**The Gift** C. D'Angelo,2024-09-19 Toni Agosti is having a midlife crisis at age thirty five Unsurprising since she hasn t achieved her dream job of becoming a cellist in the Los Angeles Philharmonic and instead is trapped teaching music all day She s also barely surviving in her shaky marriage to former soulmate and new Mr Condescending uh Christian When she learns about her ancestor leaving Italy to reestablish his winery in early 1900s LA she longs to awaken the freedom filled family legacy and escape her rut There s just the tiny problem of no experience no startup money and convincing Christian there s more to life than one rigid plan With an already divided heart an LA Phil audition surfaces at the worst time Toni is lost and tired of restriction including hiding time spent with her closest friend David Christian must be wrong about

David wanting more than friendship right If Toni revives vineyard history instead of continuing as a cellist she risks losing her marriage and all she s ever known She must not only choose between careers but discover herself including true passion and love if she wants to survive     The Gift Trevor M. Chase,2011-10 What is it about The GIFT that makes it worth having and keeping handy for repeated reference What is it about this book that causes people to refuse to lend it out for fear that they might not get it back And what is it that inspires people to treat it like an heirloom not wanting their children to grow up without knowledge of its contents It has to be about what the book offers between its covers Very true so let s take a brief look at what s in store for those who are interested in making a sound investment towards something which many individuals out of Christ might consider to be a fantasy but would like to have their copy anyway and hold on to it because they too can benefit tremendously from it The Gift is based on a practical concept that ultimately becomes a cherished relationship lifestyle a concept that is so pregnant with marriage preservation content that those who become impregnated with this concept will make marriage attractive even to many of those who are turned off by it At the core of this concept is its ultimate destination the motivation that gives it life and sustained consistency In its Ultimate Destination the title of the book becomes relevant and becomes the life blood of the mutual commitment to adhere to the Gold Standard of caring for each other Then there is GIFT care Two hundred and seventy four recommendations for caring for your marriage or the one that you will some day have In this marriage enrichment book the Royal status of the born again individual is brought into focus and its place in marriage enrichment is laid out This chapter shows disrespect the door In dealing with the fact of one s royal status in Christ this author takes the reader to the core of the fascinating world of authentic Christian Identity and shows how it can and is supposed to impact marriage in the most positive ways Then there are the responsibilities of Royalty Here too we are treated to a plethora of potentially life transforming facts a transformation that elevates self concept to new highs and changes the fulfillment zip code of the marriage itself In this book the author also deals with the practicality of Royalty Have you ever wondered how your marriage would be affected if you were to see both yourself and your spouse through the eyes of God This author takes you there Don t miss it If you and your spouse are both born again of the Holy Spirit do you know that to treat each other any less than as Royalty is highly offensive to God You owe it to yourself your marriage and your spouse to get this book and see why this is so Watch your home prosper as you make good use of this information

World of the Gift Jacques T. Godbout,Alain C. Caille,1998-10-21 The anthropologist Marcel Mauss in his famous exploration of the gift in primitive and archaic societies showed that the essential aspect of the exchange of presents involved the establishment of a social tie that bound the parties together above and beyond any material value of the objects exchanged He argued that these intangible mutual debts constituted the social fabric Godbout and Caill show that contrary to the modern assumption that societies function on the basis of market exchange and the pursuit of self interest the gift still constitutes the foundation of our social fabric The authors describe the gift not as an object but as a social connection

perhaps the most important social connection because it creates a sense of obligation to respond in kind They examine the gift in a broad range of cases such as blood and organ donation volunteer work the bonds between friends couples and family Santa Claus the interaction between performers and their audience and the relation of the artist to society Written in an engaging manner *The World of the Gift* will appeal to anyone who is interested in how the world really operates

**Embracing the Gift of Parenthood** Elizabeth Marie Galloway-Evans,2009-04-08 This book concentrates on the relationship between parents and their children It brings to light what children are asking parents to be for them in their lives As parents we feel that we are the ones that have expectations and dreams for our children when in reality the expectations that children have of us are far more explicit and expansive than what we ask of them The funny thing about this is that if we meet their expectations of who it is that we need to be in their lives they will exceed our dreams of what we want for them in their lives

**Alxuvaiera - The gift of the Gods** Mauro Ticiati,2013-08-08 In the night three men landed on a beach on the run across the sea The journey will take them through Etruria and close to the gods in a world where a shadow moves to the domain of both worlds The stories of the gods are intertwined with those of men involving in events bigger than them So will cross both worlds through magic and infernal regions trying to oppose the kingdom of darkness

