## **Roosevelt World War II:**

**How Roosevelt Failed America in World War II** Stewart Halsey Ross, 2006-05-17 Reeling from the devastation of World War I many Americans vowed never again to become involved in European conflicts This stance was formalized in 1935 when Congress passed the first Neutrality Act which was not only designed to keep America out of foreign wars but also called for the president to declare an immediate embargo of arms and munitions to all belligerent countries As war loomed and eventually erupted in 1939 President Franklin D Roosevelt instituted several policies that aided the Allies and American neutrality was questionable many months before the attack on Pearl Harbor This work examines how Roosevelt navigated prewar neutrality to push the United States toward intervention on the side of the Allies in World War II and considers critically his wartime policy of unconditional surrender and his unprecedented acceptance of a fourth term It covers his prewar policies that sidestepped neutrality including covert submarine warfare air patrol of the North Atlantic the Lend Lease Act and coordination between the American and British navies and critiques his plans for rebuilding postwar Europe Thirteen appendices parallel prewar planning by Roosevelt and Woodrow Wilson and reproduce such key documents as the Atlantic Charter and the Potsdam Declaration

**Franklin D. Roosevelt** Roger Daniels, 2016-02-15 Having guided the nation through the worst economic crisis in its history Franklin Delano Roosevelt by 1939 was turning his attention to a world on the brink of war The second part of Roger Daniels s biography focuses on FDR s growing mastery in foreign affairs Relying on FDR s own words to the American people and eyewitness accounts of the man and his accomplishments Daniels reveals a chief executive orchestrating an immense wartime effort Roosevelt had effective command of military and diplomatic information and unprecedented power over strategic military and diplomatic affairs He simultaneously created an arsenal of democracy that armed the Allies while inventing the United Nations intended to ensure a lasting postwar peace FDR achieved these aims while expanding general prosperity limiting inflation and continuing liberal reform despite an increasingly conservative and often hostile Congress Although fate robbed him of the chance to see the victory he had never doubted events in 1944 assured him that the victory he had done so much to bring about would not be long delayed A compelling reconsideration of Roosevelt the president and campaigner The War Years 1939 1945 provides new views and vivid insights about a towering figure and six years that changed the world

**Threshold of War** Waldo H. Heinrichs, 1988 Examines American policy before and during World War II

Kimball,2011-02-08 World War II created the union between Franklin Roosevelt and Winston Churchill molding it from start to finish while the partnership itself shaped many of the most significant moments of the war and the peace that followed Their connection was truly forged in war Roosevelt and Churchill continue to fascinate both the World War II generation and those who have grown up in the world formed by that struggle Here is an inside look at their relationship and the politics strategy and diplomacy of the British American alliance Warren F Kimball s lively analysis of these larger than life figures shows how they were at the same time realists and idealists consistent and inconsistent calculating and impulsive The result is an unforgettable narrative

Roosevelt's Secret War Joseph E. Persico,2001-11-06 Despite all that has already been written on Franklin Delano Roosevelt Joseph Persico has uncovered a hitherto overlooked dimension of FDR s wartime leadership his involvement in intelligence and espionage operations Roosevelt s Secret War is crowded with remarkable revelations FDR wanted to bomb Tokyo before Pearl Harbor A defector from Hitler s inner circle reported directly to the Oval Office Roosevelt knew before any other world leader of Hitler s plan to invade Russia Roosevelt and Churchill concealed a disaster costing hundreds of British soldiers lives in order to protect Ultra the British codebreaking secret An unwitting Japanese diplomat provided the President with a direct pipeline into Hitler s councils Roosevelt s Secret War also describes how much FDR had been told before the Holocaust about the coming fate of Europe s Jews And Persico also provides a definitive answer to the perennial question Did FDR know in advance about the attack on Pearl Harbor By temperament and character no American president was better suited for secret warfare than FDR He manipulated compartmentalized dissembled and misled demonstrating a spymaster s talent for intrigue He once remarked I never let my right hand know what my left hand does Not only did Roosevelt create America s first central intelligence agency the OSS under Wild Bill Donovan but he ran spy rings directly from the Oval Office enlisting well placed socialite friends FDR was also spied against Roosevelt s Secret War presents evidence that the Soviet Union had a source inside the Roosevelt White House that British agents fed FDR total fabrications to draw the United States into war and that Roosevelt by yielding to Churchill s demand that British scientists be allowed to work on the Manhattan Project enabled the secrets of the bomb to be stolen And these are only a few of the scores of revelations in this constantly surprising story of Roosevelt s hidden role in World War II *American Warlords* Jonathan W. Jordan,2015 Examines the four men who played a vital role in the United States victory during World War II President Franklin D Roosevelt Dwight D Eisenhower Henry Stimson and George Marshall *Roosevelt's War* Paul D. Lunde,2012-03 Franklin D Roosevelt pursued the U S presidency for more than 25 years He served in that office longer than any other

