To Understand the Bible Look for Jesus Norman L. Geisler, 2002-09-10 Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture Christ is the tie between the Testaments the content of the canon and the unifying theme within each book of the Bible This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible's central theme It encompasses far more than a study of types and the Old Testament prophecies Each chapter takes seriously the affirmation of Jesus Everything written about me in the law of Moses and the prophets and the psalms must be

fulfilled Luke 24 44 Related to Geisler's central thrust that Christ is the clue to the whole Bible is the clear assertion concerning the inspiration of Scripture and the deity of Christ Chapter topics include 1 Christ Is the Key to the Bible 2 Christ in the Old Testament 3 Christ in Both Testaments 4 Christ in Every Section of the Bible 5 Christ in Each Book of the Bible 6 The Word of God Personal and Propositional Also included are a bibliography subject index and Scripture index **Take a Closer Look for Teens** Jonathan Rogers, 2007-07-31 What does the Bible have to say to you today Take a closer look Once upon a time in the twenty first century to be exact a daring group of teenagers like you became serious about seeking the Truth and living it Some had been taught the Bible since they were young and others had never before opened the Word of God What they had in common was a desire to draw nearer to the Lord of heaven and earth Take a Closer Look for Teens was created for young people who see faith as more than a fairy tale They see it as a reality that can change their hearts and their world So open your eyes See all God has in store for you Let's Look Forward Simon Bennett, 2021-10-21 As a student at Bristol University I became aware of two things The first was my own brokenness and complete inability to fix myself The second was similarly the brokenness of the world and its inability to fix itself Both needed redemption and both needed a saviour Both were in denial if they thought they could muddle through without one I was fortunate enough to meet Christians who could explain to me both God's plan for my redemption through the cross and His plan for the redemption of the world through the Second Coming Both of these theologies amazed me Firstly that God should know my deep need and provide the exact remedy through His unconditional love on the cross Secondly that He should recognise the brokenness of the world and teach us the detail of how its redemption would occur This refreshing and revealing study takes you on a timely scriptural tour of the major landmarks that precede the Second Coming of Jesus Christ *Looking Backward, Looking Forward* Stephen J.
