

A *Ramp* through the *Bible*

William R. Phillippe

Romp Through The Bible

**Philip Goff, Arthur Emery
Farnsley, Peter Johannes Thuesen**

Romp Through The Bible:

A Romp Through the Bible William R. Phillippe, 1987 This book reveals the amazing kaleidoscope of prophets historians storytellers and visionaries who tell of their own encounters with life and God in the Bible *The Christian Delusion* John W. Loftus, 2010-04-20 In this anthology of recent criticisms aimed at the reasonableness of Christian belief a former evangelical minister and apologist author of the critically acclaimed *Why I Became an Atheist* has assembled fifteen outstanding articles by leading skeptics expanding on themes introduced in his first book Central is a defense of his outsider test of faith arguing that believers should test their faith with the same skeptical standards they use to evaluate the other faiths they reject as if they were outsiders Experts in medicine psychology and anthropology join Loftus to show why when this test is applied to Christianity it becomes very difficult to rationally defend Collectively these articles reveal that popular Christian beliefs tend to rely on ignorance of the facts Drawing together experts in diverse fields including Hector Avalos Richard Carrier David Eller and Robert Price this book deals a powerful blow against Christian faith **Really Bad Girls of the Bible** Liz Curtis Higgs, 2016-07-19 Discover the Truth About God's Sovereignty from the Bible's Really Bad Girls Eight of the Bible's most notorious females strut across the pages of *Really Bad Girls of the Bible* with troubles that still hit home in the twenty first century The Medium of En Dor crossed over to the dark side Jael stood up to a ruthless enemy The Adulteress was caught between a rock and a hard place Athaliah made a bid for power that ended badly Bathsheba captured the wandering eye of a king Herodias made a cruel request of her husband Tamar exchanged her widow's weeds for a harlot's garb And the Bleeding Woman had a serious health issue only a great physician could handle Higgs does such a remarkable job telling their stories that many of the Good Book's bad girls become downright sympathetic Higgs is a refreshingly astute biblical commentator and ably points readers to good girl tips they can apply from the Bible's cautionary tales Publishers Weekly *Really Bad Girls of the Bible* shines a spotlight on God's sovereignty demonstrating one life changing truth God rules the lives of those He loves with mercy compassion and hope Includes Discussion Questions and a Study Guide *A Novel Approach to Bible Study* **The Bible's Top 50 Ideas** Rabbi Dov Peretz Elkins, Abigail Treu, 2013-09-01 All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection What generally happens when someone picks up a copy of the Bible Often it is put down within seconds because readers see endless verses which turn them off Finally here is an accessible book about the Bible that focuses on its great moral principles Human beings are created in the image of God Love your neighbor as yourself You shall not stand idly by the blood of your neighbor You shall love the Lord your God with all your heart and with all your soul and with all your might Justice justice shall you pursue Dov Peretz Elkins believes that if a reader understands fifty verses of the five thousand in the Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more

serious a life with meaning purpose and direction The Bible s Top 50 Ideas Presents the Bible s essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day

The Pastor'S Diary William R. Phillippe,2015-09-11 For many years people have asked me to write about my theology and I have consistently said that I could tell them what I thought at that particular day but that it would be different tomorrow which is to say that I strongly believe that theology is a growing thing constantly changing within the context of a changing society The book became much more autobiographical than I intended I discovered that my theology changed because of any experiences I had I have described my story chronologically beginning with my early years and how the myth of Christianity was implanted in my mind I go on to show how I got involved in the church during high school and college and discovered others had different myths than I did This expanding awareness gave me the stimulus to take a hard look at my own myth Several professors at both college and seminary helped me through the changes in my understanding of the Christian faith and I describe via some of my writings what those were In my first congregation a new church development and in subsequent ones I realized that we understate our laity and their desire to learn about new concepts has come with further study of scholars I came to trust that desire and began to preach and teach not only the churchs dogmatics but also the results of creative imagination and the discovery of many scholars throughout the world and from many religious perspectives My final chapter is entitled So What Do You Believe In this I make an attempt to pull together the various and growing concepts of my thought throughout my fifty plus years in the ordained ministry of the Presbyterian Church From experience I know laypersons would be interested in this book In addition pastors and other religious professionals I think would find it helpful as they go through their own theological pilgrimage

Journeys with Jesus Lois Keffer,2004 13 week multiage summer program allows kids to journey to the Holy Land meeting the people Jesus met and seeing the difference Jesus made in their lives