person from 1933 until his death in 1945 To achieve the office of president of the United States FDR practiced deception on a grand scale He was a charming man when he wanted to be and he engaged the willing help of several specific individuals as well as many others in his quest for the presidency and in his successful execution of the duties of that office As president FDR steered the U S ship of state a deliberate metaphor through two of its greatest crises the Great Depression and World War II Roosevelt s War In doing so FDR more than any other person created the Superpower that the United States is today This book will tell you how it all happened *The Presidency of Franklin D. Roosevelt* Don Nardo,2015-12-21 Franklin Delano Roosevelt the longest serving president in U S history successfully guided Americans through two of the worst crises ever He succeeded where others had failed in pulling the country back from the brink of collapse during the Great Depression He lifted Americans spirits and turned them away from fear and defeatism Then came the horrors and devastation of World War II The brilliant and courageous Roosevelt proved to be an outstanding commander in chief leading the world to victory over the powers of evil Threshold of War Waldo Heinrichs,1988-09-01 As the first comprehensive treatment of the American entry into World War II to appear in over thirty five years Waldo Heinrichs volume places American policy in a global context covering both the European and Asian diplomatic and military scenes with Roosevelt at the center Telling a tale of ever broadening conflict this vivid narrative weaves back and forth from the battlefields in the Soviet Union to the intense policy debates within Roosevelt s administration to the sinking of the battleship Bismarck to the precarious and delicate negotiations with Japan Refuting the popular portrayal of Roosevelt as a vacillating impulsive man who displayed no organizational skills in his decision making during this period Heinrichs presents him as a leader who acted with extreme caution and deliberation who always kept his options open and who once Hitler s invasion of the Soviet Union stalled in July 1941 acted rapidly and with great determination This masterful account of a key moment in American history captures the tension faced by Roosevelt Churchill Stimson Hull and numerous others as they struggled to shape American policy in the climactic nine months before Pearl Harbor How Franklin D. Roosevelt Fought World War II Earle Rice, Jr.,2017-07-15 After Adolf Hitler attacked Poland on September 1 1939 igniting World War II it fell to President Franklin D Roosevelt to keep his nation neutral while preparing it for war When Japan s surprise attack on Pearl Harbor brought that war to America his strong steady leadership guided it through all but four months of the most brutal war in the history of the world Through full color and black and white photos informative sidebars and engaging narrative readers gain insight into Roosevelt s administration and the people who advised him as well as the combat and political strategies of the war itself and its legacy **Roosevelt's Centurions** Joseph E. Persico,2013-05-28 FDR s centurions were my heroes and guides Now Joe Persico has written the best account of those leaders I ve ever read Colin L Powell All American presidents are commanders in chief by law Few perform as such in practice In Roosevelt s Centurions distinguished historian Joseph E Persico reveals how during World War II Franklin D Roosevelt seized the levers of wartime power like no president since Abraham Lincoln

during the Civil War Declaring himself Dr Win the War FDR assumed the role of strategist in chief and though surrounded by star studded generals and admirals he made clear who was running the war FDR was a hands on war leader involving himself in everything from choosing bomber targets to planning naval convoys to the design of landing craft Persico explores whether his strategic decisions including his insistence on the Axis powers unconditional surrender helped end or may have prolonged the war Taking us inside the Allied war councils the author reveals how the president brokered strategy with contentious allies particularly the iron willed Winston Churchill rallied morale on the home front and handpicked a team of proud sometimes prickly warriors who he believed could fight a global war Persico s history offers indelible portraits of the outsize figures who roused the sleeping giant that defeated the Axis war machine the dutiful yet independent minded George C Marshall charged with rebuilding an army whose troops trained with broomsticks for rifles eggs for hand grenades Dwight Eisenhower an unassuming Kansan elevated from obscurity to command of the greatest fighting force ever assembled the vainglorious Douglas MacArthur and the bizarre battlefield genius George S Patton Here too are less widely celebrated military leaders whose contributions were just as critical the irascible dictatorial navy chief Ernest King the acerbic army advisor in China Vinegar Joe Stilwell and Henry H Hap Arnold who zealously preached the gospel of modern air power The Roosevelt who emerges from these pages is a wartime chess master guiding America s armed forces to a victory that was anything but foreordained What are the qualities we look for in a commander in chief In an era of renewed conflict when Americans are again confronting the questions that FDR faced about the nature and exercise of global power Roosevelt s Centurions is a timely and revealing examination of what it takes to be a wartime leader in a freewheeling complicated and tumultuous democracy

