their relationships with God **Truth Seeker** ,1925 **Jesus, It was Always You** Bonnie Isbell,2023-10-17 Every woman and perhaps every man longs to be loved to be tenaciously pursued by someone who simply will not give up until they have owned the other's heart We need to know that this love is unconditional and will not become disillusioned or lose its intensity We need the security of forever Have you ever found yourself in a spiritual pit feeling lost unloved unlovable and unsure of just who you are If you long for a passionate love relationship that you can hang your identity on forever if you have never understood that the entire Bible from cover to cover is a love story of God's relentless pursuit of you if you need to know that you have a covenant partner whose love for you has no limits if you long for a solid stable place to throw down an anchor for your soul this is where your yearnings will at long last be satiated You will never be the same **Crucified with Christ** Rev. Seekers after rest; or, The children of Israel from the Exodus to Solomon Harriet Maria Barclay, 1876

Seekers in the Hands of an Elusive God Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God's will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought *Seekers in the Hands of an Elusive God* explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God

McLemore, 2024-11-14 What is the difference between belief and faith Are science and religion incompatible How much do we know about Jesus Why does God keep us so much in the dark How much can we trust the Bible especially when the New Testament is two thousand years old and the Old Testament even older Has Christianity helped or hindered civilization What about violence in the name of Christ Why does God allow suffering and tragedy Does religious faith even make sense Christianity for Seekers and Skeptics is for those in search of passionate faith that also holds up under careful scrutiny It is also for Christians who want better to understand the foundations of their faith and how to respond when others challenge it The author is an award winning psychologist who has taught at the college and university levels He has also taught in a doctoral clinical training program at a seminary This wide ranging volume reflects decades of multi disciplinary study It is a
