Ralph Louis Ketcham, Ralph Ketcham

Rope Of Sand:

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious *Ariadne's Thread* William F. Hansen, 2002 Ariadne s Thread is a mini encyclopedia of more than a hundred such international oral tales all present in the literature of ancient Greece and Rome It takes into account writings including early Jewish and Christian literature recorded in or translated into Greek or Latin by writers of any nationality As a result this book will be invaluable not only to classicists and folklorists but also to a wide range of other readers who are interested in stories and storytelling **BOOK JACKET** **Adages** Desiderius Erasmus, 1982 **Rope of Sand** Charles Franklin, 1948 *A Rope of Sand* Elsie Burch Donald, 2004 A story of love friendship betrayal and incest Equally reminiscent of *The Age of Innocence* or *The Talented Mr Ripley* a chance encounter reveals the truth about a tragic accident years before *A Dictionary of the English Language* Samuel Johnson, 1805 *Types and Motifs of the Judeo-Spanish Folktales* Pbdirect Reginetta Haboucha, 2021-02-25 This monumental book first published in 1992 represents a major contribution to Sephardic and Hispanic studies as well as to comparative folklore scholarship in a worldwide perspective After many years of fieldwork and extensive archival investigations in Spain Israel and the United States the author has brought together and analysed a massive body of primary sources This is the first collection of Sephardic narratives offered to the English speaking reader and constitutes an important addition to the understanding of Sephardic cultural tradition **Works** Joanna Southcott, 1804 On the Prayers for the Fast Day, May 1804 Joanna Southcott, 1804 **Correspondence of Daniel O'Connell, the Liberator** Daniel O'Connell, 1888 **James Madison** Ralph Louis Ketcham, Ralph Ketcham, 1990 Utilizing the vast amount of source material made available in the last 30 years Professor Ketcham has captured the essential man in his times and in doing so has made him understandable for us in our own day Los Angeles Times *The Univercoelum and Spiritual*
