man a cocaine addicted famous rapper and a psycho maniac stalker Yes you read right I know that there are other women out there who can relate because they may have experienced at least one of these situations It is very rare and next to impossible to find a woman who has gone through all three situations but I did This is the true story of my life with these three men As you read my autobiographical memoir you will see that due to bad judgment bad decisions and loving the wrong man time and time again my life has had many mind blowing and incredulous episodes I hope that through reading my story I save the next woman from inevitable heartbreak and devastation disguised as true love Fool Me Twice D.E.
