Through Roni's Eyes Viola Merritt, 2012-11-07. Relive the lives of past loves, losses, trials, and happiness as told of the history of family loved ones and finding true love as told Through Roni's Eyes.

Rebel Without a Bride Catherine Leigh, 2011-07-15. Rebel groom Thea Birch is a sensible woman from a family of adventurous females. Seven years ago, one kiss from Damon Free had convinced her she was just as wild as her relations. So Thea had left town and only necessity has brought her back. Damon Running Bear Free is still the kind of man who would drive most parents to lock up their daughters; he wears leathers, rides a motorbike, and has an attitude the size of Montana. Only Thea still remembers that kiss. She wants more. She wants Damon. There's just one problem: Damon's Native American name might be Running Bear, but Stubborn as a Mule would have been more appropriate. And if he wants a woman, he'll find his own.

The Doubts and Loves of Yehuda Amichai Ido Bassok, 2024-11-15. The Doubts and Loves of Yehuda Amichai. Israeli, European, and International Poet presents the life and works of Yehuda Amichai, born Ludwig Pfeuffer in Würzburg, Germany. The book is based on copious material from Amichai's personal archive in the Beinecke Library at Yale University, other archives, and numerous interviews with family members and others who knew him well. Each phase of the biography is linked to its overarching historical context and provides a literary analysis of the key features of his writing. What emerges is a multifaceted picture of a crucial period in the 20th century in which Amichai was both a witness and an actor without ever taking a simplistic direct position in his poetry. Amichai, an engaged political poet, was an enlightened humanitarian European while remaining an authentic Israeli who loved his country and was deeply involved finding solutions to its problems. Amichai was also a great admirer of women. The analysis of his tempestuous love life helps shed light on important aspects of his prose and poetry. Several chapters are also devoted to the background and influence of Amichai's works in genres other than poetry, including his two novels and a collection of short stories, his radio plays, and his children's poetry.
