## **Long Quiet Highway:**

Long Quiet Highway Natalie Goldberg, 1994-02-01 The author of *Writing Down the Bones* recounts her journey awakening from the profound sleep of a suburban childhood describing her fifteen years as a student of Zen Buddhism her writing and resistance to change     On Desire William Braxton Irvine, 2006 Irvine looks at what modern science can tell about desire what happens in the brain when one desires something and how animals evolved particular desires He suggests that people who can convince themselves to want what they already have dramatically enhance their happiness     **Calling in Today's World** Cahalan & Schuurman, 2016 The concept of vocation or calling is a distinctively Christian concern grounded in the long held belief that we find our meaning purpose and fulfillment in God But what about religions other than Christianity What does it mean for someone from another faith tradition to understand calling or vocation In this book contributors with expertise in Catholic and Protestant Christianity Judaism Islam Hinduism Buddhism Confucianism and Daoism and secular humanism explore the idea of calling from these eight faith perspectives from back of book

**Autoethnography as Method** Heewon Chang, 2016-07 This methods book will guide the reader through the process of conducting and producing an autoethnographic study through the understanding of self other and culture Readers will be encouraged to follow hands on though not prescriptive steps in data collection analysis and interpretation with self reflective prewriting exercises and self narrative writing exercises to produce their own autoethnographic work Chang offers a variety of techniques for gathering data on the self from diaries to culture grams to interviews with others and shows how to transform this information into a study that looks for the connection with others present in a diverse world She shows how the autoethnographic process promotes self reflection understanding of multicultural others qualitative inquiry and narrative writing Samples of published autoethnographies provide exemplars for the novice researcher to follow     *The Road Within* James O'Reilly, Sean O'Reilly, Tim O'Reilly, 2011-12-27 The Road Within is a book of transformation of lessons learned maps drawn and burned and spiritual blessings bestowed by that great and hard teacher travel Learn what mystics and saints have always known that wondrous things await people who are in touch with themselves with the world and with God Authors featured in this very different kind of travel book include Annie Dillard Huston Smith Natalie Goldberg Andrew Harvey Barry Lopez and Bill Buford     **Nature and the Human Soul** Bill Plotkin, 2010-10-04 Addressing the pervasive longing for meaning and fulfillment in this time of crisis *Nature and the Human Soul* introduces a visionary ecopsychology of human development that reveals how fully and creatively we can mature when soul and wild nature guide us Depth psychologist and wilderness guide Bill Plotkin presents a model for a human life span rooted in the cycles and qualities of the natural world a blueprint for individual development that ultimately yields a strategy for cultural transformation If it is true as Plotkin and others observe that we live in a culture dominated by adolescent habits and desires then the enduring societal changes we so desperately need won't happen until we individually and collectively evolve into an engaged authentic adulthood With

evocative language and personal stories including those of elders Thomas Berry and Joanna Macy this book defines eight stages of human life Innocent Explorer Thespian Wanderer Soul Apprentice Artisan Master and Sage and describes the challenges and benefits of each Plotkin offers a way of progressing from our current egocentric aggressively competitive consumer society to an ecocentric soul based one that is sustainable cooperative and compassionate At once a primer on human development and a manifesto for change Nature and the Human Soul fashions a template for a more mature fulfilling and purposeful life and a better world      *Paddling Northern Wisconsin* Mike Svob,2012-01-26 Whether you want to paddle gently through a stretch of cool pines meander through marshland or navigate raging rapids Paddling Northern Wisconsin will help you find the appropriate river Every type of canoeing and kayaking opportunity is represented quietwater whitewater intimate streams and wide powerful rivers Intended for novice intermediate and advanced paddlers alike this book is especially for those who love nature and scenic beauty and wish to see it preserved You ll find Precise maps showing roads put ins and take outs significant rapids mileage and other information Detailed description for each trip so you have a good idea of what you will see along the way General summaries covering camping opportunities water levels shuttle routes access points canoe rentals and or shuttle services when available References to additional sources of information regarding fishing opportunities river reading and maneuvers and special safety factors      **Yoga Journal** ,1995-03 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty      **Commemorative Biographical Record of the Counties of Harrison and Carroll, Ohio, Containing Biographical Sketches of Prominent and Representative Citizens, and of Many of the Early Settled Families** ,1891      **Far to Go** Alison Pick,2011-04-19 The Man Booker Prize finalist Far to Go by acclaimed author Alison Pick is historical fiction at its very best When Czechoslovakia relinquishes the Sudetenland to Hitler the powerful influence of Nazi propaganda sweeps through towns and villages like a sinister vanguard of the Reich s advancing army A fiercely patriotic secular Jew Pavel Bauer is helpless to prevent his world from unraveling as first his government then his business partners then his neighbors turn their back on his affluent once beloved family Only the Bauers adoring governess Marta sticks by Pavel his wife Anneliese and their little son Pepik bound by her deep affection for her employers and friends But when Marta learns of their impending betrayal at the hands of her lover Ernst Pavel s best friend she is paralyzed by her own fear of discovery even as the endangered family for whom she cares so deeply struggles with the most difficult decision of their lives Interwoven with a present day narrative that gradually reveals the fate of the Bauer family during and after the war Far to Go is a riveting family epic love story and psychological drama      *30 Essential Skills for the Qualitative Researcher* John W. Creswell,Johanna Creswell Báez,2020-08-06 The Second Edition of 30 Essential Skills for the Qualitative

Researcher provides practical applied information for the novice qualitative researcher addressing the how of conducting qualitative research in one brief guide Author John W Creswell and new co author Johanna Creswell B ez draw on many examples from their own research experiences sharing them throughout the book The 30 listed skills are competencies that can help qualitative researchers conduct more thorough more rigorous and more efficient qualitative studies Innovative chapters on thinking like a qualitative research and engaging with the emotional side of doing qualitative research go beyond the topics of a traditional research methods text and offer crucial support for qualitative practitioners By starting with a strong foundation of a skills based approach to qualitative research readers can continue to develop their skills over the course of a career in research This revised edition updates skills to follow the research process using new research from a wide variety of disciplines like social work and sociology as examples Chapters on research designs now tie back explicitly to the five approaches to qualitative research so readers can better integrate their new skills into these designs Additional figures and tables help readers better visualize data collection through focus groups and interviews and better organize and implement validity checks The new edition provides further examples on how to incorporate reflexivity into a study illuminating a challenging aspect of qualitative research Information on writing habits now addresses co authorship and provides more context and variation from the two authors
