Long-range Patrol Operations James Warren England, 1987-01-01. Soul Patrol Ed Emanuel, 2007-12-18. LRRPs had to be the best. Anything less meant certain death. When Ed Emanuel was handpicked for the first African American special operations LRRP team in Vietnam he knew his six man team couldn't have asked for a tougher proving ground than Cu Chi in the summer of 1968. Home to the largest Viet Cong tunnel complex in Vietnam Cu Chi was the deadly heart of the enemy's stronghold in Tay Ninh Province. Team 2-6 of Company F 51st Infantry was quickly dubbed the Soul Patrol a gimmicky label that belied the true depth of their courage. Stark and compelling Emanuel's account provides an unforgettable look at the horror and the heroism that became the daily fare of LRRPs in Vietnam. Every mission was a tightrope walk between life and death as Emanuel's team penetrated NVA bases sidestepped lethal booby traps or found themselves ambushed and forced to fight their way back to the LZ to survive. Emanuel's gripping memoir is an enduring testament to the valor of all American LRRPs who courageously risked their lives so that others might be free. *Shadow Warriors* Mir Bahmanyar, 2011-09-20. No American military unit can claim as colorful and volatile a history as the Rangers who have led the way in America's wars for well over 300 years. This book traces the Rangers from the time of Robert Rogers during the French Indian War of the 18th century to the most recent combat operations in Iraq. With a focus on today's Army Rangers who combine the rugged individualism of American frontiersmen with the finely honed ability to operate as a close knit team wreaking havoc behind enemy lines this fascinating volume incorporates many first hand accounts of dramatic Ranger actions by the combatants themselves. **Combat Training of the Individual Soldier and Patrolling** United States. Siverling, 2017-01-09. As described by Reverend J Lowell Harrup pastor of Northland Cathedral Kansas City Missouri. This book focuses on army rangers in particular the Fourth Infantry Divisions LRRPs or the rangers of the Seventy Fifth Regiment the official as well as the spiritual successor to the fabled Merrills Marauders the long range deep penetration units of World War II. Their stories need to be told not for individual aggrandizement though they certainly earned that but so their history.

will be more than a political polemic The Vietnam conflict was terrible but our troops carried on the tradition of our military from the beginning of this nation I have come to know many of them including a number of highly decorated heroes of that conflict Among those I put in that category is Reuben Siverling a close friend and Christian brother whose story is in this book These stories are not enhanced they need no enhancement They are in fact the attempt to reduce in words the experiences that were lived in units of time distorted by the surreality of war extreme environments separation from families and constant death and dying all around The complete story of each cannot be told books are not big enough But these are told so that history will stand unrevised      **Department of the Army Pamphlet ,1965      FLIGHT, CAMERA, ACTION!**

**The History of U.S. Naval Aviation Photography and Photo-Reconnaissance** Douglas E.