Steps, Faith to Reason William C. White,2009-10-26 For centuries books have changed lives Some even improved lives This book provides an historical sketch of mankind's path during the past four millennia with a focus on mankind's use of faith and reason as faculties to guide life Along this path there have been endless efforts to guide human lives some even sought to reduce the brutishness of humans Among the early efforts to encourage civility in human behavior were tenets doctrines of faith based religions With faith as used in this copy one accepts without question doctrines and tenets of a religion Later along mankind's path reason developed as a faculty enabling one to question to seek truths and to use integrity ethics and morality to do what is right As in any path there are increments of progress steps which serve as landmarks along the way Reason with rational thinking got a foothold in the second millennium BCE beginning a transfer by

mankind in using reason rather than faith as a faculty to guide human life The text describes some of the more progressive landmark steps by 11 historical figures in the path of mankind illustrating advantages of reason as a faculty to guide ones life Many instances could mark the beginning of this path but the one selected for the copy is the story of Abraham With this person beginning in Mesopotamia the path traverses westward to the life of Thomas Paine in Paris London and Philadelphia The objective in this copy is to help the reader comprehend these progressive steps in utilizing reason rather than faith as a faculty to guide ones life and to correct intolerance injustice and other brutishness of humanity Relevant historical information on the notable humans taking these steps and on their times hopefully will provide useful illumination for the steps described White examines how men from Abraham and Seneca to Voltaire and Thomas Paine helped establish the use of reason rather than faith as a guide for mankind Steps Faith to Reason is nothing short of the history of Western thought condensed into a single easily understood volume ForeWord Clarion Review Steps Faith to Reason represents the authors sober assessment of the intellectual path humanity has taken from theocracy to secularity from the ubiquity of religion to the use of scientific thought Blue Ink Review

The Bible in American Life Philip Goff, Arthur Emery Farnsley, Peter Johannes Thuesen, 2017 There is a paradox in American Christianity According to Gallup nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God At the same time surveys have revealed gaps in these same Americans biblical literacy These discrepancies reveal the complex relationship between American Christians and Holy Writ a subject that is widely acknowledged but rarely investigated The Bible in American Life is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the Internet shape individuals comprehension of scripture Employing both quantitative methods the General Social Survey and the National Congregations Study and qualitative research historical studies for context The Bible in American Life provides an unprecedented perspective on the Bible s role outside of worship in the lived religion of a broad cross section of Americans both now and in the past The Bible has been central to Christian practice and has functioned as a cultural touchstone From the broadest scale imaginable national survey data about all Americans down to the smallest details such as the portrayal of Noah and his ark in children s Bibles this book offers insight and illumination from scholars across the intellectual spectrum It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment

Good Book David Plotz, 2009-03-03 Like many Jews and Christians David Plotz long assumed he knew what was in the Bible He read parts of it as a child in Hebrew school then attended a Christian high school where he studied the Old and New Testaments Many of the highlights stuck with him Adam and Eve Cain versus Abel Jacob versus Esau Jonah versus whale forty days and nights ten plagues and commandments twelve tribes and apostles Red Sea walked under Galilee walked on bush into fire rock into water water into wine And of course he absorbed from all around him other bits of the Bible from

stories he heard in churches and synagogues in movies and on television from his parents and teachers But it wasn't until he picked up a Bible at a cousin's bat mitzvah and became engrossed and horrified by a lesser known story in Genesis that he couldn't put it down At a time when wars are fought over scriptural interpretation when the influence of religion on American politics has never been greater when many Americans still believe in the Bible's literal truth it has never been more important to get to know the Bible Good Book is what happens when a regular guy an average Joe actually reads the book on which his religion his culture and his world are based Along the way he grapples with the most profound theological questions How many commandments do we actually need Does God prefer obedience or good deeds And the most unexpected ones Why are so many women in the Bible prostitutes Why does God love bald men so much Is Samson really that stupid Good Book is an irreverent enthralling journey through the world's most important work of literature

