How did the Romans build and maintain one of the most powerful and stable empires in the history of the world This illuminating book draws on the literature especially the historiography composed by the members of the elite who conducted Roman foreign

The Roman Empire from Severus to Constantine Patricia Southern, 2015-05-15 The third century of the Roman Empire is a confused and sparsely documented period punctuated by wars victorious conquests and ignominious losses and a recurring cycle of rebellions that saw several Emperors created and eliminated by the Roman armies In AD 260 the Empire almost collapsed and yet by the end of the third century the Roman world was brought back together and survived for another two hundred years In this new edition of The Roman Empire from Severus to Constantine Patricia Southern examines the anarchic era of the soldier Emperors that preceded the crisis of AD 260 and the reigns of underrated and sometimes maligned Emperors such as Gallienus Probus and Aurelian whose determination and hard work reunited and re established the Empire Their achievements laid the foundations for the absolutist sacrosanct rule of Diocletian honed to ruthless perfection by Constantine whose reign transformed the pagan Empire into a Christian state The successes and failures of the rulers of the Roman world of the third century and the role of the armies and the civilians are reassessed in this revised and expanded edition of The Roman Empire from Severus to Constantine which incorporates the latest thinking of modern scholars and has been extended to cover the reign of Constantine and the foundations he laid on which the Christian empire was built This is a crucial volume for students of this fascinating period in Roman history and provides

invaluable background for anyone interested in the fall of Rome the adoption of Christianity and the establishment of the Byzantine Empire

**Cultural Memories in the Roman Empire** Karl Galinsky, Kenneth Lapatin, 2016-01-01 Memory studies one of the most vibrant research fields of the present day brings together such diverse disciplines as art and archaeology history religion literature sociology media studies and neuroscience In scholarship on ancient Rome studies of social and cultural memory complement traditional approaches opening up new horizons as we contemplate the ancient world The fifteen essays presented here explore memory in the Roman Empire addressing a wide spectrum of cultural phenomena from a range of approaches Ancient Rome was a memory culture par excellence and memory pervades all aspects of Roman culture from literature and art to religion and politics This volume is the first to address the cultural artifacts of Rome through the lens of memory studies An essential guide to the material culture of Rome this book brings important new concepts to the fore for both scholars of the ancient world and those of social and cultural memory throughout human history

*News and Frontier Consciousness in the Late Roman Empire* Mark W. Graham, 2006 A novel interpretation of Roman frontier policy

**The Peace of the Gods** Craige B. Champion, 2017-05-30 The Peace of the Gods takes a new approach to the study of Roman elites religious practices and beliefs using current theories in psychology sociology and anthropology as well as cultural and literary studies Craige Champion focuses on what the elites of the Middle Republic ca 250 ca 100 BCE actually did in the religious sphere rather than what they merely said or wrote about it in order to provide a more nuanced and satisfying historical reconstruction of what their religion may have meant to those who commanded the Roman world and its imperial subjects The book examines the nature and structure of the major priesthoods in Rome itself Roman military commanders religious behaviors in dangerous field conditions and the state religion s acceptance or rejection of new cults and rituals in response to external events that benefited or threatened the Republic According to a once dominant but now outmoded interpretation of Roman religion that goes back to the ancient Greek historian Polybius the elites didn t believe in their gods but merely used religion to control the masses Using that interpretation as a counterfactual lens Champion argues instead that Roman elites sincerely tried to maintain Rome s good fortune through a pax deorum or peace of the gods The result offers rich new insights into the role of religion in elite Roman life

*Great Strategic Rivalries* James Lacey, 2016-10-11 The first work covering a key element of the strategic relationship between states from ancient history to the late 20th century Great Strategic Rivalries fills a major gap in the historiography of state relations Each chapter provides an accessible narrative of an historically significant rivalry comprehensively covering all aspects political diplomatic economic and military of its history

*Echoes of Empire* Kalypso Nicolaïdis, Berny Sebe, Gabrielle Maas, 2014-12-23 How does our colonial past echo through today s global politics How have former empire builders sought vindication or atonement and formerly colonized states reversal or retribution This groundbreaking book presents a panoramic view of attitudes to empires past and present seen not only through the hard politics of international power

structures but also through the nuances of memory historiography and national and minority cultural identities Bringing together leading historians political scientists and international relations scholars from across the globe *Echoes of Empire* emphasizes Europe's colonial legacy whilst also highlighting the importance of non-European power centres Ottoman Russian Chinese Japanese in shaping world politics then and now *Echoes of Empire* bridges the divide between disciplines to trace the global routes travelled by objects ideas and people and forms a radically different notion of the term empire itself This will be an essential companion to courses on international relations and imperial history as well as a fascinating read for anyone interested in Western hegemony North South relations global power shifts and the *longue durée*      **Order and**

