Roots Of Disunity A Study Of Canadian Political Culture

Janet Ajzenstat, Peter J. Smith

Roots Of Disunity A Study Of Canadian Political Culture:

In Search of Canadian Political Culture Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada *Political Culture and Constitutionalism: A Comparative Approach* Daniel P. Franklin, Michael J. Baun, 2016-09-16 This work is a cross national examination of the relationship between political culture and constitutionalism The countries studied include Nigeria Turkey and Japan Questions explored include whether constitutions must evolve and whether constitutionalism is only a western concept *The Roots of Disunity* David V. J. Bell, Lorne Tepperman, 1979 *Canada's Origins* Janet Ajzenstat, Peter J. Smith, 1995 Ajzenstat and Smith challenge the idea of Canada as a country whose liberal individualism unlike that of the United States is redeemed by a tradition of government intervention in economic and social life the so called tory touch This ground breaking book begins with the now classic article in which the red tory view was formulated It then presents a new and illuminating picture of Canadian political life in which liberal individualism confronts not toryism but the participatory tradition of civic republicanism In the final section the two editors one a liberal the other a civic republican debate the crucial questions dominating Canadian politics today including Quebec's search for recognition from the perspective of their shared understanding of Canada's founding **Neoliberalism and National Culture** Cory Blad, 2011-09-20 Neoliberal globalization is understood to have a corrosive effect on the state Reductions in economic regulatory capacities combined with an ideological attack on the public necessity of social spending has left many with the impression that the state is a weakened institution at best This book argues that despite popular claims to the contrary global capitalism requires state institutional authority but the legitimation of this authority is increasingly tied to cultural rather than economic means Canada and Quebec are presented in historical comparative context as examples of how neoliberal states achieve global political economic integration while relying on cultural legitimation to maintain social policies working to mitigate social changes resulting from increased global integration *National Dreams* Daniel Francis, 2002-07-01 As Canadians we remember the stories told to us in high school history class as condensed images of the past the glorious Mountie the fearsome Native the Last Spike National Dreams is an incisive study of the most persistent icons and stories in Canadian history and how they inform our sense of national identity the fundamental beliefs that we Canadians hold about ourselves National Dreams is the story of our stories the myths and truths of our collective past that we first learned in school and which we carry throughout our adult lives as tangible evidence of what separates us from other nationalities Francis examines various aspects of this national mythology in which history is as much storytelling

as fact Textbooks were an important resource for Francis For me these books are interesting not because they explain what actually happened to us but because they explain what we think happened to us For example Francis documents how the legend of the CPR as a country sustaining national affirming monolith was created by the company itself a group of capitalists celebrating the privately owned railway albeit one which was generously supported with public land and cash and reiterated by most historians ever since Similarly we learn how the Mounties were transformed from historical police force to mythic heroes by a vast army of autobiographers historians novelists and Hollywood filmmakers with little attention paid to the true role of the force in such incidents as the Bolshevik rebellion in which a secret conspiracy by the Government against its people was conducted through the RNWMP Also revealed in National Dreams are the stories surrounding the formation and celebration of Canadian heroes such as Louis Riel and Billy Bishop

Paradiplomacy in Action Francisco Aldecoa, Dr Michael Keating, 2013-10-23 Offering a general view of the development of subnational foreign action around the world this work covers topics such as the repercussions upon subnational autonomy of the progressive constitution of international regimes such as the EU NAFTA and APEC

The Politics of Resentment Philip Resnick, Institute for Research on Public Policy, 2000 An examination of the role that British Columbia has played in the evolving Canadian unity debate Philip Resnick explores what makes British Columbia stand apart as a region of Canada and looks at the views of politicians opinion makers and ordinary citizens on various issues

Subversive Itinerary Shannon Bell, Peter Keith Kulchyski, 2013-01-01 Subversive Itinerary investigates the theoretical evolution of the influential political theorist Gad Horowitz as well as the historical impact of his ideas on Canadian life and letters Bringing together dynamic new works by both established and emerging scholars along with three new articles by Horowitz himself this volume examines the concepts he developed and extends his approach beyond the current historical moment The book includes a history of Horowitz's engagements as a public intellectual through appraisals of his early mid and late career contributions from the sixties to the present day Along the way the contributors present innovative new work in Canadian political thought continental theory Jewish philosophy Buddhism and radical general semantics Subversive Itinerary demonstrates how Horowitz's itinerary delivers invaluable tools for understanding issues of critical importance today

Global Fissures Clara A. B. Joseph, Janet Wilson, 2006 Contains analyses of literary texts written by among others Chinua Achebe Samuel Beckett James Joyce Michael Ondaatje George Orwell Salman Rushdie and Edward Said

