

The book cover features a stylized illustration of a young girl with exceptionally long, flowing black hair. She is wearing a vibrant red robe with wide sleeves and is depicted in a graceful, seated or crouching pose. The background is a dark, moody landscape with a large, gnarled tree trunk on the right and a blue sky with green foliage visible on the left. The title and author information are enclosed in a rectangular frame on the right side of the cover.

Chinese Fairy Tales and Legends Frederick H. Martens, Richard Wilhelm, 2019-09-19 Fearless heroes feisty princesses sly magicians terrifying dragons talking foxes and miniature dogs They all feature in this enthralling compendium of Chinese fairy tales and legends along with an array of equally colourful characters and captivating plots Although largely unknown in the West the 70 plus stories in this volume are just as beguiling as the more familiar Grimms Fairy Tales or Arabian Nights They were collected in the early 20th century by Richard Wilhelm and first translated into English by Frederick H Martens This beautifully produced revised and edited new edition includes updated notes which not only provide background on the

tales but also offer a fascinating insight into ancient Chinese folk lore and culture These are stories to return to time and time again From awesome adventures to quirky allegories from the exploits of the gods to fables about beggars who outwit their betters Chinese Fairy Tales and Legends is extraordinarily diverse and endlessly engaging These wonderful stories have enduring and universal appeal and will intrigue both children and adults **Animated Encounters** Daisy Yan

Du,2019-02-28 China's role in the history of world animation has been trivialized or largely forgotten In *Animated Encounters* Daisy Yan Du addresses this omission in her study of Chinese animation and its engagement with international forces during its formative period the 1940s 1970s She introduces readers to transnational movements in early Chinese animation tracing the involvement of Japanese Soviet American Taiwanese and China's ethnic minorities at socio historical or representational levels in animated filmmaking in China Du argues that Chinese animation was international almost from its inception and that such border crossing exchanges helped make it Chinese and subsequently transform the history of world animation She highlights animated encounters and entanglements to provide an alternative to current studies of the subject characterized by a preoccupation with essentialist ideas of Chineseness and further questions the long held belief that the forty year period in question was a time of cultural isolationism for China due to constant wars and revolutions China's socialist era known for the pervasiveness of its political propaganda and suppression of the arts unexpectedly witnessed a golden age of animation Socialist collectivism reinforced by totalitarian politics and centralized state control allowed Chinese animation to prosper and flourish artistically In addition the double marginality of animation a minor art form for children coupled with its disarming qualities and intrinsic malleability and mobility granted animators and producers the double power to play with politics and transgress ideological and geographical borders while surviving censorship both at home and abroad A captivating and enlightening history *Animated Encounters* will attract scholars and students of world film and animation studies children's culture and modern Chinese history *The Horn Book Guide to Children's and Young Adult Books* ,1995
