Looking Down On Mrs Thatcher:

Margaret Thatcher Charles Moore, 2015-10-06 In June 1983 Margaret Thatcher won the biggest increase in a government's Parliamentary majority in British electoral history Over the next four years as Charles Moore relates in this central volume of his uniquely authoritative biography Britain's first woman prime minister changed the course of her country's history and that of the world often by sheer force of will The book reveals as never before how she faced down the Miners Strike transformed relations with Europe privatized the commanding heights of British industry and continued the reinvigoration of the British economy It describes her role on the world stage with dramatic immediacy identifying Mikhail Gorbachev as a man to do business with before he became leader of the Soviet Union and then persistently pushing him and Ronald Reagan her great ideological soulmate to order world affairs according to her vision For the only time since Churchill she ensured that Britain had a central place in dealings between the superpowers But even at her zenith she was beset by difficulties The beloved Reagan twice misled her during the US invasion of Grenada She lost the minister to whom she was personally closest to scandal and almost had to resign as a result of the Westland affair She found herself isolated within her own government over Europe She was at odds with the Queen over the Commonwealth and South Africa She bullied senior colleagues and she set in motion the poll tax Both these last would later return to wound her fatally In all this Charles Moore has had unprecedented access to all Mrs Thatcher's private and government papers The participants in the events described have been so frank in interview that we feel we are eavesdropping on their conversations as they pass We look over Mrs Thatcher's shoulder as she vigorously annotates documents so seeing her views on many particular issues in detail and we understand for the first time how closely she relied on a handful of trusted advisors to help shape her views and carry out her will We see her as a public performer an often anxious mother a workaholic and the first woman in western democratic history who truly came to dominate her country in her time In the early hours of 12 October 1984 during the Conservative party conference in Brighton the IRA attempted to assassinate her She carried on within hours to give her leader's speech at the conference and later went on to sign the Anglo Irish agreement One of her many left wing critics watching her that day said I don't approve of her as Prime Minister but by God she's a great tank commander This titanic figure with all her capacities and all her flaws storms from these pages as from no other book

Thatcher's Theatre D. Keith Peacock, 1999-03-30 The Thatcher administration of 1979 to 1990 had a profound and apparently lasting effect on British theatre and drama It is now roughly a decade since the fall of Margaret Thatcher and with the benefit of hindsight it has become possible to disentangle fact from fantasy concerning her effect on the British theatre During her administration there was a significant cultural shift which affected drama in Britain While some critics have argued that the theatre was simply affected by financial cutbacks in arts subsidies this volume challenges that view While it looks at the economic influence of Thatcher's policies it also examines how her ideology shaped theatrical and dramatic discourse It begins by defining Thatcherism and illustrating its cultural

influence It then examines the consequences of Thatcherite policies through the agency of the Arts Council of Great Britain Having established this political and cultural environment the book considers in detail the effect of Thatcher s administration on the subject matter and dramatic and theatrical discourse of left wing drama and on the subsidized political theatre companies which proliferated during the 1970s Attention is then given to the development of constituency theatres such as Women s and Black Theatre which assumed an oppositional cultural stance and in some cases attempted to develop characteristic theatrical and dramatic discourses The penultimate chapter deals with the effect of Thatcherite economic policy and ideology on new writing and performance while the final chapter draws conclusions and suggests that the cultural shift perpetrated by the Thatcher regime has altered the status of subsidized theatre from an agency of cultural spiritual social or psychological welfare to an entertainment industry which is viewed as largely irrelevant to the workings of society

