for the diseases that the Europeans brought with them White man s diseases such as measles and small pox wiped out thousands of the natives over the next few centuries Not only were these Native Americans lost but in many cases the knowledge of history and medicine went with them Today many modern medicines are based on plants and herbs that were used by the Indians Many of the remaining tribes continue to guard the knowledge of their medicine people and the subject will not be discussed with non Native Americans Many believe that sharing of the healing knowledge will weaken the spiritual power of the medicine In this book you will learn of the medicine man medicine wheels herbal treatments songs for healing and the ways of Body Mind and Spirit You will learn to channel the power of the universe and use it to be in better health and achieve life goals You will learn the ways of Native Americans and a forgotten path to inner harmony **Healing Secrets of the Native Americans** Porter Shimer,2004-09-01 Learn how Native Americans have used the bountiful gifts of nature to heal the mind the body and the spirit Bestselling *Healing Secrets of the Native Americans* brings the age old knowledge and trusted techniques of Native American healing to a wider audience Discover how the Native American tradition uses plants and herbs heat movement and sound visualization and spirituality to heal dozens of everyday ailments and illnesses from back pain to insect bites to flu and sore throat and much more and apply it to your life to improve your health and your mind Broken into sections the book covers such topics as The Healing Spirit including dream therapy spirituality and prayer The Native American Spa healing with heat massage sound and movement and nutrition The Native American Pharmacy including more than 40 herbs and plants how to obtain them and how to use them plus remedies for more than 40 ailments from acne to wrinkles **Shamanic Healing and Ritual Drama** Åke Hultkrantz,1992 In this pioneering work one of the world s leading experts on Native American traditions offers a detailed survey of Native American practices and beliefs regarding health medicine and religion In contrast to the sharp Euro American division between medicine and religion Native American medical beliefs and practices can only be assessed says the author in their relation to their religious ideas Spanning the full length and breadth of Native North American cultural areas from the Northeast to the Southwest the Southeast to the Northwest the book offers thick descriptions of traditional Native American medical and religious beliefs and practices demonstrating that for Native Americans medicine and religion are two sides of the same coin a coherent and holistic system in which supernaturalism acts as a motor in healing *Native American Healing Traditions* Moss,2022-08-19 Do you want to learn about Native American Indian tribes healing secrets Do you want to learn all there is to know about Native American medicinal herbs and plants Herbalism like traditional medicine has been used for millennia and several studies have shown that it is beneficial in healing common diseases and increasing general well being Native American tribes employ many plant species daily to cure diseases and improve well being They have long been used in herbalism to treat a range of ailments and to improve health Teas and infusions from plants like mullein rosebuds and yarrow are often used in these tribe specific remedies This book will teach you Native American Medicine and Spirituality A
