Rosa Lewis, an Exceptional Edwardian Anthony Masters, 1978 The story of the Edwardian woman cook upon whose life the PBS television mini series *The Duchess of Duke Street* was based

American Jennie: The Remarkable Life of Lady Randolph Churchill Anne Sebba, 2010-12-20 A frank account of the tempestuous life of the American mother of Britain's most important twentieth century politician Brooklyn born Jennie Jerome married into the British aristocracy in 1874 after a three day romance She became Lady Randolph Churchill wife of a maverick politician and mother of the most famous British statesman of the century Jennie Churchill was not merely the most talked about and controversial American woman in London society she was a dynamic behind the scenes political force and a woman of sexual fearlessness at a time when women were not supposed to be sexually liberated A concert pianist magazine founder and editor and playwright she was also above all a devoted mother to Winston In *American Jennie* Anne Sebba draws on newly discovered personal correspondences and archives to examine the unusually powerful mutual infatuation between Jennie and her son and to relate the passionate and ultimately tragic career of the woman whom Winston described as having the wine of life in her veins

Edwardian England: A Guide to Everyday Life, 1900-1914 Evangeline Holland, 2014-01-12 Second edition of *The Pocket Guide to Edwardian England* newly revised and expanded The Edwardian Era simplified organized and easy to reference Aimed towards writers of historical fiction though genealogists *Downton Abbey* fans and the curious alike will find this an excellent starting point for their own research Compiled from lectures and blog posts on *Edwardian Promenade* as well as 70% more original content *Edwardian England A Guide to Everyday Life 1900 1914* poses to give a entry level but thorough look at the time period made popular by *Downton Abbey* and *Mr Selfridge*

Shared Histories Virginia Dickinson Reynolds, Virginia Potter, 2011-08-15 A mother writes to her faraway daughter I keep all your letters Someday you might want to do something with them Those words foretold *Shared Histories* although neither woman would live to see the book This is the first known published collection of letters to include correspondence between civilian family members on both sides of the Atlantic during World War II Separated for most of their adult lives Virginia Dickinson Reynolds and her daughter Virginia Potter wrote to each other for nearly forty years This selection from their long exchange is filled with unguarded reflections on current events fashion food travel domestic life leisure and the upheaval of war Readers will also encounter various prominent English people and members of the aristocracy the American southern elite and such familiar names as Martha Graham Walt Disney and Ellen Glasgow Both women were born in Richmond Virginia and raised in privileged circumstances Virginia Dickinson Reynolds was the child of a Confederate Army officer and was also a distant cousin of poet Emily Dickinson Virginia Potter traveled widely until she married an English Army officer and settled in his country The women's intensely close bond shines through *Shared Histories* as from time to time do their class conscious Anglo Saxon sensibilities Sometimes poignant sometimes bristling always candid these letters portray private worlds of tradition

confronted with global change Share Trading, Fraud and the Crash of 1929 Chris Swinson,2019-04-02 This is a comprehensive biography of Clarence Charles Hatry 1888 1965 an enigmatic and charismatic public figure Hatry was the son of Jewish immigrant parents who became a company promoter and whose companies collapsed in 1929 leading to a crash on the London stock exchange He was brought down by a desperate fraud At his trial three months later the judge said that he could not imagine a worse crime Analysing transactions in detail the book reveals Hatry s brilliance as a manipulator and a world class networker and persuader It also demonstrates his vain belief in his ability to overcome any risks and his insecurity which led him to surround himself with sycophants who would not challenge his ideas It shows how others used Hatry to make money and as he destroyed himself as a scapegoat who distracted from the City s failings Despite his deepest ambitions he remained an outsider Until now there has been no full biography of Clarence Hatry which may be attributable to the lack of records as his business papers are believed all to have been destroyed This comprehensive biography is based on examination of the memoirs of Hatry s contemporaries the archives and records which they and their companies preserved and press reports of Hatry s activities Marking the 90th anniversary of Hatry s collapse this book will be important reading for academics and researchers looking to gain a greater understanding of the context of the 1929 crash or of financial crises generally

The Unfinished Palazzo: Life, Love and Art in Venice: The Stories of Luisa Casati, Doris Castlerosse and Peggy Guggenheim Judith Mackrell,2017-09-05 The story of Venice s Unfinished Palazzo told through the lives of three of its most unconventional passionate and fascinating residents Luisa Casati Doris Castlerosse and Peggy Guggenheim Commissioned in 1750 the Palazzo Venier was planned as a testimony to the power and wealth of a great Venetian family but the fortunes of the Veniers waned midconstruction and the project was abandoned Empty unfinished and decaying the building was considered an eyesore until the early twentieth century when it attracted and inspired three women at key moments in their lives Luisa Casati Doris Castlerosse and Peggy Guggenheim Luisa Casati turned her home into an aesthete s fantasy where she hosted parties as extravagant and decadent as Renaissance court operas spending small fortunes on her own costumes in her quest to become a living work of art and muse Doris Castlerosse strove to make her mark in London and Venice during the glamorous hedonistic interwar years hosting film stars and royalty at glittering parties In the postwar years Peggy Guggenheim turned the Palazzo into a model of modernist simplicity that served as a home for her exquisite collection of modern art that today draws tourists and art lovers from around the world Each vivid life story is accompanied by previously unseen materials from family archives weaving an intricate history of these legendary art world eccentrics

'Gilded Prostitution' Maureen E. Montgomery,2013-08-06 This book examines the marriages of British peers to American women within the context of the opening up of London and New York society and the growing competitiveness for high social status In London American women were often blamed for the growing hedonism and materialism of smart society and for poaching in the marriage market They were invariably described as frivolous vain and calculating a description which

points to the simmering anti American sentiment in Britain It was even suggested that titled Americans were having a detrimental effect on the British peerage because of their failure to produce male heirs A brilliant analysis of the reasons why American women were viewed pejoratively not only in terms of anti American feeling and the social transformation of the British upper class but also the threat of women who did not appear to conform to aristocratic notions of a peeress s duties as a wife and mother Originally published in 1989 this book has unique appendices listing details of peer marriages in this 1870 1914 period
