*Adventures in Solitude* Grant Lawrence, 2015-06-15 From Captain George Vancouver to Muriel Curve of Time Blanchet to Jim Spilsbury's Coast Spilsbury visitors to Desolation Sound have left behind a trail of books endowing the area with a romantic aura that helps to make it British Columbia's most popular marine park In this hilarious and captivating book CBC personality Grant Lawrence adds a whole new chapter to the saga of this storied piece of BC coastline Young Grant's father bought a piece of land next to the park in the 1970s just in time to encounter the gun-toting cougar lady left over hippies outlaw bikers and an assortment of other characters In those years Desolation Sound was a place where going to the neighbours potluck meant being met with hugs from portly naked hippies and where Russell the Hermit's school of life boating fishing and rock n roll was Grant's personal Enlightenment an influence that would take him away from the coast to a life of music and journalism and eventually back again With rock band buddies and a few cases of beer in tow an older cooler Grant returns to regale us with tales of going bush the tempting dilemma of finding an unguarded grow op and his awkward struggle to convince a couple of visiting kayakers that he's a legit CBC radio host while sporting a wild beard and body wounds and gesticulating with a machete With plenty of laugh out loud humour and inspired reverence *Adventures*

in Solitude delights us with the unique history of a place and the growth of a young man amidst the magic of Desolation Sound

Ethics of Description Matt Reeck, 2023-09-29 Ethics of Description The Anthropological Dispositif and French Modern Travel Writing follows the development of a minor tradition in French literature where metropolitan authors traveling abroad demonstrate their awareness of the ethical conundrums of representing world peoples During the colonial modern era currents of anthropological thought and representational practice are identifiable throughout society and across literature the arts and the sciences Collectively they can be theorized as belonging to a dispositif the anthropological dispositif The modernization of anthropology serves as an ambivalent interlocutor for the realizations of the writers studied in this book about the difficulties of describing cultural realities that lie largely outside their ken Anthropology motivates new literary representational strategies that are alternatively in keeping with scientific mandates or operate against them Forty images are analyzed alongside literary works A postcolonial chapter shows how the ethical awareness of the colonial modern authors studied have impacted minority self representation in contemporary France

**Through Magic and Mayhem: The Adventures of Eka and Christelle: Book One** S.D. Pixley,2021-10-15 Two women discover friendship adventure and danger in a hidden world full of lost memories and magic Eka stays in motion since losing her family running from one adrenaline rush to the next and away from any connection Christelle loves her close knit family but longs to spread her wings and explore the world away from their protectiveness When an accident leaves Eka at Christelle s doorstep memories of magic hidden within our everyday world come flooding back to both of them As they find themselves awakened to this new world they also find that no one around them is aware of anything unusual leaving them to navigate this reality together At first they seem unable to work with each other Christelle is skeptical and cautious while Eka is ready to dive in blind folded But somehow as they stumble through each new aspect of the magic Eka finds herself trusting someone for the first time while Christelle begins to find a strength outside her family And as their friendship grows unique magical abilities grow within them But soon a dangerous and destructive force connected to their lost past returns destroying people around them and dredging up the darkest moments of their lives When this force takes a personal interest in the two both women will need to draw on their wits and fledgling magic if they have any chance of stopping it But will their new abilities be strong enough when that moment arrives Or will their newly discovered fears from the past cause them to fall back on old ways and destroy the friendship they ll need to save themselves and everyone they love If you enjoy light hearted fantasy adventures with plenty of action and strong friendships you ll love the Adventures of Eka and Christelle

*Photography and Its Violations* John Roberts,2014-09-30 Theorists critique photography for objectifying its subjects and manipulating appearance for the sake of art In this bold counterargument John Roberts recasts photography s violating powers and aesthetic technique as part of a complex social ontology that exposes the hierarchies divisions and exclusions behind appearances Photography must arrive unannounced and get in the way of the world Roberts argues committing to the truth claims of the spectator over the self interests and sensitivities of the subject Yet even though the violating capacity of the photograph results from external power relations the photographer is still faced with an ethical choice whether to advance photography s truth claims on the basis of these powers

or to diminish or veil these powers to protect the integrity of the subject Photography's acts of intrusion and destabilization constantly test the photographer at the point of production in the darkroom and at the computer especially in our 24 hour digital image culture Roberts's refunctioning of photography's place in the world is therefore critically game changing as it politically and theoretically restores the reputation of the art

**A Strange Companion** Lisa Manterfield, 2017-04-04 Kat Richardson isn't running away from grief she's just hiding out in a gloomy Welsh university town until she's sure it's gone Now one year nine months and 27 days after the climbing death of her first love Gabe she thinks she's ready to venture out into the relationship world again And Owen a cake baking Super Ball making chemistry student appears to be a kind funny and very attractive option But the arrival of Kat's newly adopted niece Mai forces her home to northern England where she runs headfirst into all the memories of Gabe she's tried to leave behind and discovers that Mai stirs up an unnerving feeling of déjà vu Before long Kat's logical scientific beliefs about life after death are in battle with what she feels to be true that reincarnation is real and Gabe has come back to her through Mai The question now is why Taking on the topics of love loss and how we deal with grief **A Strange Companion** is a twisted love triangle among the living the dead and the reincarnated

**The True Adventures of the Rolling Stones** Stanley Booth, Greil Marcus, 2014-10-01 Stanley Booth a member of the Rolling Stones inner circle met the band just a few months before Brian Jones drowned in a swimming pool in 1968 He lived with them throughout their 1969 tour across the United States staying up all night together listening to blues talking about music ingesting drugs and consorting with groupies His thrilling account culminates with their final concert at Altamont Speedway a nightmare of beating stabbing and killing that would signal the end of a generation's dreams of peace and freedom But while this book renders in fine detail the entire history of the Stones paying special attention to the tragedy of Brian Jones it is about much more than a writer and a rock band It has been called by Harold Brodkey and Robert Stone among others the best book ever written about the 1960s In Booth's afterword he finally explains why it took him 15 years to write the book relating an astonishing story of drugs jails and disasters Updated to include a foreword by Greil Marcus this 30th anniversary edition is for Rolling Stones fans everywhere
