Ray Dunning,2010-01-20 Making the connection between living a holy life and following Christs example of love H Ray Dunning provides spiritual guidance for Christians who want to grow in grace His treatment of the joy and comfort that results from holy living is both helpful and encouraging Inviting readers to return to the biblical meanings and descriptions of the holy life Dunning challenges believers to cultivate a holy walk with Godand he provides guidance for that effort His exploration and explanation of key spiritual disciplines in the life of the Christian will benefit pastors and lay persons for years to come From the time I first sat under his teaching H Ray Dunning has been the pivotal theological influence on my understanding of the Holy God My preaching theology and pastoral practice reflect the shaping that took place under his influence Read reverently think deeply and live gratefully Dan Boone President Trevecca Nazarene University **Ruler Personality Cults from Empires to Nation-States and Beyond** Kirill Postoutenko,Darin Stephanov,2020-09-13 Encompassing five continents and twenty centuries this book puts ruler personality cults on the crossroads of disciplines rarely if ever juxtaposed before among its authors are historians linguists media scholars political scientists and communication sociologists from Europe the United States and New Zealand However this breadth and versatility are not goals in themselves Rather they are the means to work out an integrated approach to personality cults capable of overcoming both the dominance of much discussed 20th century poster examples Bolshevism Nazism Fascism and the lack of interest in the related practices of leader adoration in religious and cultural contexts Instead of reiterating the understandable but unfruitful fixation on rulers as the cults focal points the authors focus on communicative patterns and interactional chains linking rulers with their subjects in this light the adoration of political figures is seen as a collective enterprise impossible without active if often tacit collaboration between rulers and their constituencies