Women of Westminster Rachel Reeves,2020-03-05 Foreword by Dame Winifred Mary Beard This updated edition is a complete account of the first 100 years of women in Parliament In 1919 Nancy Astor was elected as the Member of Parliament for Plymouth Sutton becoming the first woman MP to take her seat in the House of Commons Her achievement was all the more remarkable given that women and even then only some women had only been entitled to vote for just over a year In the past 100 years a total of 491 women have been elected to Parliament Yet it was not until 2016 that the total number of women ever elected surpassed the number of male MPs in a single parliament The achievements of these political pioneers have been remarkable Britain has now had two female Prime Ministers and women MPs have made significant strides in fighting for gender equality from the earliest suffrage campaigns to Barbara Castle s fight for equal pay to Harriet Harman s recent legislation on the gender pay gap Yet the stories of so many women MPs have too often been overlooked in political histories In this book Rachel Reeves brings forgotten MPs out of the shadows and looks at the many battles fought by the Women of Westminster from 1919 to 2019 **Everybody's Magazine** ,1920 **Cotton** ,1921 **The Complete Reflections** Peter Hennessy,Robert Shepherd,2020-10-15 On the BBC radio show Reflections with Peter Hennessy the preeminent historian of British political life interviewed leading figures from the UK s governing parties during the late twentieth and early twenty first centuries Bringing together transcripts of the collected interviews for the first time The Complete Reflections features interviews the biggest names from the Thatcher era the New Labour years and the coalition government of the 2010s In The Complete Reflections Peter Hennessy and Robert Shepherd provide not only an overview of the past three decades of British politics but also delve into the minds of those at the forefront of public life during times of great change Hennessy s deep knowledge and understanding of the lives and motivations of his interviewees along with the obvious esteem in which they hold their interlocutor leads to frank and revealing conversations in which the subject is not an object but an equal giving these exchanges a unique veracity The results are portraits of high authority in which interviews become the chronicles that endure above all others nothing less than the first draft of history **Century Illustrated**

1979 was one of the most gifted and promising figures in the constellation of British poets journalists and intellectuals of the 1930s that included Louis MacNeice W H Auden C Day Lewis Isaiah Berlin and Anthony Blunt Like many liberals of his generation he was shocked by the effects of the Depression and correspondingly sympathetic to the Communist regime in Russia Guy Burgess of the Cambridge spies Burgess Maclean Philby and Blunt admitted his espionage to Rees His association with Burgess was to blight the rest of Rees s life When Burgess defected in 1951 and Rees denounced him to MI5 Rees was viewed more as a spy out to save his own skin than as an honorable citizen His anonymous sensationalist articles in *The People* denouncing Burgess s political activities and all but naming names condemned him with the British intellectual community not for his politics but for his betrayal of a friend Colleagues and acquaintances accused him of trying to initiate a McCarthyite witch hunt He lost his job His academic career was ruined In *Looking for Mr Nobody* Jenny Rees deals with many of the old charges made against her father in her search for the answer to her own question Was he too a spy Had he joined up with Burgess and Blunt and passed secrets to the Soviet Union Her quest for the truth reveals a fascinating portrait of a brilliant but flawed man of letters handsome and seductively charming caught up in the radical political commitments of the 1930s Communist Party membership and his tortured relationship with the notorious Cambridge spies In a straightforward unsentimental manner the author reviews the main aspects of Rees s career professional affiliations his conflict with academic enemies and his anti Communist writings for *Encounter* after the war While Fleet Street continued to denounce Rees as a suspected Soviet agent his daughter went to the only place that could give his ghost rest to the files of the KGB in Moscow There she found proof that as his friends had always believed he had never been recruited by the KGB and whatever intelligence links he may have had with Burgess were severed in 1939 Jenny Rees s book reads like a parable of the Cold War It provides additional insight into the troubled decade of the 1930s and will be of interest to students of politics and the Cold War social history and the general reader concerned with moral and intellectual dilemmas of modern times The introductory essay by Diana Trilling places this riveting story in the context of place and time Jenny Rees Goronwy Rees s eldest child has been a newspaper journalist for most of her working life She has been a reporter and feature writer for the *Daily Mail* the *Daily Express* and the *Daily Telegraph* [More Stories of Married Life](#) Mary Stewart Cutting,1906

Genre and performance: film and television Christine Cornea, 2017-10-03 Looking at contemporary film and television this book explores how popular genres frame our understanding of on screen performance It brings together ground breaking and inspiring work on this topic from both renowned and newer academics in the field Previous studies of screen performance have tended to fix upon star actors directors or programme makers or they have concentrated upon particular training and acting styles Moving outside of these confines this book provides a truly interdisciplinary account of performance in film and television and examines a much neglected area in our understanding of how popular genres and performance intersect on screen Each chapter concentrates upon a particular genre or draws upon generic case studies in examining the significance of screen performance Individual chapters examine contemporary film noir horror the biopic drama documentary the western science fiction comedy performance in spoof news programmes and the television sit com and popular Bollywood films

