Long Life Honey In The Heart:

Long Life, Honey in the Heart Martín Prechtel, 2004-10-20 Martín Prechtel continues the narrative of his unique life in Santiago Atitlán in *Long Life Honey in the Heart* an eloquent memoir replete with the subtle intelligence and sophistication of Mayan culture. Set against the dramatic backdrop of Guatemala's political upheaval in the 1980s this heady mix of magic humor and spirituality immerses the reader in the experiences of Mayan birth courting marriage childrearing old age death and beyond using the true story of Prechtel's own family and friends. [The Seat of Consciousness in Ancient Literature](#)

Richard E. Lind, 2015-01-09 For early civilizations consciousness and the sense of self were experienced as located in the center of the body most often near to or within the physical heart. Enlightenment was understood as the illumination of a transformed spiritual heart. Thus the mind of the body as a whole was represented by the heart/soul. In contrast modern culture places consciousness within the brain resulting in a mind/body dualism. This separation of mind and body has recently been emphasized as characteristic of the psychopathologies of the modern self. This volume explores the understanding and experience of consciousness in the earliest civilizations before about 500 BCE. Beginning with a description of ancient Western and Eastern heart consciousness the psychological and spiritual manifestations of the ancient mature heart/soul are summarized. Ancestor worship lineage identity primitive consciousness and the ways in which the external world was mirrored by the inner world provide additional clues about the experience of heart consciousness. Finally the work addresses the fundamental changes in the experience of consciousness that led to the mind/body dualism of today. 2012 Robert Roskind, 2008-02

Reviving Our Indigenous Souls Cathie G. Stivers, 2018-01-26 Indigenous is neither a culture nor a people. It's a way. The indigenous way is the embodied ancient memory of how to be fully human and it's encoded in your soul no matter who your ancestors are. Hidden deep and dormant within your indigenous soul is your identity and your life's purpose longing for you to remember them and put them into action. *Reviving Our Indigenous Souls: How to Practice the Ancient to Bring in the New* can help you do both as you learn the origin meaning and application of 31 common verbs that collectively capture what it means to be fully human. Visualize via illustrated appendices the interplay of the physical and spiritual aspects of your indigenous soul at work. Discover how ancient wisdom and timeless practices have already defined and shaped you and will forever do so. Follow the cues for reflection to discern the meaning that each chapter brings to your own life and engage in recommended practices to achieve success in reviving your own indigenous soul. At this unprecedented time in planetary and cosmic history you are needed. You are whole and sufficient, gifted and powerful. You are enough and you are called to go out into the world and be enough. Let *Reviving Our Indigenous Souls* remind you of the former and guide you through the latter.

Textual Mothers/Maternal Texts Elizabeth Podnieks, Andrea O'Reilly, 2011-04-07 *Textual Mothers/Maternal Texts* focuses on mothers as subjects and as writers who produce autobiography fiction and poetry about maternity. International contributors examine the mother without child with child and in

her multiple identities as grandmother mother and daughter The collection examines how authors use textual spaces to accept negotiate resist or challenge traditional conceptions of mothering and maternal roles and how these texts offer alternative practices and visions for mothers Further it illuminates how textual representations both reflect and help to define or re shape the realities of women and families by examining how mothering and being a mother are political personal and creative narratives unfolding within both the pages of a book and the spaces of a life The range of chapters maps a shift from the daughter centric stories that have dominated the maternal tradition to the matrilineal and matrifocal perspectives that have emerged over the last few decades as the mother s voice moved from silence to speech Contributors make aesthetic cultural and political claims and critiques about mothering and motherhood illuminating in new and diverse ways how authors and the protagonists of the texts read their own maternal identities as well as the maternal scripts of their families cultures and nations in their quest for self knowledge agency and artistic expression

Passwords to Paradise Nicholas Ostler, 2016-02-23 In the beginning was the Word and the Word was with God and the Word was God So opens the Gospel of John an ancient text translated into almost every language at once a compelling and beguiling metaphor for the Christian story of the Beginning To further complicate matters the words we read now are in any number of languages that would have been unknown or unrecognizable at the time of their composition The gospel may have been originally dictated or written in Aramaic but our only written source for the story is in Greek Today as your average American reader of the New Testament picks up his or her Bible off the shelf the phrase as it appears has been translated from various linguistic intermediaries before its current manifestation in modern English How to understand these words then when so many other translators languages and cultures have exercised some level of influence on them Christian tradition is not unique in facing this problem All religions if they have global aspirations have to change in order to spread their influence and often language has been the most powerful agent thereof Passwords to Paradise explores the effects that language difference and language conversion have wrought on the world's great faiths spanning more than two thousand years It is an original and intriguing perspective on the history of religion by a master linguistic historian
