The Velvet Underground Sean Albiez,David Pattie,2022-09-08 Though The Velvet Underground were critically and commercially unsuccessful in their time in ensuing decades they have become a constant touchstone in art rock punk post punk indie avant pop and alternative rock In the 1970s and 80s Lou Reed John Cale and Nico produced a number of works that traveled a path between art and pop In 1993 the original band members of Reed Cale Morrison and Tucker briefly reunited for live appearances and afterwards Reed Cale and briefly Tucker continued to produce music that travelled the idiosyncratic path begun in New York in the mid 1960s The influence of the band and band members mediated and promoted through famous fans such as David Bowie and

Brian Eno seems only to have expanded since the late 1960s In 1996 the Velvet Underground were inducted into the Rock and Roll Hall of Fame demonstrating how far the band had traveled in 30 years from an avant garde cult to the mainstream recognition of their key contributions to popular music In these collected essays Pattie and Albiez present the first academic book length collection on The Velvet Underground The book covers a range of topics including the band s relationship to US literature to youth and cultural movements of the 1960s and beyond and to European culture and examines these contexts from the 1960s through to the present day *Musical Instruments* Darcy Kuronen,2004 TheGuardian s 2008 How to Write supplements were a huge success with wordsmiths of all stripes Covering fiction poetry comedy screenwriting biography and journalism they offered invaluable advice and bags of encouragement from a range of leading professionals including Catherine Tate on writing memorable comedy characters Robert Harrison penning bestselling fiction and Michael Rosen on constructing stories that will appeal to young people This book draws together the material from those supplements and includes a full directory of useful addresses from publishers and agents to professional societies and providers of bursaries Whether you re looking to polish up your writing skills or you want to ensure that your manuscript finds its way into the right hands How to Write will prove essential reading *ITG Journal* International Trumpet Guild,1999 *Stairway to Heaven* Toby Huitson,2014-03-26 Spiral stairs galleries and upper chambers in medieval cathedrals abbeys and parish churches have been an enduring source of fascination to scholars since the eighteenth century But what were these secret stairs mysterious galleries and hidden upper rooms actually used for and how can we know This book presents the evidence for the practical functions of ecclesiastical upper spaces from c 1000 1550 as revealed through the widest selection of medieval visual documentary and artistic media ever assembled for the purpose taking in treasuries to dovecotes libraries to lights and secret games of skittles over the vaults to the daring exploits of the twelfth century Flying monk Toby Huitson considers these topics with many others offering a radically new understanding of medieval high level function Dr Toby Huitson teaches at the University of Kent Canterbury **Chaucer's Dream Poetry** Helen Phillips,Nick Havely,2016-02-04 Dream literature is regarded as one of the most important genres in medieval literature and is widely studied This text provides a succinct and clear introduction to the five central poems that comprise Chaucer s Dream Poetry and shows his role as a leading adapter of European Literary tradition into English Literature The poems discussed are The Book of the Duchess The Legend of Good Women The Legend of Dido The Parliament of Fowls and The House of Fame Each have an introduction setting the poem within the context of Dream Poetry and Chaucer s own work Appendices of proper names pronunciation and criticism are also given This volume is unique in presenting the poems together in an editorial and critical framework The quality of annotation is unrivalled and will make this text a major addition to the literature suitable for those interested in the genre literary or more general history of the period **Sing Romantic Music Romantically** David Friddle,2022-06-21 There is a paucity of material regarding how choral music specifically was performed in the 1800s The

Historically Informed Performance HIP movement has made remarkable advancements in choral music of the Renaissance Baroque and Classical periods with modest forays into the music of Beethoven Schubert Mendelssohn and other early nineteenth century composers however there are no sources with a comprehensive examination of how choral music was performed Using more than one hundred musical examples illustrations tables and photographs and relying on influential contemporaneous sources David Friddle details the performance practices of the time including expressive devices such as articulation ornamentation phrasing tempo and vibrato along with an in depth discussion of period pronunciation instruments and orchestral choral placement Sing Romantic Music Romantically Nineteenth Century Choral Performance Practices fills a gap in choral scholarship and moves forward our knowledge of how choral music sounded and was performed in the nineteenth century The depth of research and abundance of source material makes this work a must have for choral professionals everywhere

Food and Eating in Medieval Europe Martha Carlin, Joel T. Rosenthal, 1998-07-01 Eating and drinking are essential to life and therefore of great interest to the historian As well as having a real fascination in their own right both activities are an integral part of the both social and economic history Yet food and drink especially in the middle ages have received less than their proper share of attention The essays in this volume approach their subject from a variety of angles from the reality of starvation and the reliance on fast food of those without cooking facilities to the consumption of an English lady's household and the career of a cook in the French royal household
