Looking For Trouble And Other Stories:

Looking for Trouble and other Mostly Yeoville Stories Colleen Higgs, 2012 Looking for Trouble is a collection of short stories set in Yeoville from the mid 1980s to the early 1990s. The stories capture with a dark humour the lives of young people trying to make a go of things given the constraints of the country and the volatile period. Most of the stories have been published in literary magazines or in collections in South Africa, the UK and Uganda. **Erceldoune & Other Stories** Richard Leigh, 2006-10-01 Three narratives and an essay by New York Times bestselling author Richard Leigh. Mr Leigh is co-author with Michael Baigent and Henry Lincoln of *Holy Blood Holy Grail*, the controversial international bestseller. With Michael Baigent, Mr Leigh has co-authored *The Messianic Legacy*, *Secret Germany*, *The Inquisition* and *The Elixir and the Stone*. Here Leigh weaves three tales of magic and timeless mystery: *Two novellas* *Erceldoune* and *The Oisín Society*, one short story *Druidesse* and an essay *Mythic Logic* explore the forces at play where the past, present and future of Ireland intersect.

CRASH and other STORIES Dick Donaghue, 2013-02-28 This collection of short stories deals with a wide gambit of underlying emotions: love, dedication, mistrust, hope, and many of the traits and elements that make up the complexity of human beings from all walks of life and settings. It is these diverse characteristics that make our fellow humans so interesting. Many of these stories have been published both locally and nationally in Ireland.

Mexico is Missing and Other Stories J. David Stevens, 2006 What's America to do when one day Mexico suddenly disappears? That question asked by the title story in *Mexico Is Missing* sets the tone for a collection whose individual stories have been described as provocative, intensely relevant, and wickedly macabre. Thematically and formally diverse, these pieces are unified by their devotion to the offbeat, even insane moments of contemporary life. A widow hears a voice from her computer that claims to be God. An unnamed narrator develops an unhealthy fascination with his mailman.

Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President s golf game to well the President s penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in Mexico Is Missing will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you re laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket
