Mystery Of The Incarnation:

The Mystery of the Incarnation Basil Hume, 1999 Indeholder The Mystery of the Incarnation The Third Millennium A Challenge Celebrating the Incarnation **The Mystery of the Incarnation** James Norman Dalrymple Anderson, 1978 There can be nothing in the Christian faith which is so much under discussion and debate today as the doctrine of the Incarnation Was Jesus just a very remarkable man in whom we somehow find ourselves confronted by God's love and moral demands or was he in fact God incarnate If the latter could he really have been man at all And is incredible to say that the Jesus of the Gospels had two natures In The Mystery of the Incarnation Norman Anderson considers these and other questions in the light of what he terms the contemporary debate the controversies and credal statements of the past the challenge of comparative religion today the views of several contemporary theologians and the tentative conclusions to which he has himself come His learning though profound and wide ranging is worn lightly as he brings his particular clear headedness to this emotive subject Publisher *The Mystery of the Incarnation* Christoph von Schönborn, 2013 **The Incarnation of God** John Clark, Marcus Peter Johnson, 2015-03-31 It's the defining reality of all existence the central fact of human history and the heart of the Christian faith God became a man and lived among us More than just part of the Christmas story the doctrine of the incarnation radically affects our understanding of God humanity life death and salvation In The Incarnation of God theology professors John Clark and Marcus Johnson explore this foundational Christian confession examining its implications for the church's knowledge and worship of God Grounded in Scripture and informed by church history this book will help Christians rediscover the inestimable significance of the truth that the Son of God became what we are without ceasing to be the eternal God the greatest mystery of the universe **The Mystery of the Incarnation** Edouard Hugon, 192? E. Canavan,Catholic Truth Society of Ireland,1946 **The Catholic Dogma (Extra Ecclesiam Nullus Omnino Salvatur)** Michael Muller,2023-11-21 In *The Catholic Dogma Extra Ecclesiam Nullus Omnino Salvatur* Michael Muller delves into the profound theological discourse surrounding salvation and the Church's role as the sacred vessel through which grace is dispensed Employing a rigorous literary style that marries precision with accessibility Muller navigates the complexities of ecclesiology and soteriology drawing on Catholic tradition and doctrinal affirmations Set against the backdrop of the tumultuous landscape of 19th century theology his work engages with the counter reformation and the emerging modernist critiques of the Church thereby positioning itself within the ongoing dialogue about faith and spiritual authority Michael Muller a pivotal figure in 19th century Catholic theology was deeply influenced by the doctrinal crises of his time which compelled him to address the implications of outside the Church there is no salvation A theologian of significant acclaim Muller sought to clarify misunderstandings within contemporary scholarship emphasizing the necessity of the Church in the economy of salvation through his writings lectures and pastoral engagements This book is essential for scholars theologians and lay readers alike as it not only explicates an integral dogma of the Catholic faith but also invites critical reflection on the meaningfulness of tradition in an era marked by skepticism Muller's compelling arguments and clear exposition render this work a valuable resource for understanding the interconnectedness of faith divine grace and the imperatives of ecclesiastical authority

Carlo Passaglia on Church and Virgin Valfredo Maria Rossi, 2020-07-13 In Carlo Passaglia on Church and Virgin Valfredo Maria Rossi traces the significant contribution that Carlo Passaglia 1812-1887 has made to Catholic theology paying particular attention to his Trinitarian ecclesiology and Mariology Though highly neglected due to his troubled life Passaglia is one of the most brilliant theologians of the nineteenth century Commonly and yet erroneously ascribed to the Neo-Scholastic movement he anticipates and so emerges as a forerunner of several themes which will be developed during the Second Vatican Council In light of Passaglia's two most relevant theological works *De Ecclesia Christi* and *De Immaculato Deiparae semper Virginis Conceptu* Rossi convincingly shows the originality of Passaglia's theology based on a patristic renaissance highlighting its historical salvific and sacramental dimension