From Culture to Ethnicity to Conflict Jack David Eller, 2025-10-01 In the post Cold War era the most common and often the most violent conflicts are ethnic conflicts Many people including many scholars see ethnic conflicts as a return to the past as contests between ancient and well defined groups with long standing grievances and animosities Jack David Eller argues instead that these conflicts are a defining phenomenon of the new world order that they are in many ways modern day inventions based only loosely on traditional cultures and hostilities From Culture to Ethnicity to Conflict presents in depth case studies on Sri Lanka the Kurds Rwanda and Burundi Bosnia and

Quebec along with two theoretical introductory chapters that offer the reader the tools to understand the relationship between culture or tradition and contemporary ethnic conflicts Eller finds that ethnicity is not a simple instantiation of traditional culture nor is conflict a simple consequence of ethnicity Rather each is constructed out of certain raw cultural materials through a process of remembering forgetting interpreting and inventing Ultimately Eller demonstrates these groups are fighting not about culture but with culture No other book combines the level of analysis offered here with in depth case studies of several important examples It will appeal to anyone with an interest in understanding these conflicts It will be assigned reading for students and scholars of cultural diversity and ethnic conflict in anthropology history political science and peace and conflict studies Jack David Eller is Assistant Professor of Anthropology University of Colorado Denver Teikyo Loretto Heights University

Muslims in the Diaspora Rima Berns McGown, 1999-01-01 Explores the balancing act of living as a Muslim in the west It is a comparison of the Somali communities in London England and Toronto and is based on a series of in depth interviews with over 80 Somali women men and teenagers in those cities

Rivals for Power: Ottawa and the Provinces Ed Whitcomb, 2017-05-01 Rivals for Power Ottawa and the Provinces tells the story of the politicians who continually contend over the division of power and money between Ottawa and the provinces The heroes and villains of this story include many of the leading lights of Canadian history from John A Macdonald Wilfred Laurier and Maurice Duplessis to Pierre Trudeau Joe Clark Bill Davis Peter Lougheed and Jean Chretien The unique feature of this book is its focus no matter what their policies Canadian politicians over the years have engaged in an ongoing push and pull over power with both successes and failures As Whitcomb sees it the success of the provinces at preventing Ottawa from becoming the overwhelming power in Canadian life has been the key to the country's stability and its cultural cohesion But the failure of the provinces to achieve an equal measure of power and the growing gap between the have and have not provinces stands as an ongoing challenge and threat to the country's unity

Looking West Loleen Berdahl, Roger Gibbins, 2014-02-24 Although a history of protest politics has done so much to define western Canada and to place it outside the Canadian mainstream the aspirations and frustrations that animated western discontent over the years have been replaced by a new reality the West is in and many of the levers of national economic and political power rest in western Canadian hands The protest tradition has yielded a dynamic region that leads rather than reacts to national economic social and political change The westward shift of the Canadian economy and demography is likely to be an enduring structural change that reflects and is reinforced by the transformation of the continental and global economies At the same time western Canada faces major challenges including finding a place for a sustainable resource economy in a rapidly changing global environment establishing a full and modern partnership with Aboriginal peoples and creating urban environments that will attract and retain human capital None of these challenges are unique to the West but they all play out with great force and great immediacy in western Canada

Understanding Canadian Public Administration Gregory J. Inwood, 2025-03-07 Understanding Canadian Public

Administration introduces students to both the theory and the practice of public administration in Canada. It surveys the basic elements of the field in a historical context but with close attention to contemporary issues and developments to emphasize the real day to day impacts of public administration. The text provides an overview of the field in the context of democratic government including a comparison of the roles of the private and public sectors. The real world of government is examined with a focus on how theoretical ideas are translated into practice. This fifth edition features updates on topical issues and new developments in the field including the impact of the Covid 19 pandemic on governmental policy and action as well as new and updated sections on Aboriginal self government, human resources, accountability, financial management and intergovernmental administrative relations. *Understanding Canadian Public Administration* invites students to examine the issues of public administration from their own viewpoints and through their own experiences, bringing the field to life and making it immediately relevant to their current context.

Why Regions Matter: Small Worlds in Comparative Perspective Ailsa Henderson, 2014-06-11. Bringing together experts on regionalism and federalism, this collection explores the impact of legislative regions on parties and voters. It reflects on the 1980 publication of *Small Worlds* by David Elkins and Richard Simeon, which outlined how and why voters and policies differ across Canadian provinces. Using recent data, the essays in this collection provide a comparative re-examination of the impact of regions. The book explores attitude divergence in Canada and in the US, the role and impact of regional parties in Quebec, Scotland and Bavaria, the impact of multi-level governance on how citizens understand and discharge their duties, and the capacity of sub-state political systems to influence general political attitudes. The result is an empirical and analytical contribution to regionalism and federalism studies that demonstrates how and why regions matter. This book was published as a special issue of *Regional and Federal Studies*.

