

LOOK AFTER YOUR BACK

Most of us will have back pain at some time in our lives.

Back pain is often caused by everyday activities.

Most back pain can be avoided.

Look After Your Back

Hugh Grantham

Look After Your Back:

Don't Look Back! Vanessa Grossett, 2010 So you say that you're a Christian But what happens when things don't go according to plan What happens when you pray and don't get the answer you want Is your faith strong enough to pull you through or will you falter questioning your beliefs and the God you claim to trust It is estimated that 90 percent of Christians backslide giving into their sinful nature and allowing the devil to regain control As a result many of them end up worse than they were before they came to know Christ Don't Look Back The Harmful Consequences of Backsliding explores the dangers of turning your back on God Author Vanessa Grossett tells the story of Esther a pastor successful businesswoman and faithful Christian But when God commands her to wait on an answer to prayer Esther's patience runs out leading her down a path of unrepentance and destruction Through this illustration and other biblically based teaching readers will learn how a Christian can spot the signs of backsliding why a Christian might backslide how God deals with backsliding

Trial by Farce Jody Enders,2023-03-06 Was there more to comedy than Chaucer the Second Shepherds Play or Shakespeare Of course But for a real taste of medieval and Renaissance humor and in your face slapstick one must cross the Channel to France where over two hundred extant farces regularly dazzled crowds with blistering satires Dwarfing all other contemporaneous theatrical repertoires the boisterous French corpus is populated by lawyers lawyers everywhere No surprise there The lion s share of mostly anonymous farces was written by barristers law students and legal apprentices Famous for skewering unjust judges and irreligious ecclesiastics they belonged to a 10 000 member legal society known as the Basoche which flourished between 1450 and 1550 What is more their dramatic send ups of real and fictional court cases were still going strong on the eve of Moli re resilient against those who sought to censor and repress them The suspenseful wait to see justice done has always made for high drama or in this case low drama But for centuries the scripts for these outrageous shows were

available only in French editions gathered from scattered print and manuscript sources In Trial by Farce prize winning theater historian Jody Enders brings twelve of the funniest legal farces to English speaking audiences in a refreshingly uncensored but philologically faithful vernacular Newly conceived as much for scholars as for students and theater practitioners this repertoire and its familiar stock characters come vividly to life as they struggle to negotiate the limits of power politics class gender and above all justice Through the distinctive blend of wit social critique and breathless boisterousness that is farce we gain a new understanding of comedy itself as form of political correction In ways presciently modern and even postmodern farce paints a different cultural picture of the notoriously authoritarian Middle Ages with its own vision of liberty and justice for all Theater eternally offers ways for new generations to raise their voices and act