**(Dis)order in the First Christian Century** F. Gerald Downing, 2013-08-01 Articulate first century Mediterranean society Jewish and Christian included expressly favoured harmonious order in society in individuals in communication and in thought Its common basis was the patriarchal family the rule of law rational self control and rational thought Yet there was also resistance to oppressive and unjust order in all spheres and while law could be held educative yet there were substantial first century critiques of law not just Paul's and awareness that judicial procedures could be chaotic and biased Strands of such dissidence appear in Jesus and in Paul with significant relevance for any understanding of the early Christian movement's and contemporary Judaism's in Graeco-Roman context but also with important implications for any practical reflections and application      **Understanding War** Christian P. Potholm, 2016-08-03 The third book in Professor Christian Potholm's war

trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these *Understanding War* enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures      **Roman Roads** Anne Kolb, 2019-07-22 This volume aims to

present the current state of research on Roman roads and their foundations in a combined historical and archaeological perspective The focus is on the diverse local histories and the varying degrees of significance of individual roads and regional networks which are treated here for the most important regions of the empire and beyond The assembled contributions will be of interest to historians archaeologists and epigraphers since they tackle matters as diverse as the technical modalities of road building the choice of route but also the functionality and the motives behind the creation of roads Roman roads are further intimately related to various important aspects of Roman history politics and culture After all such logistical arteries form the basis of all communication and exchange processes enabling not only military conquest and security but also

facilitating the creation of an organized state as well as trade food supply and cultural exchange The study of Roman roads must always be based on a combination of written and archaeological sources in order to take into account both their concrete geographical location and their respective spatial cultural and historical context **Frontiers of the Roman**

**Empire: Roman Limes in Serbia** David J. Breeze, Sonja Jilek, Miomir Korać, Snežana Golubović, Nemanja Mrđić, Gordana Jeremić, Stefan Pop-Lazić, 2022-06-23 The aim of this publication is not only to inform about historical and archaeological facts on the Limes in Serbia but also to act as a guidebook as well through the Danubian Limes Empire and Ideology in the Graeco-Roman World Benjamin Isaac, 2017-08-10 Benjamin Isaac is one of the most distinguished historians of the

ancient world with a number of landmark monographs to his name This volume collects most of his published articles and book chapters of the last two decades many of which are not easy to access and republishes them for the first time along with some brand new chapters The focus is on Roman concepts of state and empire and mechanisms of control and integration Isaac also discusses ethnic and cultural relationships in the Roman Empire and the limits of tolerance and integration as well as attitudes to foreigners and minorities including Jews The book will appeal to scholars and students of ancient imperial and military history as well as to those interested in the ancient history of problems which still resonate in today's societies

**"A Hero Will Endure": Essays at the Twentieth Anniversary of 'Gladiator'** Rachel L. Carazo, 2023-05-16 This volume adds to previous historical and political studies about Gladiator with essays about the movie's relation to pop culture and contemporary discourses It not only relates Gladiator to traditional cinema aspects such as heroism music acting studio culture and visual effects but it also connects the film to sports religion and the environment expanding the ways in which the film can be evaluated by modern audiences The volume can be read by individuals or in classroom settings especially as a recommended text for students studying the ancient world in film **A Companion to Roman Imperialism** Dexter

Hoyos, 2012-11-09 A Companion to Roman Imperialism written by a distinguished body of scholars explores Rome's rise to empire and its vast historical impact on her subject peoples and equally momentous on the Romans themselves an impact still felt today **Mapping Gender in Ancient Religious Discourses** Todd C. Penner, Caroline Vander Stichele, 2007 A collection of essays on early Christian Jewish and Greco-Roman religious discourses in antiquity focusing on the construction of gender in relationship to broader cultural and religious themes argumentation and identity formation in the early centuries of the common era **Leading the Roman Army** Jonathan Mark Eaton, 2020-07-30 The Roman imperial army represented

one of the main factors in the exercise of political control by the emperors The effective political management of the army was essential for maintaining the safety and well being of the empire as a whole This book analyses the means by which emperors controlled their soldiers and sustained their allegiance from the battle of Actium in 31 BC to the demise of the Severan dynasty in AD 235 Recent discoveries have revolutionized our understanding of the Roman army This study provides an up to date synthesis of a range of evidence from archaeological epigraphic literary and numismatic sources on the

relationship between the emperor and his soldiers It demonstrates that this relationship was of an intensely personal nature He was not only the commander in chief but also their patron and benefactor even after their discharge from military service Yet the management of the army was more complex than this emperor soldier relationship suggests An effective army requires an adequate military hierarchy to impose discipline and command the troops on a daily basis This was of particular relevance for the imperial army which was mainly dispersed along the frontiers of the empire effectively in a series of separate armies The emperor needed to ensure the loyalty of his officers by building mutually beneficial relationships with them In this way the imperial army became a complex network of interlocking ties of loyalty which protected the emperor from military subversion

