Contemporary American Theatre Company Presents Taking Sides by Ronald Harwood ,1997 Speak Well of Me W.

Sydney Robinson, 2021-10-07 Sir Ronald Harwood 1934 2020 was one of the most prolific playwrights and screenwriters of his generation. His acclaimed play *The Dresser* has been constantly revived since its premiere in 1980 and has been adapted for both cinema and television, most recently the 2015 BBC production starring Sir Anthony Hopkins and Sir Ian McKellen. Harwood's other notable film adaptations included Roman Polanski's haunting depiction of life in the Warsaw Ghetto *The Pianist* (2002), Baz Luhrmann's frontier epic *Australia* (2008), and Dustin Hoffman's poignant celebration of old age *Quartet* (2012). His many awards included an Oscar for *The Pianist* and a BAFTA for *The Diving Bell and the Butterfly* (2007). *Speak Well of Me* turns the focus onto Harwood himself. Based on extensive interviews with the playwright during his final years, the biography recounts Harwood's gradual transformation from lacklustre South African schoolboy to doyen of theatre and Hollywood. While dissecting each of his major works, the book candidly explores Harwood's friendships with the likes of Harold Pinter, J.B. Priestley, Andr  Previn, Sir Donald Wolfit, who inspired *The Dresser*, and most controversially Roman Polanski. The result is a biography as gripping and morally complex as one of Harwood's own dramas. This new paperback edition includes memoirs and assessments of Harwood by Gyles Brandreth, Sir Tom Courtenay, Lady Antonia Fraser, Frederic Raphael, Sir Antony Sher, and the playwright's oldest friend Gerald Masters. *Ronald Harwood's Tragic Vision* Ann C. Hall, 2024-11-26 Art has a lot to answer for. So says Sarah Bernhardt in Ronald Harwood's play *After the Lions*. Harwood's own career can be summarized by that same quote as well. Ronald Harwood's *Tragic Vision* offers the first critical analysis of prolific and award-winning British author Ronald Harwood (1934-2020). Though he received an Oscar for *The Pianist*, a knighthood, and numerous other awards and nominations, Harwood worked as a ghostwriter, script doctor, and veritable unknown for many years. As he became successful, many critics still misread his works and positioned him as a less fashionable counterpart to his lifelong friend Harold Pinter. This study proposes a conceptual framework to approach his and others' work based on the genre of tragedy, offering a greater appreciation for and understanding of the Harwood canon. *The Pianist ; & Taking Sides* Ronald Harwood, 2002 The screenplays for two new films that examine guilt, innocence, and survival under Nazi rule in Poland and Germany. Adapted from the acclaimed memoir and directed by Roman Polanski, *The Pianist* charts the extraordinary but true story of Poland's most promising young pianist, Wladyslaw Szpilman, the only member of his family to survive the Nazi occupation. Through a bizarre chain of events and helped by family, friends, strangers, and even enemies, Szpilman meets the Marxist underground press, is sheltered by the proprietor of the caf  where he once performed, and after the liberation narrowly escapes death at the hands of his fellow survivors. *Taking Sides*, which stars Harvey Keitel and Stellan Skarsg rd, Breaking the Waves depicts the post-war investigation of famed German conductor Wilhelm Furtw ngler, who was suspected of having been a Nazi sympathizer. Was Furtw ngler a criminal or a victim? Did he heroically uphold the principle that art is above politics, or did he cravenly use his status as a shield to hide behind? At what point does neutrality become complicity, and naivet  and cowardice no excuse for not opposing evil? Set in the American Zone of occupied Berlin in 1946, *Taking Sides*

raises many questions but ultimately the answers depend on which side you take With these two screenplays Ronald Harwood reveals the shocking depths and the heartbreaking heights to which the human character can adhere in extreme conditions

Mahler's Conversion Ronald Harwood, 2001 I belong nowhere Obsessed with power and fame Gustav Mahler rejects his Jewish background and his friends with devastating consequences Gustav Mahler 1860 1911 a composer and conductor of passion and genius was born in Bohemia and faced a lifetime of prejudice I m homeless Not once but three times First a native of Bohemia in Austria Second an Austrian among Germans And third a Jew in the rest of the world But in 1897 in order to be granted the prestigious position of Director of the Vienna Court Opera Mahler decided to convert to Catholicism In time however as his world collapsed he came to believe he was being made to pay a dreadful price for his ruthless ambition Mahler s Conversion premi red at the Aldwych Theatre London in September 2001

The Dresser Ronald Harwood, 1982 One fateful night in a small English regional theatre during World War II a troupe of touring actors stage a production of Shakespeare s King Lear Bombs are falling sirens are wailing the curtain is up in an hour but the actor manager Sir who is playing Lear is nowhere to be seen His dresser Norman must scramble to keep the production alive but will Sir turn up in time And if he does will he be able to perform that night

Biographical Plays About Famous Artists Daniel Meyer-Dinkgrafe, 2009-10-02 Since the late 1970s more than 200 biographical plays about famous artists composers fine artists poets actors etc were written and staged in the United Kingdom The book analyses the range of these plays arguing that the dramatists often place the main artist character s in an adverse situation inward e g mental illness or outward a personal enemy or an anonymous power such as war Against the background of such adverse forces the artist characters tend come across as flawed human beings At the same time most plays take care to provide good insights into the artists genius and their artistic integrity in the face of the adversity The book also addresses the question why there have been so many biographical plays about famous artists over the past twenty five years providing answers in the context of theatre history and developments across academic disciplines and society as a whole

Pinter's World William Baker, 2018-09-15 Pinter s World Pinter and Company is not a full scale biography but a series of illuminating chapters about Pinter s life character and thought employing new information found in his Appointment Diaries recent biographical sources such as Simon Gray s memoirs and Henry Woolf s reminiscences in addition to personal discussions with several in Pinter s world This book provides a fresh illumination of Pinter s life and art his friendships obsessions and concerns Material is arranged around themes key concerns Pinter s activities Pinter s meetings and endeavors for instance with whom he met and when when he wrote what and when and his perspective at the time are documented This work explores Pinter s writing drama poetry prose journalism and letters which are here regarded as part of his aesthetic achievement Pinter s World Pinter and Company presents a pointillist portrait of him through examining central concerns in his life These encompass an obsession with the theater and games delight in restaurants demonstrating that Pinter is far removed from the socially

awkward isolated figures populating his early work and the women in Pinter's world. Other areas examined include Pinter's political engagement from his adolescence to his last years and the literary and other creative influences upon him. This work draws upon consultation of his papers at the British Library including letters to others especially close friends with whom he kept close contact for over half a century. These letters should be regarded on par with his other creative accomplishments. Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing often in abrupt most colorful idiomatic language. His Appointment Diaries cannot reveal what actually occurred during his meetings but they do provide a guide to what he did on a daily basis and whom he met. Memories from his friends his professional colleagues cricket players and his second wife Antonia Fraser illuminate Pinter's personality and actions. Pinter's first literary love was poetry and unlike most other Pinter studies this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist.

His protagonists struggle to find a place for themselves some meaning in their lives security and a sense of being against a background of two world wars Colonel Redl Confidence the Holocaust Sunshine the Hungarian Uprising and the Cold War Father 25 Fireman's Street Taking Sides. This is the first English language study of all his feature films and uses material from interviews with Szabó and his collaborators.