**The Gift of the Middle Tanana** Gerad M. Smith,2022-02-11 The Middle Tanana Valley in Alaska remains one of the most important regions of the continent for archaeological research In *The Gift of the Middle Tanana* Dene Pre Colonial History in the Alaskan Interior Gerad Smith explores the history ethnography and archaeological record of the Native people in this region during the late Holocene Smith creates an interpretive framework informed by Alaskan Native traditions focusing on traditional place names and the deep play rituals of reciprocity Smith sets forth the case that the local themes and oral traditions of the potlatch are better understood not as singular ceremonial events but as a mechanism of regional social cohesion that dictated everyday life *The Gift of the Middle Tanana* illustrates how the role of reciprocal deep play shaped a traditional society that has lasted over a thousand years

*The Gift of the Holy Spirit* Chuck Lamattina,2011-03-22 There is no available information at this time *The Gift of the Church* Peter C. Phan,2016-03-24 As the Church enters its third millennium it must take stock of its identity and mission These essays in *The Gift of the Church* address the fundamental issues confronting the Church in its immediate future Their authors represent the most prominent ecclesiologists of our time Written in honor of Patrick Granfield OSB these essays form a textbook for classes in ecclesiology They also are a useful tool for those engaged in various ministries in the Church to update themselves on the theology of different aspects of the Church The first section of essays discusses ecclesiology in its historical development as well as its methodology the second examines various aspects of the Church and the third part presents the life and work of Patrick Granfield The essays are clearly written and based on solid and extensive scholarship Ecclesiology has been the central theme of theological reflections since Vatican II and may continue to be in the next millennium This textbook fulfills in part

*The Gift* W. Lewis Hyde, 2019-09-24. If you want to write, paint, sing, compose, act, or make films, read *The Gift* from the Introduction by Margaret Atwood. A modern classic cherished by many of the greatest artists of our time and a brilliant life-changing defense of the value of creative labor. Drawing on examples from folklore and literature, history and tribal customs, economics, and modern copyright law, Lewis Hyde demonstrates how our society, governed by the marketplace, is poorly equipped to determine the worth of artists' work. He shows us that another way is possible: the alternative economy of the gift, which allows creations and ideas to circulate freely rather than hoarding them as commodities. Illuminating and transformative, *The Gift* is a triumph of originality and insight, an essential book for anyone who has ever given or received a work of art.

**A Modern Guide to Citizen's Basic Income** Malcolm Torry, 2020-06-26. Debate on the desirability, feasibility, and implementation of a Citizen's Basic Income, an unconditional, nonwithdrawable, and regular income for every individual, is increasingly widespread among academics, policymakers, and the general public. There are now numerous introductory books on the subject and others on particular aspects of it. This book provides something new. It studies the Citizen's Basic Income proposal from a variety of different disciplinary perspectives: the economics of Citizen's Basic Income

the sociology of Citizen s Basic Income the politics of Citizen s Basic Income and so on Each chapter discusses the academic discipline and relevant aspects of the debate and asks how the discipline enhances our understanding and how the Citizen s Basic Income debate might contribute to the academic discipline

**The Gift of Rain** Tan Twan Eng, 2009-05-05 In the tradition of celebrated wartime storytellers Somerset Maugham and Graham Greene Tan Twan Eng s debut novel casts a powerful spell The recipient of extraordinary acclaim from critics and the bookselling community Tan Twan Eng s debut novel casts a powerful spell and has garnered comparisons to celebrated wartime storytellers Somerset Maugham and Graham Greene Set during the tumult of World War II on the lush Malayan island of Penang The Gift of Rain tells a riveting and poignant tale about a young man caught in the tangle of wartime loyalties and deceptions In 1939 sixteen year old Philip Hutton the half Chinese half English youngest child of the head of one of Penang s great trading families feels alienated from both the Chinese and British communities He at last discovers a sense of belonging in his unexpected friendship with Hayato Endo a Japanese diplomat Philip proudly shows his new friend around his adored island and in return Endo teaches him about Japanese language and culture and trains him in the art and discipline of aikido But such knowledge comes at a terrible price When the Japanese savagely invade Malaya Philip realizes that his mentor and sensei to whom he owes absolute loyalty is a Japanese spy Young Philip has been an unwitting traitor and must now work in secret to save as many lives as possible even as his own family is brought to its knees
