Long Long Song:

Music of the First World War Don Tyler, 2016-03-21 This book discusses WWI era music in a historical context explaining music s importance at home and abroad during WWI as well as examining what music was being sung played and danced to during the years prior to America's involvement in the Great War Why was music so important to soldiers abroad during World War I What role did music ranging from classical to theater music rags and early jazz play on the American homefront Music of the First World War explores the tremendous importance of music during the years of the Great War when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images The book s chapters cover music s contribution to the war effort the variety of war related songs popular hits and top recording artists of the war years the music of Broadway shows and other theater productions and important composers and lyricists The author also explores the development of the fledgling recording industry at this time Hugo Wolf and his Mörike Songs Susan Youens, 2000-06-22 Viennese composer Hugo Wolf produced one of the most important song collections of the nineteenth century when he set to music fifty three poems by the great German poet Eduard M rike Susan Youens reappraises this singular collaboration to shed new light on the sophisticated interplay between poetry and music in the songs Wolf is customarily described as the Poet's Composer someone who revered poetry and served it faithfully in his music Yet as Youens reveals this clich overlooks the rich terrain in which his songs are often at cross purposes with his chosen poetry Although Wolf did much to draw the world's attention to the neglected Swabian poet his musical interpretation of the poetry was also influenced by his own life psychology and experiences This book examines selected M rike songs in detail demonstrating that the poems and music each have their own distinctive stories which at times intersect but also diverge The Halcyon song-book ,1909 The Golden Book of Favorite Songs, 1985-03 An entirely different collection from The Gray Book of Favorite Songs this 21st edition is the newest in a long lived popular book since 1915 Truly A Treasury of the Best Songs of Our People Includes the Gettysburg Address and histories of the best loved patriotic songs of America The Real Mother Goose Blanche Fisher Wright, 2018-01-01 Little Bo Peep has lost her sheep And can t tell where to find them Leave them alone and they ll come home And bring their tails behind them **Ethical Songs** Union of Ethical Societies (London), Stanton Coit, 1898 Crime of the Century: Classic Rock and True Crime Angie Moon, 2024-03-28 Crime of the Century is a comprehensive book about classic rock s connections to true crime cases with over twenty true stories of classic rock musicians and their encounters with murderers and musicians who committed murders Inside the book you ll find the most famous stories like how The Beach Boys met Charles Manson and how Phil Spector went from legendary producer to convicted murderer There are stories of how classic rockers encountered some of the most notorious serial killers like The Kinks meeting John Wayne Gacy on their 1965 American tour and Debbie Harry allegedly getting into Ted Bundy's car in the early 70s You ll see how the
