Look Out Cinder:

Cinder's Trial Eve Langlais, 2024-09-04 This Cinderella doesn't need a prince charming but she would like a happily ever after. Silly me, I thought I'd beaten the Grimm Effect when I ditched the old man who wouldn't stop chasing me at the ball. However, here I am decades later with my fairy godmother popping back in for round two. No thanks, I intend to marry for love and not because of a curse. Avoiding the marriage trap might be easier if I wasn't roped into acting as a liaison for a certain European prince. A good thing he's at least charming compared to his assigned protective Grimm Knight. The upcoming ball for the prince's birthday is turning into a chaotic mess with hundreds of Cinderellas showing up determined to lose their shoe. While I'm busy trying to screen them before they come near His Royal Highness, I'm being plagued by oddities, some of which are threatening my life. As the curse does its best to force me into playing my role, I am equally determined to fight it. The question is: will my refusal to conform ruin my chance at happiness? A twisted fairytale romance featuring a Cinderella who is determined to avoid marrying a prince.

Cold Front Nikolai Joslin, 2017-04-18 Sequel to *Life Beyond the Temple*. The Fires of Destiny Book Two. Back at the temple before completing her Proving, all mage Casey Kelly wanted was a normal life. But now that she has it along with her fiancé, former knight Regan Cartmell, Casey is restless. The lack of excitement isn't all she hoped it would be. Casey and Regan won't have time to grow bored of their contentment though. A dark elf called Ston comes to their door with dire news: the other dark elves, once cast out of society and forced underground by humans, are gathering their strength and they plan to attack. With war looming, Casey must approach the underfae and secure an alliance with them. Then she must go into battle against the dark elves and the strange and deadly creatures under their command. But can Ston be trusted? One of Casey and Regan's oldest friends doesn't think so.

The Lookout Man B. M. Bower, 2023-07-01 *The Lookout Man* is a gripping Western novel written by B. M. Bower. Published in 1917, it tells the compelling story of Jerry Brandon, a young cowboy who finds himself caught in a dangerous web of deception and treachery. Jerry's life takes an unexpected turn when he becomes the lookout man for a gang of outlaws planning a series of daring robberies. As he becomes entangled in their criminal activities, Jerry must navigate a precarious path torn between loyalty to his newfound companions and his own moral compass. Bower skillfully weaves a tale of suspense, moral dilemmas, and redemption against the backdrop of the rugged and unforgiving Western landscape. Through Jerry's journey, the reader is drawn into a world of hidden identities, narrow escapes, and dramatic confrontations. The plot showcases Bower's talent for creating complex characters and intricate plotlines. It delves into themes of personal integrity, the struggle between right and wrong, and the power of redemption. With its vivid descriptions and fast-paced narrative, this novel captivates readers with its blend of action drama and moral introspection.