When Time and Eternity Kiss Sean Maddox, 2016-09-27 A LIFE CHANGING SPIRITUAL MASTERWORK ON GOD HUMAN DESTINY AND THE BIBLE A UNIQUE SPIRITUAL JOURNEY GUIDE When Time and Eternity Kiss is a boldly provocative and highly original new interpretation of the Bible a page turner for believers seekers skeptics and secularists alike By harmonizing the Bible with 21st c quantum physics and the Big Bang theory Maddox leads us into the labyrinth of God's mind What are we Where do we come from Do we have a destiny The Bible proclaims You are gods What does that mean Is there an objective reality or just the illusion of one as Eastern spiritual traditions assert quantum physics theorizes and Einstein suggested In When Time and Eternity Kiss author Sean Maddox argues passionately that the Bible answers life's most perplexing questions He supports his propositions by integrating wisdom and insight from mythologies biblical Hebrew Kabbalah Hindu Chakras Buddhism psychology archetypal symbolism dream work and quantum physics His multidisciplinary perspective allows readers to see with new eyes how the Bible is the spiritual guide par excellence to the psycho-spiritual evolution of divine and human consciousness INSPIRED GROUNDBREAKING SCHOLARSHIP This revolutionary work is the culmination of the author's twenty-five year journey of psycho-spiritual inquiry study and singular personal sacrifices Maddox emerges as a daringly independent scholar and visionary who peers into the Bible's riveting mysteries and reveals God's Feminine Side in the texts Aptly titled When Time and Eternity Kiss is a passionate cosmic love story from start to finish At the climax of the book Maddox upends traditional interpretations as he illuminates the two Genesis Creation stories and shares his vision of why God shattered the silence of Eternity to create life in time and space In radiant lucid prose Maddox restores the Bible to 21st c relevancy as the cornerstone of Western civilization

Satan's Story Chris Matheson, 2016-09-15 In this comedic postscript to The Story of God we finally get to hear Satan's side of the biblical story God and by extension the Jesuses may get all the love but what about Satan Clever patient and forever plotting might he be the one who gets the last laugh Might the greatest story ever told ultimately be all about him

The Genesis of Fiction Terry R. Wright, 2016-03-09 This book considers a range of twentieth century novelists who practise a creative mode of reading the Bible exploring aspects of the

Book of Genesis which more conventional biblical criticism sometimes ignores Each chapter considers some of the interpretive challenges of the relevant story in Genesis especially those noted by rabbinic midrash which serves as a model for such creative rewriting of the biblical text All the novelists considered from Mark Twain John Steinbeck and Thomas Mann to Jeanette Winterson Anita Diamant and Jenny Diski are shown to have been aware of the midrashic tradition and in some cases to have incorporated significant elements from it into their own writing The questions these modern and postmodern writers ask of the Bible however go beyond those permitted by the rabbis and by other believing interpretive communities Each chapter therefore attempts to chart intertextually where the writers are coming from what principles govern their mode of reading and rewriting Genesis and what conclusions can be drawn about the ways in which it remains possible to relate to the Bible

Black Fascisms Mark Christian Thompson, 2007 In this provocative new book Mark Christian Thompson addresses the startling fact that many African American intellectuals in the 1930s sympathized with fascism seeing in its ideology a means of envisioning new modes of African American political resistance Thompson surveys the work and thought of several authors and asserts that their sometimes positive reaction to generic European fascism and its transformation into black fascism is crucial to any understanding of Depression era African American literary culture The book considers the high regard that Back to Africa advocate Marcus Garvey expressed for fascist dictators and explores the common ground he shared with George Schuyler and Claude McKay writers with whom Garvey is generally thought to be at odds Thompson reveals how fascism informed a rejection of Marxism by McKay as well as by Arna Bontemps whose *Drums at Dusk* depicts communism as antithetical to any black revolution A similarly authoritarian stance is examined in the work of Zora Neale Hurston where the striving for a fascist sovereignty presents itself as highly critical of Nazism while nonetheless sharing many of its tenets The book concludes with an investigation of Richard Wright's *The Outsider* and its murderous protagonist Cross Damon who articulates fascist drives already present if latent in *Native Son*'s Bigger Thomas Unencumbered by the historical or biblical references of the earlier work Damon personifies the essence of black fascism Taking on a subject generally ignored or denied in African American cultural and literary studies *Black Fascisms* seeks not only to question the prominence of the Left in the political thought of a generation of writers but to change how we view African American literature in general Encompassing political theory cultural studies critical theory and historicism the book will challenge readers in numerous fields providing a new model for thinking about the political and transnational in African American culture and shedding new light on our understanding of fascism between the wars