Players Magazine ,1924 *Everywhere I Look* Helen Garner, 2016-03-29 Helen Garner is one of Australia's greatest writers Her short non fiction has enormous range Spanning fifteen years of work Everywhere I Look is a book full of unexpected moments sudden shafts of light piercing intuition flashes of anger and incidental humour It takes us from backstage at the ballet to the trial of a woman for the murder of her newborn baby It moves effortlessly from the significance of moving house to the pleasure of re reading Pride and Prejudice Everywhere I Look includes Garner's famous and controversial essay on the insults of age her deeply moving tribute to her mother and extracts from her diaries which have been part of her working life for as long as she has been a writer Everywhere I Look glows with insight It is filled with the wisdom of life Helen Garner is an award winning author of novels stories screenplays and works of non fiction In 2006 she received the inaugural Melbourne Prize for Literature Her novel The Spare Room published in 2008 won the Victorian Premier's Literary Award for Fiction the Queensland Premier's Award for

Fiction and the Barbara Jefferis Award and has been translated into many languages Garner is a charming and courageous writer whose distinctive voice exemplifies the range of what is possible in personal writing Publishers Weekly There s not a word wasted or out of place Garner observes intuitively shares and cares about the lives she writes about like no one else Readers will laugh cry squirm and gasp and wonder It s Garner s unique gift as a writer and it s beautifully realised in Everywhere I Look Books she has repeatedly shown us the glory and the power of an English sentence Monthly Garner approaches core questions about leading a meaningful life providing baby boomers in particular with examples of how to live thoughtfully and observantly Library Journal A mesmerising collection of essays and diary entries this is a book to savour and re read No one else writes with as much insight clarity and humour The diary entries in particular are a treat tiny fragments of life brilliantly observed and beautifully crafted by one of Australia s greatest writers Best Non Fiction Books of 2016 Readings There are very few writers whose personal essays seem to depend and widen on a second or even a third or fourth read but Helen Garner is one of them Her style is inimitable for while its elegance is undeniable its essence is pre verbal grounded in her intense and unique ways of looking and seeing Kerryn Goldsworthy Australian Book Review 2016 Books of the Year Everywhere I Look was a pure delight Her view on things is unpredictable distinctive and original Mark Rubbo Australian Book Review 2016 Books of the Year A generous collection of pitch perfect sketches and reviews each one taking us with her as she looks really looks at the world around her and registers her response to it Susan Sheridan Australian Book Review 2016 Books of the Year Garner is a wonderful appreciator she invites us into the work under review by leading us along the path of discovery she has followed Her strongest essays evoke emotion through reticence and suggestiveness They hint at depth of thought and feeling but never become ponderous And they reveal both the writer and the world by inviting us into her thoughts so that we can see what she sees Her successes and her failures show just how hard it is for an essayist to answer the question of why we should care why are personal essays something we might want to spend time on anyway Her best pieces answer this question we read them because of the richness of perspective they offer In them we see not only a small piece of the world but also the writer looking at the world and looking back at us asking us to spend some time gazing at it all right there with her Open Letters Monthly The light of Helen Garner s piercing observation shines on parents friends books time the weather and herself It s impossible not to trust these engrossing dispatches in their passion and honesty A lifetime of looking and taking note and the hard work of examining the significance of what is seen and felt make this a masterly collection of essays by our greatest non fiction writer Joan London The Books We Loved 2016 Sydney Morning Herald Everywhere I Look like everything in Garner s oeuvre brims with clear eyed insights and crystalline prose No other writer distils quite like she does Jacinta Halloran The Books We Loved 2016 Sydney Morning Herald There are times when Helen Garner is the only author I want to read Restlessly honest with a sharp eye for detail her style is by some rare art at once crystalline and conversational Everywhere I Look is a memorable essay collection Lisa Gorton The Books We Loved

