Look at It This Way Jack McArdle, 2005 A personal theological exploration of the afterlife      **The Gift of Purpose** J. Alexander Rutherford, 2020-12-18 Many writers and commentators are convinced that Western culture and society are unravelling Who can blame them As I write this violent protests rage across the USA in response to senseless murders The political sphere has never seemed to virulent and a deadly epidemic has affected all our lives Many are agreed that there are serious problems working themselves out in Western society yet among Christians there is little agreement over the approach we should take to the West and its problems This issue how Christians should approach engagement with culture is not a new one nor is it a uniquely Western issue Christians in every age and in every culture are confronted with this question In response to many today who see it as the Christian responsibility to save the West to preserve its unique cultural heritage and achievements this author argues that our lives in this world need to be governed by three theological themes ecclesiology soteriology and eschatology That is we must prioritize the local church engage with society with the understanding that earthly kingdoms are manifestations of Satan s kingdom and live in light of Christ s imminent return

*Inside the Small Church* Anthony G. Pappas, 2001-11-01 Even as so called megachurches capture the attention of many church watchers small congregations continue to dominate America s religious landscape in both rural and urban settings Although sometimes obscured by their larger siblings these small churches play a prominent role and hold a unique place in both local and national cultures How can leaders help to keep these often at risk churches alive and to meet their potential for ministry Small church expert Tony Pappas has gathered a cornucopia of essays into an indispensable book for anyone interested in the rich life of these small but significant congregations Drawing on classic and updated articles by a variety of writers from his own small church newsletter *The Five Stones* from Alban journals *Action Information* and *Congregations* and adding new pieces developed especially for this volume Pappas provides timeless ideas on learning to value pastor develop and lead the small church In addition to time honored articles by the editor other contributors to this volume include Sherry and Douglas Alan Walrath Gary Farley Lawrence W Farris Loren Mead Caroline Westerhoff Steven Burt Carl Dudley David Ray James Lowery and a host of others known for their work and love for the small church Readers of *Inside the Small Church* will come away with a renewed love and appreciation for these vital congregations as well as with new skills for ministry      *Augustine on the Christian Life* Gerald Bray, 2015-10-14 Augustine is widely considered to be one of the most influential theologians of all time and stands as a giant among giants in the history of the Christian faith However while many Christians are familiar with the broad strokes of his theology few readers today have explored the riches of his spiritual life In this addition to Crossway s growing *Theologians on the Christian Life* series renowned scholar Gerald Bray seeks to show us that Augustine is just as relevant today as it was in AD 430 Focusing on the North African pastor s personal transformation and dependence on the the Word of God Bray gives us a picture of this ancient hero of the faith that can

sharpen and encourage modern believers Part of the Theologians on the Christian Life series      **Themelios, Volume 41, Issue 2** D. A. Carson, 2016-08-23 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary      **The Pursuit of Meaning** Benicia Masangu, 2022-07-12 The book is a simplified and structured way of understanding the reason for the complex journey of life on earth as God sees it and the presentation of the path that leads to meaning and redemption      *Worldview as Worship* Eddie Karl Baumann, 2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn't looking at Christianity to answer spiritual concerns We either change or we lose them *Worldview as Worship* contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul's teaching in Romans 12:1-2 *Worldview as Worship* approaches the renewing of your mind as the result of the believer's presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview

transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice

Throughout the history of the Christian church there have been moments of significant theological crisis and we are currently in the midst of another But our pressing question is not Who is Jesus as it was in the fourth century nor How can we be saved as it was in the sixteenth Now it is What is a human being In many communities that claim the name Christian even people who can provide correct answers to the first two questions are currently confused when it comes to the third This book is intended to help all such readers understand how they should as faithful Christians respond to this crucially important question and how they should live as a result At the same time it seeks to equip these serious Christians to recognize the non Christian roots of the powerful competing ideas of the human that they encounter every day both in contemporary society and in contemporary churches and to have the courage to reject them For these unbiblical ideas when embedded in a church do damage to Christian faith and life They are destructive cuckoos in the Christian nest **The View**

**from My Front Porch** Kay Harms,2012-07-30 How do you see the world from your vantage point While few of us have put much thought into how we have developed our worldview all of us have one Our worldview encompasses how we see the world and how we react to it Just as we all see the world a little differently from the vantage point of our front porches we also view the world through different lenses affected by our past experiences our current circumstances the information we ve been taught and the way we wish thing to be But as Christians we need to intentionally develop a worldview that accurately reflects the character of our God and the truth of His Word This 4 week Bible study is a distinctly feminine approach to developing a biblical worldview Author Kay Harms takes you to the ancient words of the Bible to frame a sound biblical view of a modern woman s world *Faith, Hope, Love, and Justice* Anselm K. Min,2018-03-28 Faith hope and love

traditionally called theological virtues are central to Christianity This book renews faith hope and love in the context of the many contemporary challenges in many unique ways It is an ecumenical collection of papers equally divided between Catholic and Protestant positions that seek to radically renew the classical doctrine of faith hope and love and argues for their essential connection to the praxis of justice It contains eight different approaches each represented by a distinguished theologian and addressing different aspects of the issues and followed by insightful and critical responses It does not merely seek to renew the theological virtues but to also reconstruct them in the demanding context of justice and the contemporary world nor is it simply a treatise on justice but a theoretical and practical reflection on justice as vital expressions of faith in

God hope in God and love of God A non dogmatic and non ideological approach it accommodates both conservative and liberal positions and avoids the separation of the theological virtues from the demands of the contemporary world as well as the separation of justice talk from the theological context of faith hope and love It seeks above all to renew not merely repeat the classical doctrine of faith hope and love in the contemporary context of the urgency of justice and to do so ecumenically comprehensively and from a variety of perspectives and aspects      Reading the Bible for a Change, Second Edition Ray Lubeck, 2023-02-21 Which Bible passages are for Christians today and which relate only to ancient readers Can I simply pick and choose for myself the verses I think best fit my situation Who gets to decide Is there a different meaning for each individual reader What am I supposed to know to read the Bible well Ray Lubeck has devoted his life to helping others discern for themselves God s truth in the Scriptures and to showing them how it relates to their everyday lives Reading the Bible for a Change will guide you in how to Read each biblical passage in light of its literary style and larger context Ask and explore the most fruitful questions for understanding the meaning of a passage Avoid common interpretive mistakes Hear God the divine Author speak through the Bible s human authors Identify the life changing truths of Scripture that apply to life today Move beyond merely reading the Bible to being shaped by and following it Having taught for over three decades at the undergraduate and graduate levels as well as in many ministry contexts Ray values the importance of holding the interest of students of the Bible This book is written in an accessible and engaging style using illustrations charts stories and relevant examples to help the reader grasp key concepts The second edition has been extensively revised in light of recent scholarly developments and years of use within the classroom incorporating substantial amounts of updates and new material Reading the Bible for a Change will equip you with the tools to discover for yourself the life changing truths revealed in God s word If you begin practicing these steps you will embark on a lifetime journey of Scripture reading that will enable you to see for yourself how captivating and transforming it is when we read the Bible on its own terms rather than on ours
