American Bookseller ,1990 A Quick Soccer Guide for New Coaches L.F. Scuderi,1995 **Guilty Admissions** Nicole LaPorte,2021-02-23 This entertaining expos on how the other half gets in tells the shockingly true story of the Varsity Blues scandal and all of the crazy parents privilege and con men involved Guilty Admissions weaves together the story of an unscrupulous college counselor named Rick Singer and how he preyed on the desperation of some of the country s wealthiest families living in a world defined by fierce competition who function under constant pressure to get into the right schools starting with pre school non stop fundraising and donation demands in the form of multi million dollar galas and private parties and a community of deeply insecure parents who will do anything to get their kids into name brand colleges in order to maintain their own A list status Investigative reporter Nicole LaPorte lays bare the source of this insecurity that in 2019 no special hook in the form of legacy status athletic talent or financial giving can guarantee a child s entrance into an elite
