[The Way You Look Tonight: Seattle Sullivans 1 \(Contemporary Romance\)](#) Bella Andre, 2014-01-01

The Way You Look Tonight is the best book I've read in a long time. Wonderful characters, hot love scenes and lots of heart. 5 stars.

As a successful private investigator who has caught most of the cheaters in Seattle with their pants down, Rafe Sullivan believes true lasting love only happens once in a blue moon. Needing to get away from the city to clear his head, he finds the lake house where he spent the best summers of his life is now a wreck, but the sweet girl next door is all grown up and prettier than anything he's ever seen. While Brooke Jansen is happy making and selling chocolate truffles in her small Pacific Northwest lake town, she secretly longs to experience something wild. So when her favorite Wild Sullivan moves in again next door after more than a decade away and sparks fly between them, she can't stop wondering if being bad is really as good as it always seemed and just how long it will be before she can find out. But when their summer fling quickly spirals into deeper emotions than either of them were expecting, can they survive the heat between them? Or will Rafe make the biggest mistake of his life and end up losing the best thing that's ever happened to him?

THE WAY YOU LOOK TONIGHT is part of Bella Andre's USA Today and New York Times #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books too. Some love stories are just so special. The Way You Look Tonight is one of the very best. I absolutely loved this stunning story and highly recommend it. A wonderful sizzling tale of love. Bella Andre has done it again. Bella Andre knows love, every nuance, feel, spice and ingredient that makes up that illusive emotion. And she describes the physical, passionate part of it with reckless abandon and heart-clashing adoration and thunder. Another amazing book by Bella Andre. The Way You Look Tonight is a beautiful love story that checks all the boxes for the true romantic. This story was everything a romance novel should be. It was awesome. Well-written storyline with believable characters that you can enjoy and root for. The Way You Look Tonight restored my liking of romance novels again. Highly recommend it. I love Bella Andre's Sullivans. I have read them all multiple times and I can't say enough how happy I am that there is a whole new branch of stories. If you love romance as much I do, you'll love this book.
