## **Looking For God Seeing The Whole In One:**

**Seeking God In All Things** William Reiser, 2004-05-01 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer Seeking God in All Things explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What s Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a professor of theology in the religious studies department at Holy Cross College Worcester Massachusetts Over the past twelve years he has also served as an associate staff member at the Center for Religious Development in Cambridge He is the author of Jesus in Solidarity with His People published by Liturgical Press     **1 and 2 Timothy, Titus, and Philemon** H. reformer of India who wanted to create a worldwide religious revolution He was a saint and an intellectual warrior By his name the minds of Priests Acharyas Pundits and Mullahs tremble with fear This book is based on logic and reasoning a book which opens up Hinduism and sheds light on Islam and Christianity This book will make you to think who you are and why you are on this planet For Hindus it will be an eye opener as what they have been practicing so far and even practice today is not what Hindu Dharma is This book is bound to touch your inner soul and mind The Book focuses for the first time in the History of religions on the following topics Is Ram Krishna Jesus Allah etc a GOD or not Who is the True GOD and does GOD exists a scientific approach Concept of GOD Matter and Prana i e the Life Force What is True Spirituality How can all religions live in peace Theory of Karma from Scientific angle How is the universe created How was the human created first What happens after death Why one should NOT marry with cousins or direct blood What the Universe is made up of Demolishing Big Bang Theory Unified Theory of Creation Concept of Prana What is Space It Is the Same Light Daljit Singh Jawa,2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great