World War II through the Eyes of Franklin Delano Roosevelt Kate Conley, 2015-12-15 Go inside the Oval Office during World War II to see the challenges faced by President Franklin D Roosevelt how he responded to difficult issues and how he shaped the country during this pressing time in office

The Sphinx Nicholas Wapshott, 2014-10-27 Before Pearl Harbor before the Nazi invasion of Poland America teetered between the desire for isolation and the threat of world war May 1938 Franklin Delano Roosevelt recently reelected to a second term as president sat in the Oval Office and contemplated two possibilities the rule of fascism overseas and a third term With Hitler s reach extending into Austria and with the atrocities of World War I still fresh in the American memory Roosevelt faced the question that would prove one of the most defining in American history whether to once again go to war in Europe In The Sphinx Nicholas Wapshott recounts how an ambitious and resilient Roosevelt nicknamed the Sphinx for his cunning cryptic rapport with the press devised and doggedly pursued a strategy to sway the American people to abandon isolationism and take up the mantle of the world s most powerful nation Chief among Roosevelt s antagonists was his friend Joseph P Kennedy a stock market magnate and the patriarch of what was to become one of the nation s most storied dynasties Kennedy s financial political and personal interests aligned him with a war weary American public and he counted among his isolationist allies no

less than Walt Disney William Randolph Hearst and Henry Ford prominent businessmen who believed America had no business in conflicts across the Atlantic The ensuing battle waged with fiery rhetoric agile diplomacy media sabotage and petty political antics would land US troops in Europe within three years secure Roosevelt s legacy and set a standard for American military strategy for years to come With millions of lives and a future paradigm of foreign intervention hanging in the balance The Sphinx captures a political giant at the height of his powers and an American identity crisis that continues to this day

**The Roosevelt Diplomacy and World War II** Robert Dallek,1978

The Presidents of World War II Charles River Editors,2025-06-20 Franklin Delano Roosevelt might be America s greatest 20th century president but there s no question that he was the most unique A well connected relative of Theodore Roosevelt FDR was groomed for greatness until he was struck down by polio Nevertheless he persevered rising through New York politics to reach the White House just as the country faced its greatest challenge since the Civil War beginning his presidency with one of the most iconic lines ever spoken during an inaugural address For over a decade President Roosevelt threw everything he had at the Great Depression and then threw everything the country had at the Axis powers during World War II Ultimately he succumbed to illness in the middle of his fourth term just before the Allies won the

war Among America's presidents Harry Truman's presidency produced some of the nation's most crucial decisions and left one of the nation's most unique legacies When President Franklin Roosevelt died in April 1945 Vice President Truman somewhat unprepared for the Presidency now had to fill some of the biggest shoes in American history Incredibly Truman had not been informed of the country's secret attempt to build atomic bombs confiding in his diary after learning about it We have discovered the most terrible bomb in the history of the world It may be the fire destruction prophesied in the Euphrates Valley Era after Noah and his fabulous Ark The new president had to usher America through victory in Europe in his first month and decide to drop atomic bombs on Hiroshima and Nagasaki a few months later but the end of World War II produced only the first of many consequential decisions Truman would face during his nearly 8 years in office As president Truman would lay the groundwork for the next 50 years of American foreign policy as the architect of Cold War containment the man who signed off on the Marshall Plan and the commander in chief during much of the Korean War He would also be the president who finally integrated the military a crucial step on the way to full civil rights for the country's minorities These accomplishments have earned Truman admiration and praise from most historians today but the Korean War in particular made him especially unpopular during much of his presidency To this day his most memorable picture was a byproduct of his upset victory over Dewey in the 1948 election with Truman holding up a Chicago Tribune newspaper incorrectly asserting Dewey Defeats Truman While Americans today mostly remember that iconic picture and fondly recall Give 'em Hell Harry and his memorable quotes Truman would actually finish his presidency with historically low approval ratings