The Bible and Global Tourism James S. Bielo, Lieke Wijnia, 2021-01-14 This volume examines the ways in which biblical tourism is enmeshed within the production and management of heritage global contexts of marketing and publicity accessibility of sacred sites and routes for multiple audiences and the forging of connections between travel and social identity By exploring issues such as devotional piety religious pedagogy and entertainment an interdisciplinary collection of scholars traces how biblical tourism

experiences are choreographed and consumed and how these practices shape embodied and narrative performances of scripture Contributors focus on four major questions How have people used tourism to develop new or renewed relationships with the Bible Historically what role has the Bible played in the development of modern tourism In the context of the tourist encounter how have people mobilized the Bible as a social and expressive resource And what forms of social exchange shape acts of biblical tourism such as among pilgrims or between people and landscapes These questions are centered not only around authorized shrines and Holy Places but also festivals museums theme parks and heritage sites This book aims to create a comparative and interdisciplinary dialogue around the dynamic relationship between biblical heritage claims and the practices and infrastructures of modern tourism

The Animals in the Bible Roy Pinney,1964

The Apocalypse Is Everywhere Anne Rehill,2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them

The Apocalypse Is Everywhere A Popular History of America s Favorite Nightmare explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes

The Blackwell Companion to the Bible and Culture John F. A. Sawyer,2012-06-04 The Blackwell Companion to the Bible and Culture provides readers with a concise readable and scholarly introduction to twenty first century approaches to the Bible Consists of 30 articles written by distinguished specialists from around the world Draws on interdisciplinary and international examples to explore how the Bible has impacted on all the major social contexts where it has been influential ancient medieval and modern world wide Gives examples of how the Bible has influenced literature art music history religious studies politics ecology and sociology Each article is accompanied by a comprehensive bibliography Offers guidance on how to read the Bible and its many interpretations

The Salesianum ,1927

Orange Proverbs and Purple Parables W. R. Brookman,2015-05-18 In the words of Saint Augustine the Bible is long complicated and difficult to read Orange Proverbs Purple Parables is a book about reading the Bible How does one become a more spiritually discerning and critically appreciative reader of the Holy Scriptures What does it take to become a better interpreter of biblical texts This

book explores wide ranging approaches and considerations germane to the enterprise of reading The catch phrase used throughout the book is that of reading the Holy Scriptures as scripture What goes into reading the Bible as scripture What are some of the major elements inherent in this endeavor that should be of concern to the one who aspires to become a deep thoughtful reader and an effective interpreter This book weaves through a labyrinth of characters and disciplines as it explores this enterprise of reading the Holy Scriptures The likes of Chomsky Augustine neuroscience Barth linguistics theological interpretation Origen metaphor theory devotional reading and Jerome along with many more people and fields of inquiry are all garnered to encourage the reader in an exploration of the enterprise of reading the Holy Scriptures

The Reinvention of Obscenity Joan DeJean, 2002-06 The concept of obscenity is an ancient one But as Joan DeJean suggests its modern form the same version that today's politicians decry and savvy artists exploit was invented in seventeenth century France The Reinvention of Obscenity casts a fresh light on the mythical link between sexual impropriety and things French Exploring the complicity between censorship print culture and obscenity DeJean argues that mass market printing and the first modern censorial machinery came into being at the very moment that obscenity was being reinvented that is transformed from a minor literary phenomenon into a threat to society DeJean's principal case in this study is the career of Molière who cannily exploited the new link between indecency and female genitalia to found his career as a print author the enormous scandal which followed his play *Lecole des femmes* made him the first modern writer to have his sex life dissected in the press Keenly alert to parallels with the currency of obscenity in contemporary America *The Reinvention of Obscenity* will concern not only scholars of French history but anyone interested in the intertwined histories of sex publishing and censorship

Whispering the Techniques of Language: An Mental Quest through **Romp Through The Bible**

In a digitally-driven world where monitors reign great and immediate communication drowns out the subtleties of language, the profound techniques and emotional subtleties hidden within words often get unheard. Yet, situated within the pages of **Romp Through The Bible** a interesting fictional prize pulsating with natural emotions, lies a fantastic quest waiting to be undertaken. Published by a skilled wordsmith, this charming opus invites viewers on an introspective journey, gently unraveling the veiled truths and profound impact resonating within the very material of every word. Within the emotional depths of the poignant review, we can embark upon a heartfelt exploration of the book is key themes, dissect their charming writing design, and succumb to the powerful resonance it evokes deep within the recesses of readers hearts.
