Worship Feast - 25 Experiences of God's Great Earth Jenny Youngman,2011 Worship Feast Outdoor Worship Experiences *Jesus' Parables: Finding Our God Within* Robert Winterhalter,George W. Fisk,2004-09-20 Using the best of current biblical scholarship Dr Robert Winterhalter invites his readers to reexamine the parables of Jesus in the light of our inner search and the many surprising insights found in the remarkable collection of early Christian Gnostic manuscripts discovered at Nag Hammadi This important work brings refreshing insights of the early years of the Christian faith by taking into account their historical literary and symbolic dimensions In Jesus Parables Finding Our God Within the affirmations and inspirations in each parable add fresh insights because our understanding of God deepens as we move beyond old boundaries of thought The parables become a window into the mind of Christ and as we grow in open mindedness we feel the warmth of

a healthy minded spirituality and the release of a greater harmony in our everyday life Written with pastoral warmth and framed in solid scholarship Jesus Parables Finding Our God Within will provide a deep satisfaction for everyone who is searching for a new level of experience and living faith that will match our uncertain times

Restarting Genesis; A Covenant View of Creation F. Michael Colacuori, 2020-10-12 Does the Bible seem difficult to understand Have you switched to a modern translation to make it easier Literary devices such as hyperbole and apocalyptic language appear frequently and may limit our understanding more than the translation Most of the Bible is expressed in terms of covenant an important concept that is also not well understood and which is seldom explained by our churches If we fail to understand such concepts we will be unlikely to fully appreciate the entire Bible Those who would applaud our difficulty and would like to dismantle our belief system entirely may have attempted to discredit early Genesis more than any other portion of scripture If Genesis 1:1 is not true where does that leave the rest of the Bible Did Jesus actually die for my sins Is God himself a myth If apparent conflicts go unresolved it becomes easier to question the relevance of the entire Bible The resolution of much of the difficulty lies in gaining an understanding of covenant creation If you have ever thought that the Bible is full of errors think again It was not written to people in the culture of the 21st century western world It was written to a people who lived 2 000 or more years ago in a culture which had a different way of thinking of using words and even numbers I hope to show that the Bible is highly accurate and relevant for today's reader To understand it the way the original hearers would have we must get inside the mind of the ancient near easterner This book attempts to bring the Bible into focus for today It is not necessary to change its teaching or to alter doctrine However gaining an understanding for today requires a new way of looking at it I hope to make that possible for you today's 21st century western reader

READING THE PARABLES OF JESUS INSIDE A JEEPNEY Revelation E. Velunta, 2017-11-01 If you've ever driven down the entire length of Aurora Blvd in Cubao or any regular in city route for that matter you would know how Jeepneys bring a whole new meaning to the word disruptive They snake through traffic at full throttle and screech to a full stop all while incessantly honking cutting corners and negotiating with passengers to scoot over and make room so more passengers can board Most private car owners included will find jeepneys annoyingly frustrating I am a church worker see and I try to keep my cussing at a level minimum but when I am sharing the road with jeepney drivers all bets are off I scream and all hell breaks loose from my mouth The object of irritation would be the Jeepney and its driver The apparent lack of consideration for law abiding motorists like me the blatant disregard for traffic rules and the thorough abandonment of all good manners and right conduct on the road So it seems You see jeepneys ferry tired day laborers students public school teachers taho vendors rank and file employees fast food servers strangers and

friends back to their homes after a very long day The Jeepney and its counterpart the tricycle is the only reliable means of transport in almost all major thoroughfares in the metro Jeepney drivers are your salvation when it s monsoon season when you need to get from one end of the street to the other for just 8 Pesos When you experience the jeepney by virtue of your road encounter from your airconditioned car with cherry bubble gum freshener and Bruno Mars on spotify you will most likely hate jeepneys for everything that they are annoying frustrating disrupting But if you experience the jeepney as your everyday mode of transport the rest of the bourgeois world is just one huge shitpile of things and people that make your life more difficult than it already is Revelation Velunta s Jeepney Hermeneutics brings to the fore this contrast of locations It surfaces a reading that when done from inside a jeepney could breathe a whole new truth into the text any text but more profoundly the Parables attributed to Jesus of Nazareth In the era of allegory and standard interpretations and proper driving conduct and road manners Velunta s Jeepney Hermeneutics is a necessary disruption to the ways in which we as faithful Bible readers and law abiding motorists capable of doing no wrong conduct and view ourselves Reading the Parables of Jesus inside a Jeepney is good news for everyone in the jeepney which is roughly 70% of the general population in the Philippines It is bad news for those in the remaining 25% and an absolute horror story for those in the uppermost 5% And if truth is a matter of statistics the truth that is preached by Velunta is indeed truest Those who would feel insulted by these truths will realize by the end of this book that they are exactly that which is wrong in this world and they should quite honestly repent before a Jeepney runs them over by Pastor Kakay Pamaran

Keep It Good: Understanding Creation Care through Parables Lindsay Linsky, 2016-05-25 Keep It Good examines creation from a creative and unique perspective A perspective that is not political not overly scientific and not judgmental with parables Through stories about a family s struggles and successes teenage escapades tragic mistakes historical figures and modern day versions of literary pieces Keep It Good will open your eyes to how Christians are missing the mark when it comes to God s creation and provide practical suggestions for how to get there After all how would you want your children treating your creation In recent years it has become evident that somewhere down the line Evangelical Christians neglected the biblical mandate to be stewards of God s amazing creation As a result many Christians today mistakenly perceive environmentalism as a liberal agenda Lindsay Linsky s book Keep It Good is a creative call exhorting the church to not only embrace creation s care but to respond to the extreme poor those who are the most vulnerable to environmental decline with justice and compassion Tri Robinson Author of Saving God s Green Earth Director of i 61 Ministries