Canadian Politics James Bickerton, Alain-G. Gagnon, 2014-01-01. The sixth edition of *Canadian Politics* offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists. For this edition, the editors have organized the book into six parts. Part I examines Canadian citizenship and political identities, while Parts II and III deal with Canadian political institutions, including Aboriginal governments, and contain new chapters on the public service and Quebec. Parts IV and V shift the focus to the political process, discussing issues pertaining to culture and values, parties and elections, media groups, movements, gender and diversity. The chapters on Parliament, bureaucracy, political culture, political communications, social movements, and media are new to this edition. Finally, three chapters in the last section of the book analyze components of Canadian politics that have been gaining prominence during the last decade: the effects of globalization, the shifting ground of Canadian-American relations, and the place of Canada in the changing world order. Of the 21 chapters in this edition, 9 are new, and the remainder have been thoroughly revised and updated.

Celebrating Canada Mathew Hayday, Raymond B. Blake, 2017-01-06. Holidays are a key to helping us understand the transformation of national, regional, community, and ethnic identities. In *Celebrating Canada*, Matthew Hayday and Raymond

Blake situate Canada in an international context as they examine the history and evolution of our national and provincial holidays and annual celebrations The contributors to this volume examine such holidays as Dominion Day Victoria Day Quebec s F te Nationale and Canadian Thanksgiving among many others They also examine how Canadians celebrate the national days of other countries like the Fourth of July and how Dominion Day was observed in the United Kingdom Drawing heavily on primary source research and theories of nationalism identities and invented traditions the essays in this collection deepen our understanding of how these holidays have influenced the evolution of Canadian identities **Canadian Review of Studies in Nationalism** ,1999 **Canadian Politics, Sixth Edition** James Bickerton,Alain-G. Gagnon,2014-03-31 The sixth edition of Canadian Politics offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists For this edition the editors have organized the book into six parts Part I examines Canadian citizenship and political identities while Parts II and III deal with Canadian political institutions including Aboriginal governments and contain new chapters on the public service and Quebec Parts IV and V shift the focus to the political process discussing issues pertaining to culture and values parties and elections media groups movements gender and diversity The chapters on Parliament bureaucracy political culture political communications social movements and media are new to this edition Finally three chapters in the last section of the book analyze components of Canadian politics that have been gaining prominence during the last decade the effects of globalization the shifting ground of Canadian American relations and the place of Canada in the changing world order Of the 21 chapters in this edition 9 are new and the remainder have been thoroughly revised and updated

Yeah, reviewing a book **Roots Of Disunity A Study Of Canadian Political Culture** could increase your close contacts listings. This is just one of the solutions for you to be successful. As understood, finishing does not suggest that you have wonderful points.

Comprehending as skillfully as promise even more than additional will allow each success. next to, the broadcast as capably as perspicacity of this Roots Of Disunity A Study Of Canadian Political Culture can be taken as competently as picked to act.

Roots Of Disunity A Study Of Canadian Political Culture Introduction

Roots Of Disunity A Study Of Canadian Political Culture Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Roots Of Disunity A Study Of Canadian Political Culture Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Roots Of Disunity A Study Of Canadian Political Culture : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Roots Of Disunity A Study Of Canadian Political Culture : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Roots Of Disunity A Study Of Canadian Political Culture Offers a diverse range of free eBooks across various genres. Roots Of Disunity A Study Of Canadian Political Culture Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Roots Of Disunity A Study Of Canadian Political Culture Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Roots Of Disunity A Study Of Canadian Political Culture, especially related to Roots Of Disunity A Study Of Canadian Political Culture, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Roots Of Disunity A Study Of Canadian Political Culture, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Roots Of Disunity A Study Of Canadian Political Culture books or magazines might include. Look for these in online stores or libraries. Remember that while Roots Of Disunity A Study Of Canadian Political Culture, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Roots Of Disunity A Study Of Canadian Political Culture eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Roots Of Disunity A Study Of Canadian Political Culture full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Roots Of Disunity A Study Of Canadian Political Culture eBooks, including some popular titles.

FAQs About Roots Of Disunity A Study Of Canadian Political Culture Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Roots Of Disunity A Study Of Canadian Political Culture is one of the best book in our library for free trial. We provide copy of Roots Of Disunity A Study Of Canadian Political Culture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Roots Of Disunity A Study Of Canadian Political Culture. Where to download Roots Of Disunity A Study Of Canadian Political Culture online for free? Are you looking for Roots Of Disunity A Study Of Canadian Political Culture PDF? This is definitely going to save you time and cash in something you should think about.