2016 Sydney Morning Herald Reading this collection of essays is like having a long conversation with a clever funny big hearted magnificently acerbic friend It left me astonished all over again by Garner s deft handling of whatever subject she chooses There are pieces here that crackle and fizz with the pleasure she takes in her grandchildren reading a good martini and playing the ukulele Everywhere I Look made me laugh cry and think It is a book to return to again and again with gratitude Best Books of 2016 Radio National The no bullshit preamble rule is sparkingly employed Garner is a natural storyteller her unillusioned eye makes her clarity compulsive What gives the memoir its power as so often in Garner s writing is that she is unsparing in equal measure of her subject and of herself and that she so relishes complicated feelings Everywhere I Look is made singular by Garner s almost reckless honesty and brought alive by her mortal details James Wood New Yorker It s no wonder Garner won a major international award the US\$150 000 Yale based Wyndham Campbell Prize for her non fiction writing this year You just have to read this collection of essays diary entries and true stories spanning the past 20 years to recognise her immense talent Best Books of 2016 Australian Financial Review Her writing is elegant and spare the kind of writing that leaves you wrecked at the end It s what makes me feel like I m peeking in her diary when I read the most personal entries in this collection Pop Edit Lit Spanning 15 years this varied collection of short non fiction pieces presents some of Helen Garner s best work Whether it s a dig into her own life or a broader look into societal whims and ills Helen Garner is one of our most skilled essayists Best Books of 2016 Sydney Morning Herald Helen Garner s Everywhere I Look is not quite a memoir but there is a keen personal element to this collection of short nonfiction pieces Garner has just received an outstanding general review from James Wood in the New Yorker It s long overdue Australian Whenever I see Garner I try to act normal but inside some part of me is always squealing IT S HELEN GARNER Her new book Everywhere I Look is masterful like everything she writes Leigh Sales ABC News This book brims with Garner s wit and wisdom Best Books of 2016 Sunday Life Helen Garner s Everywhere I Look is like having a backstage pass into the mind notebooks and creative process of one of Australia s very best writers Andy Griffiths Best Books of 2016 Guardian For years Garner has offered me a model for journalism a careful observer she also tells us how those observations change her as well as the subjects of her gaze Garner reveals her nervous system but also the dubious games and improvisations of journalism Everywhere I Look is a collection of Garner s essays and diary entries from the past 15 years She writes on friendship ageing film and literature In The Journey of the Stamp Animals she writes of rediscovering a children s book that many years earlier had seemed so stuffed with illicit magic Now an adult this long dreamt of book in her hands again she finds the pleasure of having her memory so often fickle and corruptible vindicated The book is as she remembered It s a measure of Garner s talent that this small obscure triumph carries the feeling of profundity Martine McKenzie Murray Best Books of 2016 Guardian If you are looking for a voice to speak to you frankly and with humour and warmth about important things here is the writer for you Well known in Australia as a novelist and screenwriter and reporter Garner is also one of the world s best essayists Here she

is thinking about the indignities of how people treat the ageing the pleasures of a ukulele grandfathering and some of her best friends who she sketches with a master's economy of gesture Once you start reading Garner you will wonder what the huge space inside your head she occupies used to be there for John Freeman Best Books of 2016 Literary Hub A collection of essays and journal entries which include everything from a carefully observed portrait of Rosie Batty to The Insults of Age where she details the ways in which older women are disregarded and disrespected but with a confessional twist For me the best parts are the snippets from her diary and particularly her observations of being an irritated but besotted grandmother Garner is one of those generous women writers who is prepared to share with you her less redeeming moments in an act of intimacy and empathy with the reader You won't always agree with Garner's conclusions but how she approaches a question is always interesting Feminist Reading Picks of 2016 Age She covers topics that others are really afraid of that really penetrate the human condition which is something I admire and that has inspired me in my own work Virginia Haussegger Sydney Morning Herald There are very few writers whose personal essays seem to deepen and widen on a second or even a third or fourth read but Helen Garner is one of them Her style is inimitable for while its elegance is undeniable its essence is pre-verbal grounded in her intense and unique ways of looking and seeing Everywhere I Look seems the ideal title for her 2016 essay collection Kerryn Goldsworthy Best Books of 2016 Australian Book Review Pure delight It showcases Garner's distinctive voice and her take on the world around her Her view on things is unpredictable distinctive and original Mark Rubbo Best Books of 2016 Australian Book Review Garner's Everywhere I Look is a generous collection of pitch-perfect sketches and reviews each one taking us with her as she looks really looks at the world around her and registers her response to it Susan Sheridan Best Books of 2016 Australian Book Review It made me cry and laugh and think Garner always reminds me of the power of noticing and the impact of sparse writing Leigh Sales This collection of essays by one of Australia's best known authors has the sharp steel edge characteristic of all of Garner's work Observations are cobbled together in an almost conversational way stopping and starting dealing in trivialities and family moments Woven amongst the everyday there are recollections of grief a father's death a friend's funeral the heartbreak of being in love with a married man Garner's gimlet eye is as revealing and clear as ever Sydney Scoop Garner shows us something precious and endangered the nexus of neighbourhoods and neighbourliness the simple weatherboard houses and the plain local shops in the suburbs of Fitzroy and Moonee Ponds In the most ordinary suburb as in the most extraordinary marine wilderness what lies beneath is as fascinating as life on the surface Times Literary Supplement Everywhere I Look is a book full of unexpected moments sudden shafts of light piercing intuition flashes of anger and incidental humour Perth Writers Festival Summer Reading Guide
