Makley,2006-01-09 William Sharon was one of the most colorful scoundrels in the nineteenth century mining West He epitomized the robber barons of the nation s Gilded Age and the political corruption and moral decay for which that period remains notorious yet he was also a visionary capitalist who controlled more than a dozen of the greatest mines on Nevada s mighty Comstock Lode built the Virginia the machinations of rampant Gilded Age capitalism and the sophisticated financial and technological infrastructure that supported Virginia City s boomtown economy The Infamous King of the Comstock offers a significant fresh perspective on Nevada and the mining West Wicked Women Chris Enss,2015-02-20 This collection of short action filled stories of the Old West s most egregiously badly behaved female outlaws gamblers soiled doves and other wicked women by award winning Western history author Chris Enss offers a glimpse into Western Women s experience that s less sunbonnets and more six shooters During the late nineteenth century while men were settling the new frontier and rushing off to the latest boom towns women of easy virtue found wicked lives west of the Mississippi when they followed fortune hunters seeking gold and land in an unsettled territory Prostitutes and female gamblers hoped to capitalize on the vices of the intrepid pioneers Pulling together stories of ladies caught in the acts of mayhem distraction murder and highway robbery it will include famous names like Belle Starr and Big Nose Kate as well as lesser known characters Big Bad Bodie: High Sierra Ghost Town Doug Brodie,James Watson,2001-03-01 The mid 19th century mining town of Bodie California located at 8 369 feet atop the Sierra Nevada Mountains just 3 1 2 miles from the Nevada border was considered one of the richest gold and silver mining towns in the west Geologists who know of its present rich ore deposits say it could have been again but since it became a California historic state park in 1962 that possibility was terminated The old town now the best preserved ghost town in the Nation is maintained in a state of arrested decay by the State of California meaning it will never be restored to its once rough and tough condition of the 1870s but it is prevented from further deterioration through a system of constant repair The public is encouraged to visit the old town and this book is a compilation of stories news items historic information and reports of its past some true some possibly true and some probably outright lies by citizens of the past and news reporters who wrote for the many old newspapers that described life as it was lived in the years immediately following the Civil War Authors Jim Watson photographer and Doug Brodie former newspaper reporter have obtained items heretofore never explained nor described in writings about the old town Their research has made this book a one of a kind publication **Wicked Virginia City** Peter B. Mires,2020-10-05 Perched on the side of a mountain in the Nevada desert Virginia City existed for one reason only to make money The mining frenzy of the mid nineteenth century uncovered veins of precious metals that would be expressed in billions today attracting the enterprising madam Cad Thompson the charismatic highwayman Nickanora and a plethora of swindlers Miners flush with their wages supported a healthy economy of gambling

Mires,2018-06-25 Carson City has the distinction of being one of the least populated state capitals in the nation but its contributions to Nevada s history are anything but diminutive Set against the backdrop of the Sierra Nevada Mountains it s a quintessential Wild West town The gold and silver riches of the nearby Comstock Lode left a legacy that includes the Carson City Mint one of only nine mints ever to exist in the United States and the Virginia Truckee Railroad which still snakes through the hills Residents once flocked to the Carson Opera House to take in a show and to the local racetrack to bet on the horses Author Peter B Mires explores the city s legacies brick by locally quarried sandstone brick *Boudoirs to Brothels* Michael Rutter,2015-10-05 From boudoirs to brothels historian Michael Rutter takes you into the intimate world of the Wild West s women of the night Eighteen richly researched biographies reveal the tricks and torments of the trade with fascinating sidebars on venereal diseases and dire cures children of prostitutes a floating brothel and hog ranches *The Historical Archaeology of Ghost Towns in the California- Nevada Borderlands* Donald Scott Crull,1993 *A Guidebook to Mining in America* John R. Park,2000 *"I Do!"* Cathy Luchetti,1996 The Westward Expansion Was A Time Of radical change in America The upheaval of moving west and beginning a new life from scratch was difficult for those who made the trip Except for love said Isabella Bird of Colorado in 1873 this is a wretched existence In spite of the rough conditions and frequent shortages of suitable partners in the West the pioneers met fell in love and married but were forced to adapt their courting to a frontier life The civilized comforts and proprieties of the East yielded to many new ways of finding a mate from personal ads to rental brides The West was not all wild however Religion still played a strong role in western life whether lovers were Mormon Catholic Baptist or Buddhist and the traditions of immigrants from Europe Asia and the Americas all helped to form courtship and marriage rituals on the frontier Through period photographs extracts from journals and letters and reminiscences Cathy Luchetti s subjects tell the true story of romantic life on the American frontier reminding us of what it was like to fall in love then and now I sat there in the dark waiting I had waited only a few minutes when I heard the longed for footsteps come to my gate I went to meet him and would have thrown my arms around him dust covered and dirty as he was but he would not allow it He caught me by the arms and with he on one side of the low fence and I on the other he delivered a tirade of accusations and abuse Then he put his hand on my face pressing gently and said Now old lady if you re going to marry me you ve got to say so right now and we ll get married and camp under a tree for I haven t a damn cent What d ya say I had been waiting all this time for the tirade to be over so I could say yes Now I said it Good God old lady Do you mean it And it didn t take him long to jump that low fence He didn t even stop to open the gate Then our arms went around each other in one long embrace Sarah Olds And so I told her girl that I would come the next Thursday and bring a horse bridle and saddle for her and she must be ready to go Her mother declared I shouldn t have her but I know d I should if somebody else didn t get her before Thursday David Crockett *Mark Twain* George Williams,1986 This is the account of Mark Twain s early