**Failure of Empire** Noel Lenski, Noel Emmanuel Lenski, 2014-06-26 Failure of Empire is the first comprehensive biography of the Roman emperor Valens and his troubled reign A D 364 78 Valens will always be remembered for his spectacular defeat and death at the hands of the Goths in the Battle of Adrianople This singular misfortune won him a front row seat among history's great losers By the time he was killed his empire had been coming unglued for several years the Goths had overrun the Balkans Persians Isaurians and Saracens were threatening the east the economy was in disarray and pagans and Christians alike had been exiled tortured and executed in his religious persecutions Valens had not however entirely failed in his job as emperor He was an admirable administrator a committed defender of the frontiers and a ruler who showed remarkable sympathy for the needs of his subjects In lively style and rich detail Lenski incorporates a broad range of new material from archaeology to Gothic and Armenian sources in a study that illuminates the social cultural religious economic administrative and military complexities of Valens's realm Failure of Empire offers a nuanced reconsideration of Valens the man and shows both how he applied his strengths to meet the expectations of his world and how he ultimately failed in his efforts to match limited capacities to limitless demands

Rome's Armies to the Death of Augustus Tony McArthur, 2024-09-30 National armies as we know them today are a comparatively recent development It has been assumed that the Romans had an army similar to the national institutions of advanced almost exclusively European powers at the end of the nineteenth century But the assumption was wrong as is the belief that changes seen in the armies can be explained because the Romans reformed their armies Up to the death of Augustus the Romans had no permanent military forces Roman armies were raised for particular campaigns and disbanded at their conclusion Repeated campaigns were conducted in places like northern Italy and Spain but the armies were always disbanded These armies were not seen by Romans as part of a national institution as modern armies are they were simply a part of the life of a Roman citizen like religion or elections These armies were more like a militia than a national army There is little evidence even of systematic training and what changes can be detected can be better explained by contingent adaptation to circumstances rather than reform The emperor Augustus is commonly seen as the originator of the imperial armies but it was an unintended outcome of a long life

**An Introduction to the Roman Military** Conor Whately, 2020-07-29 Follows the military lives of three

soldiers across the Roman world providing interesting historical insight into the Roman military from the late republic to the end of antiquity in the west This book introduces readers to three historical Roman soldiers Titus Pullo from the late republic Aurelius Polion from the high imperial era and Flavius Aemilianus from late antiquity The three men inspire the themes and chronological organization of the text Drawing on a wide and diverse body of evidence the author charts their lives from enlistment to death or retirement allowing students to envision the life of a Roman soldier who is on duty or experiencing adventures across the Roman world An Introduction to the Roman Military From Marius 100 BCE to Theodosius II 450 CE starts with a historical overview before introducing readers to the Roman soldier It covers such things as the military hierarchy soldierly origins recruitment and training and the soldier s appearance and identity The next section looks at the Roman military during war its environment strategies campaigns and enemies Their existence during times of peace follows that and focuses on how soldiers celebrated victory mourned defeat and readjusted to civilian life after a war The book also features a timeline for readers to follow as well as two glossaries one filled with Roman military terms and the other with important names and events Authentically captures the experiences of Roman soldiers Educates undergraduate or graduate students on Roman military history Describes Roman soldiers based on legal epigraphic and archaeological evidence Emphasizes the human side of the Roman military Moves through three Roman historical periods the late republic high imperial and late antiquity An Introduction to the Roman Military is an engaging choice as a text for specific courses on the Roman military or army It is also suitable for more general courses covering ancient warfare In addition to university students researchers and history enthusiasts will have the opportunity to follow the military lives of three Roman soldiers with this unique book

**Frontiers in the Roman World** Ted Kaizer, Olivier Hekster, 2011-05-10 This volume presents the proceedings of the ninth workshop of the international network Impact of Empire which concentrates on the history of the Roman Empire It focuses on different ways in which Rome created changed and influenced perceptions of frontiers

## **Rome And The Enemy Imperial Strategy In The Principate Introduction**

In today's digital age, the availability of Rome And The Enemy Imperial Strategy In The Principate books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rome And The Enemy Imperial Strategy In The Principate books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rome And The Enemy Imperial Strategy In The Principate books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rome And The Enemy Imperial Strategy In The Principate versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rome And The Enemy Imperial Strategy In The Principate books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rome And The Enemy Imperial Strategy In The Principate books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rome And The Enemy Imperial Strategy In The Principate books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rome And The Enemy Imperial Strategy In The Principate books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rome And The Enemy Imperial Strategy In The Principate books and manuals for download and embark on your journey of knowledge?

### **FAQs About Rome And The Enemy Imperial Strategy In The Principate Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
